

Dear Santa,  
I have been good all year. Please bring me a glow bug, and a glow worm, for my sister, Arden. We would like shovels to help Daddy with the snow. Thank you for my gifts last year. We have carrots for your reindeer.  
Love Brooke MacLean,  
4 years old

Dear Brooke,  
Thank you for your letter. It got to me just as I was leaving to check on my reindeer for my trip south. I'll look for a glow worm for your sister and a glow bug for you. It's nice of you to ask for a shovel to help your dad shovel snow. My prediction is that this winter he will need all the help he can get. Say hello to your parents and tell them to leave me some egg nog.  
Love, Santa Claus

Dear Santa,  
Hi! How are you? How's Dasher (my favorite) and Rudolph? For Christmas I would really like clothes for my Cabbage Patch dolls, a music box and a Ken doll so my Barbie can have a new friend.  
I'll leave a picture for you and your reindeer. I hope you like it. I like to draw.

# Letters to Santa

## SANTA'S MAILBAG

Dear Stephanie,  
Thank you for your letter. I'm fine and so is Dasher, except he is itching to get some exercise by visiting your house on Christmas. I can tell you really like your dolls. So Stephanie I'll try to bring you some nice things for them. Thank you for leaving a picture. Mrs. Claus has a special cork board for all the pictures we receive.  
Love Santa

Dear Santa,  
Hi Ho-Ho! My name is TJ and I am 15 months old so my momma and sister are helping write this. When I wake up on Christmas morning I would like to find some building blocks, any-

thing that plays music and a work bench. Daddy says we can't put up another Christmas tree until I'm a lot older cuz I like the lights and the pretties too much.  
TJ Norrie,  
Georgetown

Dear TJ,  
What a lovely name. I can tell you'll probably be a corporate magnate when you get a wee bit older. I understand how your dad feels about the lights on the tree. It's pretty tempting not to touch them! I'll look for some building blocks and other items you've asked for.  
Love Santa

P.S. Does your mom have any more Christmas baking left?  
Dear Santa,  
I would like to have a

new bike and a Deception Leader transformer and a Knight, Rider talking car.

I've tried to be a good boy and I hope you can bring me these things.  
Shane Casey,  
Georgetown

Dear Shane,  
I wish I had a sleigh that talks like Knight Rider. Oh well, Rudolph and the gang usually do a very competent job, except for the winter of '88 when we ran into a snowbank near Goose Bay in the fog.  
I'll try to bring you some of the things you want.  
Love Santa

How are things going down there at Lynden Circle? I'm glad you've been a good girl and that your mom thinks so too. If it isn't too foggy out, the weather should be perfect for my flight. Leave a carrot for Rudolph. I'll try and get you some of the gifts you've asked for.  
Love Santa

Dear Santa,  
My mom says I am a good girl all the time. Have a safe journey. I wish for Glo Worm, Barbie with Heart stickers and heart cut out, baby smurf, snuggle buns, cabbage patch girl, baby doll, my little pony.  
Kara Megan Harrison,  
Lynden Circle,  
Georgetown

Dear Kara,

I've been a good girl. I would really like a ball and some paints. I have

a new baby sister. Her name is Casey. Please bring her some toys too. I like you Santa.  
Love Carley Crichton,  
Age 2

Dear Carley,  
My your handwriting is so good for a two year old or did you dictate this to your mom? It's nice sometimes to have a personal secretary. I have three that help me with my correspondence.  
If my elves haven't run out of balls and paints I'll bring some to your house. We'll see what we can hunt up for your baby sister Casey, too.  
Hugs to you Carley,  
Santa
