Letting kids play involves a lot of work

Did you know that we have more recreation staff in our area than Brampton has in their area, per head of population? Furthermore, do you care? What difference does it make? Are there any more facilities today than there were, say, five years ago? In any sport or recreation?

At one time, you could book a facility upon name only. Later it became name and financial status. Still later it became name, financial status and fees - and balance sheet. How far is the situation going to develop? I see the introduction of different sports and recreations which have had no calling suddenly being organized by the recreation department then left to their own devices. There are new ones again this year. And, being offered as paid positions to the organizers.

If soccer, and other ball sports, which have been voluntarily organized for several years realized we could have left well alone, and allowed the recreation department staff to set it all up, and then employ us to carry on, and be paid for so doing, perhaps.

There are many out there in recreation land as users who do not realize the amount of work involved in keeping young Johnny or Jeannie at play in summer or winter months.

To obtain the use of a facility you go through the recreation dept. and may well have to wait for two weeks or more before beginning use - yet it may be taken away upon less notice to be given to another user. It seems that there is one rule for soccer at times and one rule for others.

DQ bantams

Steve Melville's Dairy Queen Bantam girls made heavy weather of putting the ball in the net against Brams United last week. The locals completely outplayed the visitors, who, admittedly, were short of having played much soccer at all, and ran out four goal winners in the end. I was impressed with the midfield prompting of Jody Elard, the strength in attack of Alison Irvine and Jackie Gerrits. Defensively the team was not in much trouble and Kelly Roe played solidly in goal until having to leave after 30 minutes. Sandy Rahn, Irvine, Kerry McCashew and another scored the goals. The girls impressed also with their team play and in passing movements, assisting each other on and off the ball.

Pee wee boys

A Pee wee boys game demonstrated the opposite of the girls later in the week. Unfit, devoid of skills, unable to kick the ball properly and no idea of correct throw ins, yet they seemed to enjoy themselves in the process. And that is what it is all about. No matter the skill or fitness level - enjoyment is the key. Had the boys been able to play the fundamentals, however, the enjoyment would have been greater.

Field offered

A local farmer has offered the use of a field to soccer. He is willing to level the field and put a proper surface, parking space, possibly a changing 'hut' and separate entrance. The youth group are looking into this proposal with interest. The field would be suitable for practice, an area long missing from the soccer program. Bryan Turner, George Baines, Dave Maloney, Steve Turner and I had a look at the field and it is very promising indeed.

I-C results

Inter County league results had few surprises last week. One surprise has to be Meteor Blue's runaway victory over Meteor White by 6-2. White were below strength due to injuries. Goalie Martin Warner suffered a broken arm, I believe, in a T and D game and this leave White with goalie problems for the present. Villa 'A' followed a first week tie with a creditable win in Guelph by 2-1, which was a well played contest and well officiated into the bargain. A Guelph player was sent off, the first ordering off of the young season.

League-games

Second division had Ajax tie for the second week, this time in Milton by 2-2. Villa 'B' lost at home to the new Milton club by 3-0. In town Mariners held off a spirited second half challenge from Varian to pull a 1-0 win. Steve Swinscoe netted the winner in the second half on a long through ball, eluding a defender and outwining goalie to shoot into goal despite the attentions of another Varian defender. This was a hard physical contest and a couple of players were fortunate not to have been disciplined by referee Harry Braam.

This evening White entertain Rangers 'A', Park Avenue host Villa 'B' at 6:45 and Ajax play Mariners at 6:45 at Christian or 6:45 at Cedarvale. Hope you choose the correct game!
See you later!

Penalty shot goal gives Falcons tie

The junior Falcons opened their 1985 season Sunday with a well-earned tie in Brampton.

Short four players due to injuries incurred in exhibition games, the Falcons were forced to shuffle their lineup for

the Brampton game, which was the opening game of the Peel Halton league.

Georgetown surprised the home team by scoring a goal in the opening minute of play when Brinley Hole made a

great run down the left wing. Although he lost the ball to the Brampton defence, teammate Colln Mottershead stole it back and wasted no time in finding the back of the net.

The goal kept the

locals on top of the play for about 15 minutes when their key defender Rick Middaugh was hurt and was forced to switch to left wing so Hole could fill in on the defensive spot. Georgetown took time in adjusting to this and allowed Brampton to score two sloppy goals before they regained their balance. When they got back in stride, Georgetown's Darryl Bartlett took on the entire Brampton defence before scoring a beautiful goal. The half ended tied 2-2.

Jason Smith leads Slayers to triumph

Jason Smith netted four goals as Golden Slayers defeated Dark Blues 7-0 in Georgetown Soccer Club boys Mosquito league soccer action.

Single tallies went to Grant Domski, Scott McGuigan and Jason Hoogenboom. Paul Dykstra, Chris Roberts and Derek Ellard played well for the winners while the whole Blues team played well also. Greg Last was the official.

In other league games, Lam Ly and Phil Grimes each had three goals as Crusaders beat Orange team 9-2. Shaun Curry and Chris Burns had the

other goals for the winners. Donnie Ray-Givern had the goals for the Orange squad. Chris Adams, Adam Poulstrup and Eric Pederson played well for Crusaders while Edward Piqueras, Jake Mashinter and Stephen Burns played well for the Orange squad. Steve Ruggle officiated.

Shane Cowbrough had three goals to lead Cobras over Flat Tyres 8-0. Gord Buchan had two goals for the winners while singles went to Hussy Sanatgar, Jim Slices and Brad Cuthbert. Mark Johnston,

Chris Dale and Sanatgar played well for the winners while Aaron Constant, Philip Berry and Chris Sutcliffe played well for the Tyres team.

Hob Walker had three goals while Graeme Buckrell had two as Powder Blues beat Beige Team 5-1.

Rob Elmslie had the lone goal for the Beige team. Randal Fhikkema, Peter Cambouris and Ian Sinclair played well for the winners while Jake Poulstrup, Paul Lalonde and Jeremy Bourgeois played well for the Beige team.

A foolish retreat in their end caused a sloppy backpass that resulted in Georgetown's scoring on its own goal to give the home team a 3-2 advantage. The locals found themselves struggling instead of coasting.

Mottershead, who was likely having his best game yet, picked up a midfield ball and sent his eager partner Bartlett on the run with a finely executed pass. Bartlett was brought down heavily by a Brampton player and a penalty kick was signalled. Steve Turner coolly converted the penalty to tie the game 3-3.

The official had to recognize the unfair attention Bartlett received and sent off a Brampton defender a few minutes after the locals tied the game. The loss only served to improve Brampton's play and the locals found themselves fighting to hang on to the tie.

The junior team plays its first home game Monday at Cedarvale when they host Burlington.
