Three injured

Three Georgetown residents, Mark Savary, 22, Christine Gilroy, 19, and David Wellmen, 32, were treated for minor injuries and released from Georgetown and District Memorial Hospital after a car accident on Trafalgar Road at the Tenth Sideroad Wednesday at 7:45 a.m. A pick-up south bound on Trafalgar Road was hit by a car driving through a stop sign, police said. The driver of a 1975 Chevrolet was charged with disobeying a stop sign. Police estimate damage to the pick-up was \$8,000 and \$2,000 to the Chevrolet.

Lassies on farm

BALLINAFAD - The Ontario Shorthorn "Lassies" Association's 25th anniversary was held Oct. 19 at Scotsdale Farm. The Bennett House was beautifully decorated with bouquets of flowers by Andrea Demonte, a local resident.

Close to 100 people were present. The United Church Women catered for the occasion. The first president Mrs. Richard from Woodville had the honor of pouring tea.

Mrs. Joyce Clarke is the present president. The Lassies are a group of girls dressed in kilts who many have seen giving out the ribbons at the Shorthorn Fairs.

Norval bazaar

NORVAL - There will be a bazaar at Norval United Church, Nov. 9 from 1-4 p.m. The bazaar will include a bake table, white elephant, crafts and Christmas decorations, a plant table and tea room.

Caledon art

If you're looking for a pleasant drive and a chance to see some art, mark Nov. 2 and 3 on your calendar.

Some of Ontario's finest professional artists will be selling their paintings, leatherwork, pottery, weaving and other arts and crafts in Caledon East. The show starts 9:30 a.m. on the Saturday and 11 a.m. Sunday. For more information call 584-2782.

Lifestyle choices

The Georgetown health unit of the region is offering an educational program on self responsibility for wellness entitled "Lifestyle Choices". Participants will assess the impact of stress, nutrition, physical activity and the environment on their health and make constructive decisions for the future. This six week course will begin Thursday, Nov. 7, from 7 to 9 p.m. at the Georgetown health unit on Main Street. Cost is \$5 per person. To register phone 877-2238.

Zoning bylaw challenged

The industrial zoning for Guelph Street is again being challenged.

Tonecraft Realty Incorporated is asking for the zoning at 245 Guelph Street, immediately west of Sinclair Avenue, to be changed from industrial to commercial special.

"How does this plan conform to our Guelph Street corridor," asked Coun. John McDonald Monday night. "We're seeing continually more commercial on Guelph Street."

"Against this, I have a big cross that says no," Coun. Harry Levy said.

Road 'Appalling'

The condition of Market Street, south of Maple Avenue in Georgetown was called "appalling" by an area resident.

Mrs. M. Hampshire wrote the town to draw attention to the road surface and ask that improvements be made to the large holes, cracks and grass growing through the surface in next year's works program.

"We feel this portion of the road should be resurfaced, not just patched," Mrs. Hampshire said.
