### Furrow Queens

By KAY WILSON

NORVAL - The International Plowing Match and Farm Machine Show was held at St. Thomas in Elgin County from Sept. 17-21. Coinciding with this was the 25th anniversary of the Queen of the Furrow. Queens from across Canada numbering 22 were in attendance.

As well as the past Queens from 1960-1984 who were honored, 31 present Queens were also guests, with Halton's own Debbie Deenick of Norval. Debbie was one of five finalists the following night at the banquet attended by 1,500 people.

Special guests for the I.P.M. were Lord and Lady Elgin of Scotland. Elgin County was called after his grandfather.

Each of the past Queens spoke briefly relating their present life style, as did Kay Wilson, who has been promoting the Queen's competition since its inception. Mrs. Wilson received two presentations, a lapel pin from the Queens presented by Lynda Prong and an inscribed silver tray.

Provincial Minister of Agriculture Jack Riddell and federal Minister of Agriculture John Wise were both at the head table. Also attending were Linda (Shouldice) Waugh of Elora whose husband Rev. Mark Waugh was assistant minister at Norval United six years ago.

Halton's two Ontario Queens, Verna (Thompson) Hilderman, now of Comrose, Alberta, who won in 1965, and Lynn (Stewart) Moore of RRI Terra Cotta, who won in 1977, were also in attendance.

# WIN VACATION HOME IN FLORIDA

Every \$200 you deposit to a Canada Trust savings or chequing account or investment certificate from Sept. 30 to Nov. 9, 1985 gives you an opportunity to win a completely furnished and landscaped vacation home valued at approximately \$100,000.\*

### About the prize home

The prize home is located in The Moorings of Manatee, a new community of quality vacation homes being developed by the Canadian owners of the well-known Maple Leaf Estates. Located south of Tampa on the Little Manatee River, The Moorings has direct access to the Gulf of Mexico. Private club house, golf course, tennis courts, swimming pools, boat dock and lawn-bowling are all part of the development.

The prize home is professionally decorated, furnished and landscaped and features two bedrooms and baths, living room, dining room, kitchen, screened porch, carport, central heating and air conditioning, all major appliances, colour TV, wall-to-wall broadloom, and drapes.

The Moorings is ideal in that you own your home and lease the land which is maintained year-round by the developer. The lease cost for the first year is included in the prize.

### Earn 33% more on savings accounts

The Canada Trust SuperRate daily interest savings account likely pays much more interest than your present savings account. Each day that you maintain a balance over \$3,000, SuperRate pays a rate of interest on your total balance that approximates our 30-day term deposit rate. If your balance is less than \$3,000 you still earn our regular daily interest savings rate.

Often people think they're earning the highest savings rate available, when in fact, they're not. Compare our SuperRate to your present rate.

For example, at the time of writing, most regular savings accounts were paying 5 3/4% interest, and daily interest accounts 5 1/4%. The Canada Trust SuperRate account was paying 7% on the total balance when a balance over \$3,000 was maintained. That's up to 33% more interest! If you wish, you can write cheques on your SuperRate account. There's no charge for cheque processing when you maintain a minimum monthly balance of \$1,000 or more.

### U.S. SuperRate Account

Canada Trust also offers a U.S. dollar SuperRate account - an ideal place to keep U.S. funds. A great companion for your U.S. SuperRate account is a U.S. dollar MasterCard (Gold or regular).

### \$25 bonus for account transfers

During our "Win a Vacation Home in Florida" contest, you'll receive \$25 cash when you have us transfer your savings or chequing account with a balance in excess of \$3,000 from another financial institution. Limit one bonus per household.

### People hours, not bankers' hours

Most Canada Trust branches offer full personal service Saturdays and 8 a.m. to 8 p.m. Monday to Friday. As well, all 213 branches are computer-linked, so you can make deposits and withdrawals at any branch as easily as your home branch.

\*Canadian dollar value at time of writing. Selected contestant must correctly answer a time-limited, skill-testing question to be declared the winner. Each contestant shall be entitled to no more than two hundred entries. One entry can be obtained without deposit. Contest and complete details are available at Ontario branches only.
