

Fund-raising history tour

On June 9, the volunteers at the North Halton Distress Centre are inviting all members of the community to join them for a historic walk through scenic Georgetown and picturesque Glen Williams.

All participants are asked to congregate at Knox Presbyterian Church, 116 Main St. S. Georgetown at 1:30 p.m. John MacDonald, local politician and historian, will lead the walk following a preview of some of the historic sites that have been captured on film.

Pledge sheets, in support of the Distress Centre are available at the Acton and Georgetown Library, Delrex Smoke Shop, schools and many business locations. In lieu of pledges, a financial donation will be gratefully received.

Buttons and T-shirts with the slogan "Distress Centres on the Move" are also available. Enquiries can be directed to the centre at 877-1211.

Tin car Lizzies rumble May 26

Discover the era of goggles and dusters, Packards and Model T's at the Ontario Agricultural Museum's 'Tin Lizzies and Rumble Seats' Sunday, May 26. Antique cars dating from 1898 to 1965 will be featured as part of the national judging meet of the Historical Automobile Society of Canada.

The day's events begin at 10:30 a.m. with the judging of over 15 different classes of antique vehicles. Early afternoon will feature the official opening of the Ford Garage and Imperial Oil 1928 Dealership. A line up of early model Ford vehicles will be on display.

Don't miss the action of the 'Model T - Assembly Team' as they reassemble a Model T in less than 5 minutes.

A special display of unique and unusual coins of the Brantford Numismatic Society will be featured in the Puslinch Township Hall. Throughout the Museum site discover over 30 buildings and displays and enjoy daily demonstrations of spinning, weaving, wheelwrighting, blacksmithing and farming activities.

Students helping farmers

Herald Staff
Many hands make light work, is an old axiom that still applies to a summer job program for students.

A government sponsored project called Agricrew is again available in Halton to farmers.

A crew of four young people with some rural experience are hired out to do extra jobs like picking stones, painting, helping to build a fence or haying.

They can be hired for a maximum of five days by any farmer or agricultural society for \$90 per day, starting June 25.

Another program co-sponsored by the Ontario Youth Secretariat and the Ontario Ministry of Agriculture and Food gives an urban student a chance to work in a rural setting.

The Junior Agriculturalist program allows for a student to live in the home of a farmer and work with his boss doing agricultural chores.

The Junior Agriculturalist receives a training allowance of \$20 per day, room and board and an abundance of farming experience.

Agricrew will begin working June 25 and conclude work August 23. For further information ask for the Agricrew co-ordinator at your local Ontario Ministry of Agriculture and Food office.

You'll do better at...
