

BACK AT IT IN SCHOOL

For many students in Halton Hills, it was back to school last week. That means athletes are busy trying out for the many school teams. Above senior Brent Hutt makes a dive to keep the ball

alive during the senior boys' volleyball tryouts at Georgetown District High School. Below, a football hopeful goes through the drills. (Herald photos by Dan Ralph)

DQ, Smoke Shop take home GFFL victories

By DON SCALLEN
Herald Correspondent
In G.F.F.L. play this week the Smoke Shop laid a large goose egg, losing 21-0 to Dairy Queen and M and M Pro Sports defeated O'Tooles 19-16. (No, that wasn't a misprint). In other games the resurgent Longhorns flattened Norval 41-17, Corrikan Instrument blitzed IAS 47-15 and Peel County dispatched North Halton Sports 29-22.

DAIRY QUEEN VS. SMOKE SHOP
Dairy Queen gained a share of first in the west with this win over the stumbling Smoke Shop. The Smokers, who have suffered this season from the absence of team enforcer Tim (Mr. T) Tolten, were like putty in DQ's hands. They were shut out by

the aggressive, inspired play of a Queen defence led by Ken Lockwood and Herb Hulme who intercepted Smokers passes. The D.Q. offence while not operating at peak efficiency did manage to get the job done. Mitch Leblanc and Randy Lunn scored TD's but the most notable score was a thundering 60 yard field goal off the foot of (who else) Jeff Lockwood. Lockwood also booted another field goal.

IF THE QUEENS AND O'TOOLES both win next week, D.Q. will be awarded first place in the west by virtue of their better record against O'Tooles.
MAND M PRO SPORTS VS O'TOOLES
In a game that will be featured on an upcoming episode of Ripley's

Believe it or not M and M with the league's worst record rose up to defeat the team with the best record - O'Tooles. With some of their best players absent and QB Rick Baldwin on the disabled list O'Tooles' fabled offence was in tatters. Only Moe Rivers and Mark Dehueck scored TD's with Steve Peace and Dean Scallen recording two pointers. Scallen also stumbled inadvertently into an interception.

Mike Henderson scored a pair of majors for the Pro Sports and Randy St. Andrews added another. Then in their typical cliffhanger style they hung on as O'Tooles bested their goal line on three separate occasions late in the game. St. Andrews, who proves weekly that an

Oscar Madison lifestyle does not impair football performance, saved M and M's with a late interception.

LONGHORNS VS NORVAL

With Mike McCandless resuming the QB duties for the Longhorns, they have regained their knockout scoring punch. It also helps of course to have a supporting cast consisting of players like Paul Allison. Allison merely scored four touchdowns to power the herd to victory. Paul McCracken and Wayne Densmore tallied two more and Jim Lindsay was good on five converts.

Norval who again find themselves in a familiar place - last albeit tied with M and M - could only score three points to the 'horns 28 in the first

half, on a field goal by Randy Doucette. They did manage to keep pace with the herd in the second half however, with majors by Chris Reed and Rick Kiersted. Reed also scored a two point convert.

I.A.S. VS CORRIGAN INSTRUMENT

Corrikan, peaking at the right time, wheeled out the heavy artillery for the third consecutive game and destroyed the grossly undermanned IAS squad with a seven touchdown barrage. Hugo Dittfach continued his superlative play with a pair of TD's. Kevin Harrison had two more. Brent Ferguson, Joe Domingoes and Brian King in a rare but effective offensive appearance also cashed in majors.

Baseball season comes to end

Georgetown junior Eagles 1985 baseball season has officially come to an end.

The Central Ontario Baseball Association team was to have played a best-of-three association playoff with Brampton, but it has been cancelled. The reason being that many other

teams are having the same problem the Georgetown team has: with the beginning of university players just can't make it out to play baseball.

Eagles' manager Dan Guistini said in a conversation with the league convenor it was decided that the year be concluded as a result.

Sabres playing hockey waiting game for players

By DAN RALPH
Herald Sports Editor

Right now Acton Sabres are playing a waiting game.

Many of those players who could play for the junior "C" club can't even practise with the team due to already being at Junior "B" camps. Many of the "B" teams haven't done much cutting, so those potential players are still not coming to the Acton practices.

Subsequently the numbers have been low at some of the Sabres' practices. For example about 25 players were out at the first session, but only nine showed up at the second.

Wednesday night 30 players attended, but 15 came back for Friday's practice.

What upsets Sabres coach Steve Marshall is that many of the midget players he coached last year are not coming out to the Acton practices. Marshall said even if it is just for getting ice time, the midgets could be practising with the Sabres.

When an official decision was being made on the future of junior hockey in Acton, town interest was keen. At the meeting where a decision was made, the room at the Acton Legion was filled to capacity.

"With the support that was in that room, I thought this would take off. When we started I thought the guys trying to sell sponsors for the sweaters had a hard job and we had the easy job (getting the players).

"As it turns out, we've sold 18 sweaters. Now all we need to get are 18 hockey players," Marshall said.

