Senior girls still dominating their league

By SUE DUNNING

Herald Correspondent The Georgetown Senior Girls Order of the Royal Purple hockey team continues to dominate their league. With four games left, the team has a record of 16 wins, a loss and one tle.

Their goalie Joan Gilmer-Osborne had the best goals-against average in the league (0.90 per game). The senior girls are looking forward to qualifying for the provincial championships, providing they finish first in their league. In their last four outings, the team has won

two games, lost one and tied the other. In Burlington Georgetown shut out their

In their next three games Georgetown experienced their first loss of the year. Due to an unfortunate injury to goalie Joan, the team had to invite Barbara Edwards from Milton to play. Although she played well, the senior girls were unable to beat the fast-skating, hard-hitting Oakville team. Denean Jones had the lone goal in the 4-1 loss.

However, the team provided spectators with good, solid hockey as they beat Oakville 5-2, then tied 5-5. Jones had five goals while Carolyn Grasby had two. Singles went to Allen, Taylor and Lauree Sears. Benham, Jodi Engleby, Dale Wolfe and
