Thunder clap

By WINIFRED SMITH
Herald Correspondent
BALLINAFAD - Sunday afternoon thunder rumbled in the distance and a storm was threatening in our area. It has happened so often this summer, it has looked like rain, then the sun would peek out from the clouds again. We did get the storm, however around nine o'clock lots of lightning, but it didn't seem to be the dangerous kind, no real loud claps of thunder. The Hydro went off for about half an hour. We awakened this morning to another beautiful day.

Stars and Stripes received by Legion

By MID BRUNSKI
Herald Special
Ladies it has been a very eventful weekend at the branch: our dinner on Friday night to welcome our American friends and comrades where our mayor, Russ Miller presented the Halton Hills flag to Post 40 commander Rich Holbrook who in turn presented us with an American flag, was most impressive. The evening followed with entertainment in the lounge. Saturday, Warriors Day Parade at the EX. We put on a splendid show. It was my first parade and I must say that the applause that swelled when we entered the Grand Stand surged through my heart with pride. There was as usual, entertainment in the lounge in the evening and I understand that it was excellent for all who attended. Sunday morning we were up early to serve breakfast at the branch and to pipe our friends on board their bus. Thank you George Greig. Many thanks go to many people who helped to make the visit a great success. Pauline and David McNelly, Norma and Art Roberts, Marjorie and Herb Arnold, Kathy and Jim Watson, Marjorie and Chuck Tully, all the cooks and especially to Mary and Jim Franks who are tireless in their contributions each and every year. Our colour party was represented by Marg Clarke, our sargent at arms and Jessie Johnson and Yvonne Graham who carried our flags. We hope that Ethel Anthony will soon be well and home from hospital. Also Marg Hale who is in Georgetown hospital. To Eleanor Cunningham and June Greig it is good to know you are home and hopefully on the way to good health. Remember our shut ins can and a special wish goes to Thelma Green that she will continue to improve.
