

BORN TO BE WILD.

"Get your motor runnin'... head out on the highway.
Lookin' for adventure... and whatever comes your way."
In the spirit of these lyrics we present the '86 Nissan
4x4's. Trucks that say you were born to be wild.
Their look is tough and aggressive with a re-designed
smoothside strong box.
The power you command under foot is provided by a

gutsy 2.4 Litre OHC engine.
Nissan 4x4's prove their toughness where the road
ends and the rough stuff begins. King Cab, Hustler,
Long Box or Regular Box. They'll devour most any
terrain that crosses your path.
Whether you buy or lease, take a tough look at Nissan's
heavy-metal for '86.

And ask about Nissan's Added Security Plan for 36 or
48 month coverage.
Nissan 4x4's. Born to be wild. And to stay that way.

Some of the equipment shown or mentioned is optional at extra cost
