Lilley Resources nets hockey romp

At home at Memorial Arena Sunday the Lilley Resource Major Atoms hosted Streetsville for a romp on the rink, finishing up with a 6-3 victory.

Georgetown hustled into a quick 2-0 lead counting two goals in the first minute of play. Greg Dawson's wrist shot put the lights on the scoreboard and 23 seconds later Kevin Patrick capitalized on a goal-mouth scramble to net goal number two from Dawson and Jason (Spike) Gratto. Streetsville wound up their lines to retaliate with three markers to jump ahead 3-2.

Midway through the second frame Rooster Pearce centered a pass to Jake Mashinter who put it home to tie

the match. With 41 seconds remaining Steve Wright won a face off in Streetsville's territory passing to Pearce who beat the orange and black goalie from the slot to pull ahead 4-3.

A nice triangular passing play initiated by Troy Gardner on the point to Gord Buchan in the corner resulted in goal number 5 by Brad Cuthbert, on a power play. Georgetown's final tally came from Steve Wright on a lead pass from Mashinter in the corner. The locals effectively kept the opposition off the scoreboard in this final period despite playing shorthanded for about 4 minutes late in the frame. A good effort was put forth by the entire team to take this win.

Novices extend shutout streak

North Halton Sports novice hockey team posted two shutout wins this week in Tri-County action. The shutout string for goalies Steve Bewley and Jeff Whorley now stands at three games. In both games defencemen Jamie Stephenson, Brent Wilkinson, Gavin Glaser and Mike Kotsos were outstanding.

In a 6-0 win over Flamboro Tuesday Doug Sheppard keyed the offence with three goals. Duane Erier had a pair and Blaine McCauley added a single. Glaser had two assists while Joe Stephens, Cory Evans, David Bouskill, Wilkinson, Erier and Kotsos.

In handling host Burlington their first loss of the year (a 5-0 decision), North Halton dominated the well played game with perhaps their best effort of the year. Sheppard and Erier had two goals each while Mark Aldridge had the other with a fine shot from the slot. Stephenson had three assists while McCauley added a pair. Singles went to Stephens, Steve Onoprijenko and Glaser. Robbie Wands, with good forechecking and backchecking and offensive strength from Glaser, deserve special mention.

The Flyers played in the Stoney Creek tourney this weekend and had a rough encounter in their opening match Friday. The Flyers won a hard fought 3-1 decision to the host team as "Gunslinger" Sheppard had two goals and Bouskill the other. Glaser, Sheppard, Evans and Stephenson had assists.

Georgetown beat Newmarket 5-4 Saturday in a game that wasn't indicative of the Flyers' dominance.

McCauley and "Wheels" Erier had two goals each while Sheppard had the other. Bouskill and Sheppard had two assists each while Evans, Glaser and "Rocky" Stephenson had singles.

Georgetown played well in the final Sunday against Ajax, leading and holding the edge in play when the opposition tied the game with two minutes left. In the early seconds of overtime Ajax scored, capturing a 3-2 decision. Bewley played solidly in goal with goals by Erier and Sheppard. Wands and Stephenson had assists.

Pee wees win pair

The Georgetown Optimist Minor Pee wees continue to win Tri-County games, adding a pair this week.

The locals hosted Burlington "A", and came away with an 8-3 win with seven goals in the final frame. Adam Hills had five goals for the winners while Trent Cull, Trevor Elinesky and Sean Guistini had singles. Elinesky had three assists while Brad Tutt had two. Adam Hagen, Brad Tutt, Steve Brown, Duane Lewis, Cull and Hills had singles.

On the road in Burlington the locals netted a 5-3 win, again staging a third-period effort as the Optimist team scored three times for the win. Elinesky had two goals while singles went to John Jickling, Tutt and Hills. Brown had two assists while Lawrence, Rob Lang, Hagen and Cull had singles.

