The Georgetown Chamber of Commerce is delighted to participate in "Halton Hills Day" at the C.N.E.

This is an excellent showcase for both the talents of the citizens of Halton Hills and for Halton Hills to show why it is one of the nicest towns to live and work in.

Mayor Miller and the town council are to be congratulated for joining the Acton Chamber of Commerce, the Acton B.I.A., the Georgetown B.I.A. and the Georgetown Chamber of Commerce into an organizing committee which for the first time will see all of Halton Hills' Business Organizations united to promote Halton Hills.

I would like to thank Project Co-ordinator Margaret Vint and her hardworking committee for their efforts. I am sure we will all enjoy their efforts.

We invite the citizens of Halton Hills to "Come on Down!" and see what we are all about.

See you at the "Ex."
