

Students to get local summer jobs

There'll be 129 new summer jobs in Brampton, thanks to the Summer Employment Experience Development (SEED) program launched by the federal and provincial governments this spring.

Among them are positions with DRG Stationery Company, Young's Pharmacy Ltd., Shoppers Drug Mart, and Hutton Nurseries.

"I know how much these summer jobs mean to students and I wish all those in Brampton

Georgetown the best of luck this summer," said John McDermid. "I believe this program provides an ideal way for students to obtain the type of experience that will hold them in good stead in the years to come."

SEED, one component of the \$115 million Challenge '85: Ontario-Canada summer employment program, provides wage subsidies for students hired by the private, municipal or non-profit sector.

NORVAL - The public relations meeting of the Brampton West Women's Institute was held last Wednesday at Huttonville Public School.

President Dorothy Ostrander opened the meeting with the ode and collect, and welcomed 22 members and 33 guests.

Youth was the theme of the meeting, in recognition of the Year of the Youth.

Entertainment with solos, duets and drama by Stacey, Sarah and Merry Anne Hutton, Peel Music Festival winners,

delighted their listeners. Mae Dixon presented each of the talented youth with a gift of appreciation.

New member Tina Dykstra was introduced by Mae Dixon and was welcomed by everyone.

Dr. Kathleen Brown, Department of Family Studies, University of Guelph, was the guest speaker introduced by Isabel McClure.

Dr. Brown spoke of money matters of interest to young women and advised everyone in order to be in control of their money.

Initially, it is important to gain experience by understanding the function of money within the family structure.

The economic well-being of the household depends on the skill in managing financial resources. Become aware of the language used in financial matters, Dr. Brown advised. Get acceptable answers to questions.

There are economic myths in financial matters. Carefully consider your personal situation. Radio, television, the press and books can all be informative, Dr. Brown said.

The league meeting will be held June 15. Dunn will be the lone

voting delegate for the team, but he can take guests with him. One hundred dollars will be provided for expenses.

Tom Martin volunteered to be the director aiding the equipment manager. Thomson had suggested this as a liaison measure.

Dunn and Thomson will survey the league

teams to find out what is a satisfactory cost for season tickets. Recommendations will be made at the next meeting.

The team will begin ice training the first week of August. A site has yet to be decided, but it will be out of town as the Acton Arena won't have ice until the beginning of October. Players will be asked to pay a fee to help out with ice costs.

rates for sweater sponsorship will be \$300. If a full page ad were taken out in addition to the sponsorship, the cost would be \$500. A quarter page ad will be \$75, while the half page is \$140. A full page by itself will run for \$250 and the business card ads will be \$40.

The executive will meet more during the summer. A meeting will

be held every two weeks. The next one will be May 31, at the Acton Legion, starting at 7:30 p.m.

Now that activities can be started, Thomson and the executive stressed having all 20 directors out will be crucial. Thursday only 11 attended.

"In order to do what we want to, we will need all of their help," he said at the meeting.