What hurt the Sabres badly was the Canadian Amateur Hockey Association's decision to allow players to play where they played last year. That means a lot of the midget players who would have no place to play this year can now stay at midget. Another reason for players to stay midget is the chance to play a team from Norway

during an exchange visit on the Christmas holidays.

Waiting for the players to come means Marshall will have to settle for a later start than he had hoped. However, he is not terribly concerned with that.

"In talking with the other team general managers, the other teams don't get on the ice until the week before the season. It hasn't been a total loss."

Marshall won't be making cuts until the numbers begin to show consistent improvement. However, there has been one surprise.

"Dan Curtis was someone we didn't expect out. But he has come out and done well. He wants to play."

Goal is another spot where the numbers are very low. To date only Acton midget Mike Ormsby has come out to all the practices. The Sabres are high on Joe Moneyenny, but he is doing quite well at the Georgetown Geminis Junior "B" camp.

The Sabres will have some junior experience as Paul Cargill, Clint Watts and Mike Yalocewica have all agreed to play for the team after playing in the Mid-Ontario league last year.

But Yalocewica is trying out for Brock University right now. He has told Marshall if he is cut, he will play for the Sabres. Another team hopeful Ken Kavanagh is in the same position as he is also trying out for the Brock varsity team.

NOTES—Some of those Sabres hopefuls at the Geminis camp include midget Steve Wagner, Brad Demone, Jason Rogers.....The Sabres' first game of the year was scheduled for October 4, but it has been changed to October 9.....Sabres' hopeful Colin Lewis has just come back from Ireland where he spent some time playing soccer there.....A goalie from Milton was supposed to show Friday, but never did.....The next Sabres' practice is Friday night at the Alcott Arena.

Expos capture pee wee title

The Co-Operators Insurance Expos and the Topline Equipment Royals met in the Pee wee house league championship Sunday with the Expos coming out on top 14-9. The Expos earned a final berth with a 20-1 record during the regular season and a 5-0 playoff record.

The Expos got off to an early five-run lead in the first inning when seven walked combined with Larry Brunton's RBI single. The Royals responded in their half of the inning with four runs on singles by Jason and Randy Bartlett and a two-run triple by Hussy Sanatgar.

Expos scored five more runs in the second frame as six walks and singles by Greg Dobbin, Mike Mowat and Jason Seeds did the damage. Ryan Pells took to the mound in the inning and shut down the Royals with some good pitching.

Great defensive plays by Jason Smith and John Manning helped Pells' effort.

In the third frame Expos could only manage a Manning single. With Pells back on the mound, the pitcher helped his own cause with two fine defensive plays for outs combined with a fly ball held the Royals scoreless.

Expos scored one run in the fourth on singles by Dobbin and Smith. In the home half of the inning, Royals scored four runs to come within two of the Expos. But in the top of the fifth Expos came alive when Jim English unloaded a long triple that scored Manning who got on first with a single.

Andrew Clark laid down a good sacrifice bunt that scored what proved to be the winning run. Jeff Delurey and Steve Brown both doubled to close out the inning. The game ended with a determined Mike Mowat on the mound, shutting down the Royals to ensure the win. Andy Pearce, the Expos' top hitter, obviously worried the Royals as he was issued two bases loaded walks and intentional walks while collecting a run batted in the only time he was allowed to hit.

Cubs take T-ball final

Teams in the Georgetown Baseball Association's T-Ball division have finished their playoffs as Choice Air Cubs defeated Caselman Fuels Angels 2-3 in the championship game.

Canadian Legion Tigers defeated Halton Credit Mets 33-31 in the consolation final. Both games were close with exciting plays.

The coaches deserve a lot of credit for the obvious improvements in the players since they started in May. The umpires too, especially in the latter stages of the year during the important games, earned a note of credit.

Fournier's scoring heroics not enough for Thruway

By J.J. TOMTYRE
Herald Correspondent

Leanne Fournier scored three touchdowns - one on a 70-yard run - but it wasn't enough as King Submarine edged Thruway Muffler 22-20 in ladies flag football league play.

King opened the scoring with a major from Kathy Waters. Thruway came back with a pair of Fournier majors as Julie Fournier had the two-pointer. King came back to take the lead with majors from Donna Waters and Kathy Waters. Bev Vickery had both two-point converts. Fournier had the final Thruway major on the last play of the game. Game stars: Leanne Fournier (TM) and Kathy Waters (KS).

Big first inning powers Tumblers

TURQUOISE TUMBLERS 13
RED FOXES 7

Six big runs in the 1st inning put Tumblers on a roll to beat a great fun team. Cindy Hoekins and Pat Morely led with a double and 2 singles. Gail Sheppard had a double and single while Laurie Henson (1 double) and Joyce "Shiner" Hutchins, Linda Paul, Donna Harden, Linda Armstrong, Christine Stoyles (all with a single) contributed. Coaches Crichton and Hancock feel they're ready for the playoffs. Foxes had a hot 4th inning with 6 runs. Speedy Anne Korzack had a two-run homer but it ended there. Other scorers were Cathy Milne, Debbie Knoepfl, Penny Butterworth, Gail Weatherall with singles while Molly Moore had 2.

