SENIORS

In the final week of play Blue Giants were defeated by a strong Diet Centre team which was headed by Cherie McElroy on the mound. Pitching for Blue Giants were Liane Monchamp and Martha Darling. Game stars were DC's McElroy and Maureen Brooker of Blue Giants.

Young's Pharmacy emerged victorious over Mal Dodge's Re-Max 15-11. Pitching were Trudy Shield of Young's and Cindy Kavanagh of Re-Max. Game stars were Donna Brown and Andrea Ford.

INTERMEDIATE

No complete games were in before the rain.

JUNIOR

Two and a half innings were played before the rain came in the Voldi-Standard game. Home runs were hit by Tara Groatjer of Voldi and Sheila Stills and Wanda Brown of Standard. Good catches were made by Kim Whitshire and a superb sacrifice came from Angle Akers, who was injured after an inning of play.

Selects end year

The Georgetown atom girls select soccer team monopolized the play in the beginning, notching a goal but Burlington came back with six goals for the 6-1 win.

Moiria McGuinness had the lone Georgetown goal.

Coaches Doug Burrows, Yvonne Burrows and Jim Donalds should be thanked for their contribution to the team this year. This is the second time they have worked with the squad.

Also, the parents should be thanked for all their travel in getting the girls to and from games.

A two-week hockey camp began two weeks ago for about 60 boys eager to get back into shape before hockey season begins.

This is the 11th summer the North Halton Sports Hockey camp is being offered, and this year there are even two girls taking part.

From 8:30 a.m. to 4 p.m. for five days, the youngsters are kept busy with more than just hockey. They get three hours of ice time daily, broken up into two one-and-a-half hour sessions so they don't get too tuckered out.

Dale Law, Chris Milne and Neil Cotton are the on-ice instructors and physical education teacher Al Petherick of Centennial Middle School is responsible for the three hours of off-ice activities.

This past week, Neil Cotton was busy with the puck machine, giving the boys goal-tending experience as he shot pucks at them. This was followed up by other goal tending drills.

The week began with basic puck control, then got into passing and shooting skills. Thursday, a big game was played with team uniforms, and parents were encouraged to attend. The mikes boomed out the boys' names during the play, making the game more exciting.

"We have a few kids in hockey, but primarily, that are just starting up, the kid that is here now is

Locals take part in Milton triathlon

Three members of the Georgetown Track Club competed this weekend at the Milton Triathlon.

John Grace finished 16th in the 30-40 age class in a time of two hours, 25 minutes. Don Mashinter, also competing in that category, finished 30th in a time of two hours and 33 minutes.

Tony Matthews was ninth overall in the 40-49 age class in two hours, 31 minutes.

Overall, Grace was 82nd, Matthews was 123rd and Mashinter was 128th. The winning time was two hours, two minutes.

Competitors swam one kilometer, cycled 40 kilometers and then ran 10 kilometers. The event was held at Kelso Conservation Authority.

the boy wanting to get into shape for the hockey season," camp director Chris Milne said. "Plus, it's a nice break for the little guy who hasn't been on holidays this summer."

The youngsters range in age from five to 14 years old. For them, the hockey camp is fun and entertaining as well as a learning experience.

"We make sure they have a good time. That's important," Mr. Milne said with a broad smile.

And, like the learning experiences in the classroom, the hockey campers get to take a progress report home to mom and dad at the end of the week.