Minor novices get back at Burlington

After dropping a tough 1-0 decision to Burlington here Thursday, the Mal Dodge ReMax minor atom "AA" squad rebounded with a 4-1 win two

nights later in Burlington. Thursday the teams played scoreless hockey until the visitors broke the tie on a power play with just 23 seconds left in the game. The home team appeared flat and seemed content in their end. Also they took four of the five penalties handed out and had it not been for the fine goaltending of Josh Barber and Trevor Knight, the score might have been higher.

It was a different story Saturday in Burlington as coach Jim Pirie had Georgetown flying from the opening faceoff. Strong forechecking by the forwards and solid defence by Keith Montgomery, Mark David, Jeremy Hamp and Ryan Pirie was the key to the ReMax win.

Pirie opened the scoring late in the first period on a nice end to end solo effort. Early in the second Burlington tied the game only to have Paul Kalbarski count the winner four minutes later on a pass from Steve Melykuty. Georgetown added two insurance markers in the final period, hemming the home team in their own end most of the period.

Randy Bond notched the third goal, knocking in a centering pass from Andy Jones. Todd Fuller closed out the scoring, assisted by mates Jim Kavanagh and Steve Boyle. Barber provided steady goaltending, especially the four times Georgetown was shorthanded.

The team hosts Flamboro Thursday at Memorial Arena starting at 6:30 p.m.

Chateau gains sweep

The Chateau Restaurant Minor Bantams "AA" and Burlington played back to back games Friday and Saturday. The Chateau out-distanced Burlington with an 8-1 win. Goal scorers were Bill Tutt, Brent Presswood (2), Steve Sutherland, Steve Lee, Greg Onoprijenko, Stu Vogt and Cam Herman. Assists came from Lee (2), Doug McDermott, Presswood (3), Tutt, Onoprijenko, Adam Bennett, and Travis Gardiner.

Saturday saw an over-confident Georgetown barely come away with a 3-2 win. The locals had to play catch-up hockey before they scored three goals. Sutherland tipped one in off Gardiner. Gardiner connected for 2 goals as Don Guest helped on both goals and Herman on one. Burlington scored once more and would have tied it up but Chris Stoddart made a super defensive play to keep the win. Georgetown and Flamboro see action at the Alcott Arena Saturday at 2:30.

Manage your stress

The Fall Ontario Association of Distress Centres Conference was hosted by the Help Distress Centre in Waterloo, Oct. 25, 26th at the Waterloo Inn.

Eight members of the North Halton Distress Centre attended to hear speakers and workshop presentations on the theme, Mental Health in the Eighties. Keynote address was given by Dr. David Rainham on the topic of Stress Management and Counselling; a cassette tape and booklet on stress-relaxation techniques was available for sale. A social time on Friday evening allowed everyone to meet other volunteers from the 25 member centres across Ontario from Windsor to Ottawa.

Everyone agreed that the hospitality of Help D.C. in Waterloo and the interesting speakers, made this conference very informative. The North Halton Distress Centre is just finishing the fall training course and thanks the community for the response.

New nursing head

Frances Allen started work Monday as the new Director of Nursing at Georgetown District and Memorial Hospital. She replaces Alvira Pace who held the job for 12 years. Miss Allen has a diploma in nursing and was trained in the Queen Elizabeth Hospital in Montreal. She also has an administration degree.

Some of her former jobs are: head nurse of the surgical ward of a community hospital, running specialty clinics at the McMaster Medical Centre, assistant co-ordinator of Health and Community Services for the Red Cross, and other senior administration positions. For the past three years she has worked as a nurse consultant for Ontario community hospitals and retirement homes.

She applied for nursing director in Georgetown because she "knew it was a good hospital and I thought I would enjoy working here," she said. Since arriving she has verified her reasoning. "It's a great community and a terrific hospital. Everyone works as a team," she said. Burlington is her home and she has no definite plans yet for moving to Halton Hills.