DINGBATS 12
PURPLE POWER 9

This was a close game with Dingbats holding on for the win. Sound pitching by Pat McElroy and Jean Puckering and timely hitting from Sue Fisher were key ingredients. Jackie Diegel, Sue MacDonald and Shaaron Cater also provided offensive punch. Powers' "Big 10" had the Green hopping, but fell short by 3 runs. Cathy Johnson connected for a good hit and scored. Goldie Cash was right on with 3 hits and a good slide in to 2nd. Pat Green was consistent on the mound. Julie Robbins exhibited good reflexes by snagging various hits at 1st. Bev Barrett had a good night in the field.

GOLDEN GLOVES 4
BLUE JAYS 3

In the 1st inning Priscilla Reyce and Brenda Hamilton scored followed by Holly Hulme and Donna Sproule in the 2nd. Not reaching home were Pat Akers (2 singles), and Nikki Carney (double). Jays' Kelly Pemberton and Kim Marcell scored in the 3rd inning with June Ford grabbing the final run in the 5th. Mary Jones, Cathy Vanden Hoek, Marilyn Jones, and Bonnie Henderson all got good wood on their hits.

GREY LIGHTNING 12
SMURFETTES 6

Six runs in the 2nd and 7 in the 4th were sufficient for the Grey. Scoring 2 runs each were Lesley Scarlett, Sandy Marshall, Candy Armstrong, Vicky Johnston and Lori Sargent.

DIET CENTRE 20
PEEL COUNTY BANDITS 6

Pam Anderson set the pace for Diet Centre by running back the opening kickoff for a touchdown. Anderson scored again with Kim Chidwick grabbing the convert. Before the half ended Peel County's offensive drive ended with a June Furness TD.

The second half saw one more Diet Centre score as Joanne Bingham did the honors. Diet Centre's defence shone brightly with three second half interceptions by Denean Jones, Mickey Richmond and Michelle Miench. Game stars: June Furness (PCB) and Cheryl Thompson (DC).

SPORTS SCOREBOARD

BOWLING

BOWLING IS ROLLING

The 1985-86 bowling season has started at the Georgetown Bowling Centre, 12 Mountainview Rd. South. With Adult Leagues having their first organizational bowling days, some still have a few openings to fill out their teams, beginners or accomplished bowlers. The Tuesday Afternoon Ladies' league scores ranged from 65 to Trudy Roy's 206. The Wednesday Afternoon Ladies' League began at 65 and the top was only 277 rolled by Judy Albert. The Tuesday Nites however had two scores of 300. Gord's 321 and Dan's 321. The Wednesday Mixed League scores were between 114 and 287. Not to be outdone the Thursday Dornier League produced a 301 high with the bottom being 86. The Friday Golden Agers started slow this season with scores ranging between a low of 73 and a high of 244. The Fri-Nite Social league had a battle between Mike Myers and Aurelio Garcia both ending with a 273 high while the starters bottomed out at 99. The Sunday evening

FRENCH LEAGUE

French League although we men were still playing end-of-season baseball, yet enough people showed up for four categories of last season's league. With the Men's league and the other mixed leagues starting the following week, there is still opportunity for all class of bowlers to join the fun and the fitness participation. With all the second place qualifiers in the different categories of last season determined to be first and capture gold medals on the championship trail this year, some youth bowlers are already showing late season form at the early instructional sessions for former and the new bowlers. The supervising and instructional staff of Master Bowlers in attendance in the pee-wee, bantam, junior and senior divisions was greatly aided by the parents keeping score etc. More are needed to provide the most for the "budding stars" to develop as fast as possible.

OTHERS A CHANCE TO GET AN ADVANCE ON PERSONAL INSTRUCTION

The Canadian silver medalists, the senior girls' team were all in force on Sunday afternoon. The graduate, Jane Hicks could not stay away and came to add her advice and encouragement to make it a gold in 86 in Winnipeg. Teresa Maslach stated she is starting to prepare now and is determined to be tops in all the coming tournaments. To prove that desire to her teammates she rolled 3 games of 220-210-265 for 693. Here's hoping it becomes infectious. With only 4 returning, there is one opening available, but none of the positions are secure as top bowlers have returned who missed bowling last year. Coach Wendy Chaplin is smiling with thoughts of the future. Julie McCorry is after the singles championship more determined than ever before, especially after hearing that a senior YBC graduate, 19 years old from Cornwall defeated all lady bowlers for the Canadian championship this summer in Newfoundland. After raising her season's average last year to 245, she insists that it will definitely be over 250 this season and went out to prove it with scores of 225-237-278 for a 770 triple, a 256 average. Chris Burke is continuing the development of the boys and with the style of Brinley Hole starting to show after the operation on his leg, he claims they will not be runners-up anymore.