One of the drills youngsters at the North Halton Sports Camp had to do was a sort of give-and-go. The youngsters would skate around barriers, give the puck to the instructor who would pass it back. The player would then skate around another set of barriers, then take a shot on goal. The two-week camp was held at the Alcott Arena. (Herald photo)

Darling's batting helps in powderpuff win

PURPLE POWER 14 SMURFETTES 12

Powered by Connie Darling's homer and 2 hits, Purple edged out the Royal attack. Marge Snow went 4-for-4, scoring 12. Michelle Milne also went 4-for-4 and scored 3 times. Julie Robins and Donna Peacock went 3-for-3 and scored once while Colleen Costello went 2-for-2 and scored once. Bev Barrett and Goldie Cash went 2-for-2 and scored 2. Smurfettes poured it on in the 7th but came up short. Doubles were hit by Jan Walker, Dini Adams, and Jennie David. David also smacked a homer over the fence, bringing in 3 runs. Darlene Bisschop and Bernice Griffiths hit well. Defensively David, who pitched her first game, delighted Papa Smurf and Griffiths handled shortstop superbly. Gail, oh Gail, where art thou?

TUMBLERS 16 DON'S FLOCK 0

This was by far Tumblers' best game of the year, which included errorless ball. Scoring 3

times was Joyce Hutchins. Crossing twice were Diana Tripp, Gail Sheppard, Pat Morey, Linda Paul, Laurie Henson and Donna Harden. Cindy Hoskins scored once and Christine Stoyles were 4-for-4. Linda Armstrong, Ruby Bidwell and Dorothy Neeley were steady in the field. Flock threatened in the 2nd, 4th and 6th innings with hits from Sharon Hale (2), Sandra McMeekin, Pepper Tassone, Linda Anderson and Sharron Spears but were unable to slip by a solid defence.

GREY LIGHTNING 7 DINGBATS 6

Lightning's Lesley Scarlett betted the game-winning double to squeak by the Green. Lori Hill tallied twice and Sandy Marshall, Sheryl Wakefield, Cathy Wilson and Lori Sargent scored solo runs. Sue Grant excelled in the field. This was a superb bout that changed leads 4 times before being settled by a run in the 7th. Standout pitching from "AA" Sharron Calor and Patti "Puff" Poo was supported by deft fielding by the entire team. Arlene Finley and birthday girl Suzette Corley each had perfect games at the plate. Donna Barlow (road-runner) drove in 4 of 6 runs with clutch hitting.

PINK LADIES 8 BLUE JAYS 3

Combined hitting by all the Ladies' unit resulted in another win. Laraine Tarzwell and Janice Raine hit 2 doubles each. Mary Kelly doubled once while Debbie Lindsay singled twice. Sylvie Washbourne, Debbie Titus, Linda Perkins, Pat Mashinter, Jane Withers, Bonnie Malenfant, Bev Compton and Lois Patrick all singled. Janet Ransom was tops in the hurling department. Great catches by Tarzwell at the mound, Raine at 2nd and Withers in RF were notable. Jays went head-to-head for 3 innings then were stopped in their tracks. Scoring were Penny Rand, Bonnie Henderson and Kelly Pemberton. Judy Anderson, Mary Johnston hit well while M.J. Bird (Jones) made a good play at 3rd and jammed her thumb in the process.

GOLDEN GLOVES 13 BLACK SHEEP 3

Gold continued to reign this season as they chalked up another win. A super homer came from Monica Mastalerz's bat along with a triple. Jean "Shorty" Wilson tripled and doubled. Donna Sproule doubled and singled twice. Pat Akers singled 3 times while Judy Gibson, Betty Kirby and Jane Mercer singled once. Sheep climbed aboard in the late innings, but unfortunately were a little too late. Sherry Love and Kim Nugent had 2 hits each while Deb Daquano, Elaine Moreland and Nugent scored the runs.

RED FOXES 25 BULLDOGS 10

Foxes were on fire in this game. Bulldogs couldn't get them out no matter how hard they tried. Stomping at home were Sally Humberstone (4), Molly Moore, Debbie Knoepfl, Anne Korzack, Henriette Thompson, Alice Edgar (all 3 each), Bette Ann Woods (BC) for 2 and last but not least was Penny Butterworth with 4 which included a dandy homer. Although they never reached their destination, Karen Bottomly, Dale Orton, and Gail Weatherall had good nights at the plate. Burgundy's old homer queen was at it again as she delivered a 2-run homer. Tallying also were Robin Richardson (3), Lesley Beaque (2), Mary Ann Bradley, Bev Bird, and Andie Milen. Dianne Quennville pitched steady while other hitters were Calee McCristall, Janice Murray, Robin Angel, Linda Ovenden and Quennville.

