

Senior girls win hoop opener

Talk pays off for Redmen

ACTON—A little halftime strategy paid off in big ways for Acton Redmen in their East Halton senior girls basketball opener.

Acton held a slim 18-15 lead at the half in their game with Georgetown District High School. However, Redmen coach Lyn McLaren set up a system to neutralize the outside shooting of Rebel Chris Harris which contributed to the visitors staying within striking distance.

Acton managed the win with just six players. The home team started the game with eight players, but lost one at the half due to work commitments. Another player very little as she had the flu.

Andrews substituted in situations where the player coming out could get as much rest as possible. For example with only a minute or so left to play in the third quarter Acton substituted so the player coming off had the third period to rest in addition to the time needed to start play in the final frame.

Sue Craig paces Acton juniors to win over Georgetown Rebels

ACTON—Georgetown District High School junior girls basketball team shut down four of the five Acton Redmen starters, but it was the fifth one that proved to be a thorn in their side.

The Rebels were able to play good defence throughout and were assisted with a lack of Acton offence outside of Craig.

Leeking also said he felt Craig played a good game.

Acton will play a pair of games this week. Tuesday the Redmen were at home to T.A. Blakelock, and Thursday they are on the road against Milton.

Acton's Sue Craig netted 25 points as the Redmen scored a 32-27 win in the East Halton League Northern Division opener for both squads. The game was played at the Acton gym.

Tara Burroughs and Jenny Melville both had six points for Georgetown.

"She is an amazing player," he said.

McLaren said he almost felt as if his club wasn't quite ready for Thursday's game. He said the team had been experimenting with different things in practice, and weren't in the right frame of mind to play.

Craig had six field goals and added 13 of 19 free throws.

"Where we got hurt was Sue was feeding the ball off well and the other players should have scored but they missed," McLaren said.

"You can't blame the girls," he said. "That's as much a coaching mistake. I thought we just might drop it (game) because we weren't ready."

Acton defeated Brock 31-22 in their first game as Boo Tufford had 12 points and Judy Thompson chipped in with six.

"We were outplayed," said Acton coach Lyn McLaren. "Sue Craig kept us in the game."

Leeking said he was happy with how his club performed. "I think our offence was a little off, but it will take a little time to teach. I know it would be a tight ball game and for us to play that well against that good a team I'm pleased," Leeking said.

The Redmen will be at home Tuesday to play T.A. Blakelock, then travel to Milton Thursday.

Tufford had 14 points while Janice Jickling had nine.

Craig scored all of the defending Halton champs' eight points in the first quarter and had 13 of 14 Redmen points at the half. She added six more in the third and fourth quarters. It wasn't until the 6:41 mark of the final period that an Acton player other than Craig

scored a field goal.

The seniors defeated their visitors 15-8 in the first game before dropping a 15-12 decision to force the third and deciding game. However, the contest wasn't much of a game as the Rebels won 15-1.

On offence the Rebels feature backs Racinski and Kirk Serjeantson and pivot Rob Gramada. As well, Redshaw again said his offensive line is another strong point of the offence.

"We've got four or five guys who could go both ways," he said. "They have no problems getting their noses in there."
