

# 'I was wondering what are your elves' names?'

Dear Santa,  
Thank you for the presents last year. I really enjoyed them. I would really appreciate you bringing a Snake Mountain this year and also one He-Man figure. You can look in my bag that I am going to leave on my desk to see what figures I already have. Our Christmas tree is in the living room. Merry Christmas and we will leave some egg nog and cookies on the dining room table. And I'll leave something for the reindeer. I was wondering what are your elves' names?

Dear Santa,  
I am almost 6 years old this year and have tried to be a good boy for Mom and Dad.  
How are you? I hope you liked the milk and cookies last year and the carrot for your reindeer. Thanks for the presents last Christmas. This year I'd like Snake Mountain, A-Team Target Game, Knight Rider Dash Board and Paints and Big Foot.  
We'll leave a different treat for you. Have a good trip.  
Love,  
Stephen Gibbons

My brother Edward is 3 years old, he would like some characters from Masters of the Universe and some zoo or farm animals to play with.  
I also have a baby

Dear Trevor,  
Reading your letter, I realize I better get out and look at the new toys that are out on the shelves, and I better do it fast. I'll look around and see what I can do for you. Trap-jaw and Buzz Off? I'll find out what they are - you just wait!  
Love Santa

Dear Santa,  
Please bring me Snake Mountain or Castle Grayskull. A Battle Cat and He-Man. Thank you. I love you.

Dear Santa,  
I am writing for my sister, her name is Dawn Mosher, she is 3 years old. For Christmas she says that she would like a pair of earrings, play nailpolish, some Barbie clothes.  
P.S. We will leave some cookies and coke we will leave an apple for a reindeer.  
Love, Dawn Mosher,  
Greenore Cres., Acton

Dear Dawn,  
I'm glad to see that you were thinking of me really early this year and got your letter out to me way back in November. I just can't seem to get Mrs. Claus away from the play nailpolish but I'll try to get at least one bottle away for Dawn.  
Remember - Santa loves you!

Dear Santa,  
I hope you had a good year? Did Mrs. Santa have a super year? This is my Christmas list. I wish for a transformer and a train set and some Go-Bots and a big set of Space Lego.

## Letters to Santa

Dear Laura,  
I'm glad to see that you know what you want for Christmas. It certainly is a big decision. After checking my list, I see you have been a good girl for your mom and dad, so I'll try my hardest for you. Would I be able to come to a tea party at your house?  
Leave me a note, ok?  
Love Santa

Dear Jackie, Edward and Mallory,  
We love you Santa Jackie, Edward and Mallory Beck, Sinclair Ave., Georgetown

Dear Billy,  
Is your last name Politi because you're so polite? I'm glad to hear that you are leaving out some candy-canes for me. I don't get too many of them since all my little elves run away with them before I have a chance to eat them.  
Santa P.S. The mittens Mrs. Claus made me match my suit with little red hearts on them.  
Love Billy Politi

Dear Jim,  
Thank you for your letter with that nice drawing of me and the stickers you put on the paper. Mrs. Claus has it on her refrigerator and it's one of her favorites. I'll take a look in your bag for sure, but don't look into mine! My elves' names are too many to mention but here are a few: Elfi, Alf, Alvin, Arly, Mac, Brain, Nozzle, Pointy, Gurky, Bickle and Sam.  
Happy Holidays,  
Santa Claus

Dear Santa,  
My mom is writing the letter again this Christmas but I showed her some toys in a book that you could bring me. I really like the Big Rig Tow Truck. I play with it at a friend's house. Also could you leave Building Blocks, a Sit and Drive Paints and Crayons.  
If you get hungry there will be a treat left in the kitchen and a carrot for the reindeer.  
Love,  
David Gibbons

Dear Santa,  
For Christmas I would like  
1. Fisher Price telephone  
2. Cash Register  
3. Truck with dirtbikes  
4. Sweeping Brush  
5. Tape Recorder  
Thank you Santa,  
Love from  
Andrew Murray,  
King St., Georgetown

Dear Santa,  
Please could you send my baby sister Jennifer  
1. A soft coloured ball  
2. A rattle  
3. A Teddy Bear  
4. A pretty dress  
5. A mobile  
My baby sister is too small to write.  
Thanks again,  
Andrew Murray,  
King St., Georgetown

Dear Dawn,  
I bet your Cabbage Patch Doll is getting big now! In fact, I bet she'll want to use your walkman if I bring you one. Remember to be careful with babies because they can hurt themselves.  
Hugs and Kisses, Santa

Dear Santa,  
Thank you for the presents last year, you're the best boy in the whole world! I know that Rudolph has a very shiny nose and I like him and I like every reindeer in the whole world. Santa, I was wondering if you could bring me a Barbie Dream Cottage and a Cabbage Patch summer dress for Myra Nina. She's my Cabbage Patch and she's been a very good girl all week. I was a good girl, too.  
When Jim and I help Mom with the Christmas baking, I will make a special cookie for you and I will leave some egg nog for you, too. I'm having a Christmas concert at Little Cherub Nursery School and you can come if you want - I'm sure Mrs. Hutzall won't mind. Merry Christmas Santa!

Dear Santa,  
Hi! My name is Andrew Burns. I will be 6 months old on Christmas Day. I am just about crawling, so I am looking forward to the tree, presents and all. I plan to keep Mom and Dad busy. I would like a new stroller, as I love to go walking. I would also like some new clothes, blocks, rattle, squeeze toy, and some toy cars so I can start collecting. I will leave some extra cookies and carrots with my big sisters. Thanks.  
Love Andy Burns

Dear Santa,  
I have been a good girl for Mommy and Daddy and I can't wait for you to come on Christmas Day. For Christmas I would like a Glo-Worm, My Little Pony and a Cabbage Patch Kid. I will leave some milk and cookies out for you when you stop at my house in case you are hungry. I will hang up my stocking too so you can put some chocolates in it, for me.  
Love from,  
Lynn Hayes

Dear Lynn,  
I love those glo-worms too. Late at night I love to sneak into the elves' workshop and press his tummy to light up the factory. Sometimes I scare the elves, but they soon fall back to sleep. If I have a sweet tooth too! If you leave me some, I fill your stocking with them!  
All my love,  
Santa Claus

Dear Santa,  
I hope you and Mrs. Claus have been fine this year. I have tried to be a good boy for my mom and dad. Could you please bring me some He-Man Figures, Space Lego, A-Team Combat set.  
My mom made some cookies for you that I will leave you on Christmas Eve. Merry Christmas and thank you.  
John Gould

Dear John,  
This is the first dear John letter I've written this Christmas. I like the He-Man figures too, but not the evil ones, just the good guys. Thank you for your list and I'll try to bring you something you like. I always enjoy your mom's cooking. Will you tell her for me?  
Bye for now, Santa

Dear Almee,  
What a lovely way to spell your name. Hannibal Smith's middle name on the 'A' Team is alme-e too! I'm glad you've been a good girl. Rudolph thanks you for leaving some cookies and carrots. I'm taking a look around for that Pony Waterfall.  
Love, Santa
