Well ladies it must have been a good party - sure were a lot of hands and feet out there this week. Needless to say there was still some good football with game of the week honors going to JV Jets and Thruway Muffler.

Jets "took off" to a 16-0 first half lead with Sherri Diegel and Lorraine Brown scoring majors. Jackie and Sherri Diegel had two-point converts. It looked like a one-sided game, but Thruway came back in the second half, shaking off "the night before".

## GDHS staff champs

The Georgetown District High School Staff slow-pitch team won the third annual Halton High School Teachers Tournament which was held last Saturday at Hornby.

After going 3-1 in the round robin portion of the tournament, the Rebs qualified for the semi-finals where they met the defending champions from M.M. Robinson. It was a tight game for three innings but the Rebs came out blasting in the fourth and went on to win 12-2. Hitting stars were Grant Clatworthy, Bob McKay, Bill Bingham and Carl Colbran while outstanding defence was turned in by Moe Leeking and George Paradis.

The final featured the Rebs against Oakville-Trafalgar H.S. who had previously defeated GDHS in the round-robin. As the rain started to fall, the REBS were able to win the championship thanks to a key triple from Fred Kotani and Sac Fly by Bill Bingham. Rick Redshaw made a game saving catch in center field in the bottom of the seventh and the Reb defence was superior in turning three double plays. Other big hitters in the final were Dale Law, Ray Smith, Paul Wren, and Bob McKay.

After the tournament, individual trophies were presented by co-convenors Bob McKay and Fred Kotani.

Nancy Hamilton kept the momentum going with another Thruway TD as Fournier again scored the two-pointer, to tie the game. Thruway continued applying the pressure as Fournier intercepted a pass, but time ran out and the game ended in a 16-16 tie. Jets' Lyn Cartwright and Fournier were the game stars.

**DIET CENTRE 12 - ROYAL LEPAGE 4**  
In the early morning game Royal LePage kept the Diet Centre squad scoreless for three quarters while Joanne Searle put four LePage points on the board with a field goal and single. Diet Centre's enthusiasm from the dance floor resurfaced in the fourth as Pam Anderson and Lisa Allen scored majors. Although the score was 12-4 Diet Centre, Royal LePage dominated throughout. Michelle Miehms (DC) and Carrie Gibbs (RL) earned game star honors.

**KING SUBMARINE 9  
PEEL COUNTY BANDITS 4**

## Letter presented

The Acton Minor Hockey Association (AMHA) formally presented a letter of understanding at Thursday's meeting. The letter is in reference to the movement of Ontario Minor Hockey Association AMHA carded players to the Sabres.

Association president John Rogers, who is also the Sabres' treasurer, made the presentation. Club president Ed Thomson said he wanted the executive to look at the letter, and bring up any recommendations it had at the next meeting July 3rd. Rogers said the letter had been already approved by the AMHA.

The meeting will begin at 7:30 p.m. at the Acton Legion.

## Golf meeting

A meeting was held Monday night about the golf tournament some Sabres players want to hold. While no details were available, the tournament itself should be held the latter part of July or early August.

## Diamonds sought

Finding a diamond for the proposed ball tourney is proving to be difficult. Still no times exist in Limehouse, and another possibility in Eden Mills would cost \$40-game to use the diamond. The Sabres and the Recreation and Parks Department are still looking at diamonds in Acton.

## Rules enforced

GM Dunn said the OHA will be enforcing its rules this year more so than in others gone by. He cited the report that said the association spent \$47,000 in 1982-83 in dental bills. The following year the cost was \$67,000 while last season the OHA spent \$47,000 in dental bills.

## Schedule meetings

There will be a meeting tonight at the Acton Arena pertaining to the scheduling of ice time. Bruce Cargill and John Rogers will represent the Sabres. Also, that same night there will be a Jr. C league meeting to discuss the 85-86 schedule.

The proposition to be discussed will see two divisions being set up with four teams in each one. Teams within one division will play one another six times, and members of the other division three times. Therefore, the schedule would consist of 30 games.

All teams would make the playoffs.