With a mighty swing of the bat, this ladies powderpuff baseball player had the ball go straight up. This action was held last week in league play at the diamonds across from Park School. (Herald photo by Harald Branch)

Soccer

By ALEX TOUGH
Herald Special

The Labour Day weekend sees many soccer tournaments take place. The Peel Halton Vanguard tournament takes place around Mississauga and has been in existence for 11 years, growing into a joust with more than 170 teams from Ontario, Michigan, New York and Mexico.

President Jim McCorquedale of Burlington, in welcoming all teams, officials, parents and spectators makes some telling points. "Please do not pressure your children, your players, your friends whilst they are playing sports. Let them enjoy the activity. Soccer can be, and is competitive and that does not give anyone the right to scream, shout, and embarrass yourself and the players when things do not go right for them, do not put your lost dreams into their shoes. Shout encouragement by all means. Let the players enjoy the tournament, let the parents enjoy the tournament, let everyone enjoy the tournament." To this I add that referees and linesmen and lady officials are also out to enjoy themselves and they are entitled to the same encouragement and are not there for your abuse.

One of the reasons for this constant harping on these matters is the constant necessity for so doing. In Ontario alone there are almost 2000 less officials than ever before. The negative and destructive amongst you may be glad. Thankfully you are in the minority. F.I.F.A. reports from all over show that the greatest problem in the game is the abuse of officials and there is certain to be an increase in the severity of judgements awarded against the offenders otherwise more officials will be lost to the game.

Constant negative and destructive abuse will not improve the quality of officiating, at any level.

Now that we are into playoff territory at youth and senior soccer these fore-going comments and the President's message take on more importance. At senior level we are already experiencing barracking of officials by an Inter County senior team. Varian to be precise. They may find themselves being censured for bringing the game into disrepute. They may find themselves without officials for games for the officials in question have intimated that this could happen. To be fair to Varian this behavior has only occurred in the past couple of weeks and I show it as an example of what happens when playoffs come around. It is most unusual for this club to be so involved as they have been among the better behaved clubs in the league since becoming members several years ago.

Locally we are down to 5 referees in the senior category, John DeVries, Luc Bertrand, Haddy Smedema, Bryan Turner and myself. As Bryan and I are involved with the Mariners this leaves 3, of whom two are 50 years of age - or thereabouts. Bryan and I are also in the 50's category. Harry Braam, Bill Innes and Nunzio Varricchio have done the odd game in the middle. However this places an incredible burden on the 3 lads left, often having to do more than one game in the evening.

Even looking at youth level referees, we are short of officials and those that do manage out are at least there and doing a fine job in general. Our refs are as good as there are good and skillful players.

Collectively they have been in the game a long time as players and officials and have put a lot into the game, more so than most.

I began with the Vanguard and I return to the Vanguard. Although we were not represented at team level, John DeVries, Bryan Turner and I were invited down as officials and we had a couple of days on the field at mosquito and pee-wee age groups. It shows that we cannot be that bad.

I shall be away for the next two weeks and Dave Maloney has consented to take over the column for the time being. Dave will have a few comments to make in his own inimitable style and I am looking forward to reading them upon my return. Mind you I do not know how he will find the time.

Finally, congratulations to George Baines upon obtaining the CSA 'C' licence in coaching. This is a tremendous achievement for a Georgetown lad and I, for one, am proud of George reaching this level.

It's Hiba vs Celtic and Hearts vs Dundee United and the golf course for me - highlighted by meeting the grandchildren this Friday. See you later.
