

# Dear Santa:

Dear Santa,  
Can you get me the Construx Battlestrike set, Construction leader or Sawbos please. I am 8 years old and I go to George Kennedy School. My sister Jessica is 4 years old, she would like the leader of the Hugga-Bunch, Tubtown toy or a Teddy Bear Puppet. Thank you for all the toys you gave us last year, we really liked them. My Mom would like a shoe for her shoe collection and my Dad would like some tapes. I hope you and Mrs. Claus have a nice Christmas.

From John and Jessica Beaque, Balmston Cres., Georgetown

Dear John and Jessica,  
My, aren't you growing up quickly? Jessica is four already, and you're eight? Sigh, I won't tell you how old dear Santa is, but he's been around a long long time. Perhaps I should be thinking of retiring. Maybe in another 100 years. My dears, I'll do my best to bring you nice surprises again this year.

Hugs, Santa

Dear Santa,  
My name is Robert. My birthday is December 23. I will be 4 years old. I would like a toy robot and a battery for it. I would like a Secturus Commander and his flying toy that he rides on. I want a hippopotamus and marbles. A ghost set would be nice. Merry Christmas Santa.

Love, Robert Wagner

Dear Robert,  
Gee, you have two occasions to celebrate in December, don't you? I'll have to wish you a happy birthday now, because at the rate my elves and I are going these days, I'll probably not be able to wish you happy birthday Dec. 23. Will you forgive me? Look for the goodies I'll be leaving for you under your Christmas tree soon.

With love, Santa

Dear Santa,  
I have been a very good girl. How are Mrs. Claus and the elves? I hope Rudolph will be guiding your sleigh because he is my favorite. This year I would like a new rattle, Care bear and a Wuzzle. I will leave a cookie for you and a carrot for Rudolph.

Love, Jenna Coffey, 6 months

Dear Janina,  
Mrs. Claus is fine, but the elves said they would like a week's vacation in the Bahamas, Rudolph will be back this year and his nose is shinier than ever! I'll see if I can wuzzle-up a Carebear and rattle. Say hello to your parents! Rudolph says thank you.

Love Santa

Dear Santa Claus,  
Hello, Santa Claus. My name is Jason Thomas Hower. I am a good boy. For Christmas I want a Go-Bot, a book to read, a new puzzle please. Good-bye for now. See you at Christmas.

Jason Thomas Hower

Dear Jason,  
My elves and I know your parents, so we hope you've been good to them because they love you very much. I'm puzzled over what sort of puzzle to get you. But I'll think of something soon. My favorite game is electronic battleship cuz I once considered a career in the navy. Thank you for your nice letter. I'll do what I can to bring you what you've asked for. Tell your mom to leave me some cookies.

Merry Christmas, Santa Claus  
P.S. I liked your stickers on the envelope.

Dear Santa Claus,  
My name is Christina. I have been a good girl. I would like Cabbage Kid Vacation Car, Sweet Secret Jewelry, Patty O'Green rainbow brittle doll, sunshine care bear, my little pony. I am 6 years old.

Love, Christina Snow, Mill St., Georgetown

Dear Christina,  
How nice of you to write me - it brightens my day so much when I've been working so hard getting your lists ready for Christmas. I will try to bring you some of the things you've asked for. Rudolph says hi! He asks that you leave him a ginger ale or any kind of soft drink.

Lots of love, Santa Claus

Dear Santa,  
Hi, my name is Shannon. This Christmas I would like a toy that is called Sweet Secrets, I have been a good girl, my mom would agree and maybe a toy that's called My Little Pony. I'd like a Ken and Barbie please. I would like a She-Ra doll and a pound puppy. I love you Santa. I would like a lot of toys this year. I believe in you Santa. You are a lot of fun. I love you Santa. I need a lunchpail too, but I don't know if you will get me that and we need a house but I don't think you can bring that either. Ha, Ha, Ha! Very funny eh! So what do your reindeer like to eat? I will put some cookies out for you. Thank you Santa. I love you.

Love Shannon Lawson, Acton, 8 years

Dear Santa,  
I love you, I have been a good girl. May I have a She-Ra doll, I like my new teachers Mrs. McIntyre and Mrs. Freeman. I like the way you Ho, Ho, Ho!

Love Cheri Lawson, Acton

My little brother Michael would like some toys too. Something from Fisher Price or some trucks and cars.

