Underdog claims playoff win

By DON SCALLEN
Herald Correspondent

The GFFL front-runners were given a lesson in humility Sunday as each of their playoff adversaries gave strong performances. However in only one game did the underdog come up the winner - the Delrex Smoke Shop 24-13 over North Halton Sports. In other games O'Tooles defeated Longhorns 30-21, Corrigan Instruments edged M and M Pro Sports 34-27 and Dairy Queen beat Peel County Bandits 27-14.

knocking on the door several times, would only score a single major from Bill Taylor before the fourth frame. The herd was able to somewhat rally in the final quarter as Taylor scored his second TD with Paul Allison adding another.

Longhorns have to be confident of their chances next year if a healthy Mike McCandless can play throughout.

CORRIGAN INSTRUMENTS VSM AND M PRO SPORTS

In one of the most exciting games, M and M Pro Sports served up an unexpected gutsy performance before bowing out. With both QBs operating near peak efficiency and both defenses out to lunch, scores came often.

Corrigan QB Paul Larose scored his team's

first major, running into the M and M end zone. He later hit Joe Domingos for two majors and Brent Ferguson and Kevin Harrison for two more. The Corrigan win can likely be attributed to a pair of interceptions by John Larose and Mike Pollard.

M and M did answer the Corrigan onslaught with an almost equal attack. Joseph Wyger

had two TDs as did Mike Lord. Doug Colter had a two-pointer.

DAIRY QUEEN VS PEEL COUNTY BANDITS

Bandits played valiantly in the first half, matching DQ point for point on majors by Keith Peacock and Terry Hunt. Bandits' offence was non-existent in the second half as Dairy Queen outscored them

13-0.

Dairy Queen, while not overwhelming, did what they had to for the win, scoring at a TD per quarter pace. The Lunn clan (Ron, Randy and Stu) provided most of the DQ offence, all scoring single touchdowns. Brian Davis tallied the other. Ken Lockwood and Dale Miezaneec helped shut down the Bandits offence with interceptions.

Licorice Sticks emerged the champs in the pee wee division. Team members are front row: Elizabeth Crawford, Sarah Arneson, Danielle Cary, Adrianna Hagge, Katie Blyth, Mary Lynn Hogan, Sarah Carney, Jenna Hagge and Heather Rolph. Back row: Stu Cary (manager), Dianne Stone (coach), Kimberly Stevenson, Leanne Murray (coach) and Mary Walker.

King Sub hangs on for win after big first half lead

By J.J. TOMTYRE
Herald Correspondent

King Submarine squashed Work That Body's playoff hopes this week in Ladies flag football league play 23-16.

King walked away with a 23-0 halftime lead as QB Patil Waters had a single major and Bev Vickery had a pair. Karen Brush and Nancy LeVoly each picked up a convert.

Work That Body came back fighting in the second half, picking up two quick scores by Barb Davies and Natalie Pacheco. Donna Brown and Sue Kruk had two-point converts. Despite Work That Body's effort, King held the lead and added a single point on Waters' 30-yard single. Debbie Duff (WTB) and Vickery (KS) were the game stars.

DIET CENTRE 15 PEEL COUNTY BANDITS 1

Bandits controlled the ball in the first quarter but only managed a point after punting the ball into the DC end zone. Denean Jones had the first DC major with Barb McIntyre grabbing the convert. Pam Anderson ran the ball across for the second major as Jennie Thompson kicked the convert. Before the game ended Chris Fudge had a DC interception. Diane Pepper was the DC game star.

J.V. JETS 21 ROYAL LePAGE 0

Lorraine Brown opened the scoring with a major as Linda Ferguson had the convert. Jets maintained control with good defence with the offence coming through with two more scores. Kate Reid and Sherri Diegel had the touchdowns while Brown had a two-pointer. Way to grab those flags "ankle biter". Way to grab those balls Hympy Burke. Brown was the Jets' game star.

THRUWAY MUFFLER 18 NORTH HALTON SPORTS 6

Thruway took control in the first half with a pair of Leanne Fournier majors. Janet Poirier had two interceptions for Thruway also. Cathy Milne put North Halton on the scoreboard with a score in the third.

SMOKE SHOP VS NORTH HALTON SPORTS

For the first time in four years Smokers survived the opening round of the playoffs - maybe because for the first time in those years they weren't favorites.

Smokers combined a three-touchdown effort with good defence for the win. Bruce Cartwright, Terry Diardichuk and Doug Thompson scored majors. Paul Thompson and Werner Mikollet padded the score with two-pointers. The solid Smoker defence, second best in the league, intercepted three North Halton passes. Doug Thompson had two, Charlie Knoeffl the other.

North Halton kept pace in the first half with majors by Ray Peacock and Greg Lawr. They couldn't penetrate the Smoker defence in the second half and their good year came to an end.

O'TOOLES VS LONGHORNS

Amazing how the threat of sudden death elimination can concentrate the minds of a team. Last week O'Tooles were hammered by Longhorns. This week (except the final period) they played like the O'Tooles we all know and love.

O'Tooles built a 30-7 lead by the third period on two TDs from Steve Peace and singles from Mike Mieh and James Allan. Mark Dehuek had two two-pointers and Wayne Stautis had one. Longhorns, despite

Thruway continued the pressure with Janice Murray adding another major. Poirier was the game star for Thruway.

Next week will see Work That Body and Royal LePage meeting at 9 a.m., followed by the J.V. Jets tangling with King Submarine at 10 a.m. Diet Centre and Thruway Muffler will play at 11 a.m. while Peel County Bandits and North Halton Sports square off at noon. The second and third games of the day are championship semi finals while the first and last games are consolation semi finals.

"FAITH WITHOUT WORKS IS DEAD"

"Bowling without working at it is useless!" Believe you can win - Know you can win - but to win do something each session towards achieving it. Believe that you can win without working towards it is a dead issue. Start action now do something today. From action come the "troops of success". We've been to B.C. now let's go to Winnipeg! Now's the time to start improving the little things. Don't be shy! Ask for help and work at it! The Georgetown bowlers drive for more National medals this year over last has begun with the above Sunday sermon. The supervising and coaching staff are specially geared in their efforts and since more than two-thirds of them having taken part in National Championship competition and produced medals, expectations are on a high note. They will produce "strivers and believers".
