Legion ladies

By MID BRUNSKI

Mary Franks, our entertainment chairperson, once again gave us a grand and exciting evening at Lulus June 14. Thank you Mary, you excel in this field and we all appreciate your endeavors on our behalf.

There was a good turnout for our meeting June 20 as our new executive took their seats for the coming year.

Many thanks to the ladies who contributed financially to the Central Ontario tornado fund. Hazel Dumper, your sports chairperson, will be giving me data on our bowling team and it should appear in this column next week.

The Branch's annual appreciation night for the ladies was as usual a huge success and it was with pleasure that we were able through our president Flo Carswell to present a substantial cheque to Norm Ward, president to Branch 120.

Despite the fact it rained on our parade, we were satisfied with our turnout especially when we were able to view ourselves on T.V. later that afternoon.

Remember ladies, we still need help with our banquets, bazaars etc. so please offer your services to the chairpersons involved.

We express our condolences to Thelma Green, one of our shut-ins, whose only daughter Norma Barr passed away.

Hoping to see Maud Norrie up and around soon and best wishes to all our sick and shut-ins.

It was nice to see Ann Collins in town for her birthday. We wish her many more and a healthy and happy summer to all.

It's a lie about W.I. stereotype: workshop

By MARION HUNTER
Herald Special

ASHGROVE - Some went with little enthusiasm but all returned enthused and proud of their organization.

Six members of the Ashgrove Women's Institute: Mrs. Bruce McClure, Mrs. Gordon Wingfield, Mrs. Gerhart Treviranus, Mrs. John McNabb, Mrs. Harvey Nurse, and Mrs. John Hunter left June 16 for London, Ont. to attend the Federated Women's Institute of Canada Triennial Convention and returned home Friday.

They were preceded by Mrs. Robert Alexander who was a member of the planning committee that did such a splendid job of organizing this convention. Ten members of our W.I. joined the Halton bus that took members from Halton branches to London for the day June 18.

The convention was held on the campus of the University of Western Ontario. The ladies enjoyed their stay in the student residence and having three meals a day all prepared and no clean up after.

The workshops, programs and entertainment were well worth attending. The resolutions gave lie to the tale that the W.I. is for little old grey-haired ladies in their rocking chairs. There were grey-haired ladies there but they certainly were not the rocking variety.

It was a real joy to meet and talk with members from our 10 provinces. The Women's Institute has accomplished much in the past - there is much to do in the future. The theme "Women - Unlimited Potential" was there for all to see.
