

Letters to Santa

Dear Santa,
I have three things to ask for, but before that I would want to tell you that I've been a good girl this year by cleaning my room every Saturday and helping my mom and dad with their work. Now I would like to tell you what I would like for Christmas. I would definitely like a preemie Cabbage Patch Kid and two winter suits, one for my Cabbage and one for I get the preemie that I asked for. I hope Mrs. Clause is well.
Love, Leanne Wilkinson,
14 Ann Street,
Georgetown
P.S. I'd like the preemie to have blue or green eyes and one dimple please.

Dear Leanne,
Helping your mum and dad with their work is just "preemie". Ho, Ho, Ho. Mrs. Clause is fine and has been helping me check up on those been naughty and nice. You check under the tree on Christmas day 'cause I'll sure to be down Ann Street.
Love Santa

Dear Santa,
I would like two things for Christmas and that is a set of construx and a set of Robotics too. I have been good to my mom and dad by cleaning my room and mowing the lawn.
Your friend,
Brent Wilkinson,
14 Ann Street,
Georgetown

Dear Brent,
You be careful with that lawnmower. It's good to see you've been cleaning your room. Maybe you could teach the Robotics to do your chores for you, Ho, Ho, Ho.
Love Santa

Dear Santa,
How are you? You must be very busy these days. I would like a Care Bear and Rainbow Brite for Christmas please. My baby brother Jeffrey would like a dump truck. We are good children most of the time. There will be a bag of carrots for all the reindeer beside the fireplace.
Love, Leanne Knapp,
4 years old,
57 Mary St.,
Georgetown

Dear Leanne,
The reindeer will have a great time eating the carrots. It's nice to hear you've been good children most of the time. Tell Jeffrey we have trucks made at the North Pole and even Care Bears for good girls. Have a merry Christmas and stay good.
Santa

Dear Santa,
Thank you for all the toys you gave me last year. How are you? I am fine. This year please may I have a Cabbage Patch Kid, LCD watch, a Waterfall Pony, Pony Shower, a desk set, thumb tacks, a White furry teddy bear, a Spill and Spell game, and Cabbage Patch Kid Clothes.
Thank you,
Alison Macewan, age 7,
25 Eleanor Crescent,
Georgetown

Dear Alison,
Ho, Ho, Whoa. That's a fairly long list. Santa's elves are already working round the clock, but I'll have a word with them, Alison.
P.S. How did you know my postal code? Few do! Merry Christmas,
Santa

When it comes to making movies, even famous film directors can't have everything the way they want it.
"In film making, you're always at the pleasure of God," Norman Jewison chuckled. He was referring specifically to the weather Saturday afternoon, which had forced filming of "Agnes of God" indoors.
The Canadian director has been filming in Rockwood since last week.
"I think, right now, the biggest problem is the weather, because, as you know, life doesn't stop for a film," Mr. Jewison said.
A scene that may take only three to four minutes on the screen can take up to six hours to shoot, and in those six hours, there can't be any drastic change of weather.