Thank you from Michael Lawson, Acton, 20 months

Dear Cheri, Michael and Shannon,  
I love you three too! I know why Michael likes trucks. I still like to line all my toy trucks in the living room till they're end-to-end! I know you love dolls, Cheri, so I'll try to bring you one you like. Now Shannon loves ponies, I can tell! If I can't find a suitable toy pony, I'll find you a special doll or toy puppy. By the way, my reindeer go wild over a unique salad I make for them. It's got sliced carrots, amaranth, chocolates, two tablespoons of sugar, bread crumbs, any type of nuts. For

salad dressing, they prefer pickle juice. Be good till Christmas,  
Love, Santa Claus

Dear Santa,  
Me, my sister and brother were good this year. My brother would like building blocks and my sister wants a toy telephone. I would like Real Baby doll. I will leave some cookies and milk when you come Christmas Eve. Merry Christmas Santa, we love you.

Wendy, Ronny, Teri McCaslin  
Dear Wendy, Ronny and Teri,  
My computer printout tells me that you're right. You and your sister and brother have a triple A rating, better than the Liberal government's lending status! If I give your sister a toy phone, will she give me a call? I love talking to all you boys and girls. I'll do my best to get you the presents you've asked for.

Yours always, Love Santa  
P.S. Peanut butter cookies are my favorite.

Dear Santa Claus,  
How is Rudolph? I want for Christmas 1. Jewery, I like Rudolph and Dancer. 2. Green slippers, 3. Glasses, 4. Stickers. I love you Santa Claus.

Love, Carrie Meltzer

Dear Santa,  
How is Mrs. Santa feeling and Rudolph. I want a Carebear and a Barbie camper but you can give me anything. And we are going to my aunt Donna in Virginia.

From Jessica Meltzer  
Dear Jessica and Carrie,  
Oh how I like to receive letters from my little ones in the Meltzer family. Rudolph is fine. He is on a special diet and exercise program and he has watched the Jane Fonda workout tape three times in preparation for the trip south. He says hello. It's nice you have given me a choice of what to bring you, Jessica. I have such a bad memory when it comes to remembering lists. I love you too, Carrie, and because of that, you won't be forgotten Christmas Eve, either.

Love ya, Santa Claus

Dear Santa,  
My name is Harvey John. I have been a good boy. I would please like Ramjet transformer, Transformer electric train and battle set, G.I. Joe Commander Attack game, Blitz wing transformer, Omega Supreme. I am 7 years old.

Love Harvey John, Mill St., Georgetown

Dear Harvey John,  
Thank you for your nice letter. I can tell you like transformers! It only seems like a few years ago the most popular gifts I brought were pogo sticks, hoola hoops and roller skates. You kids are so high-tech these days, it's hard for the Jolly Old Fellow to keep up! I'll see if I can bring you some of the things on your list. Be good to your parents.

See you soon, Santa Claus

Dear Santa,  
I can't print so my daddy will print for me. I have been a good girl. Could I please have a rainbow brite and Starlight, and a real baby.

Love, Rachel Legate, Park Avenue, Georgetown

Dear Santa,  
I have been a good boy. Could I please have a electric train with a light.

Devin Legate, Park Avenue, Georgetown

Dear Devin and Rachel,  
That was very good printing in the letter you sent, Devin. It looks like you have been practicing. Since you have asked for one special surprise, I will do my best to find what you are looking for. I'll get some elves on it right away. I'm glad to know that you have also been good Rachel. I was a little surprised by your last request. I thought we might need a little help with that one, but there are a lot of wonderful things in Santa's workshop so we'll do our best to put special surprises under the tree for both you and Devin.

Hugs and kisses, Santa

Dear Jonathan,  
I'm not sure I can get all those things down the chimney, but I will try. I hope your Christmas tree is a good size so there will be space underneath for what I do manage to bring. Everyone up north is just fine now, though a week or two ago there was a bout of polar bear flu going around. It's the kind of flu that takes away your appetite, and I would hate to miss out on the snack you promised to leave. How did you know, Jonathan, that cookies were a favorite of mine?

Lots of love, Santa

Dear Santa Claus,  
My name is Allison. I am 3 years old. I have been a good girl this year. I hope you will come to my house this year and bring gifts for me and my big sister. Please bring me a Baby Bear with diapers, a stove to cook on, a Barbie doll, Baby mermald, and treats. Thank you Santa for remembering me this Christmas.

Your friend, Allison Pearson, Ewing Street, Georgetown

Dear Allison,  
It's nice to be your friend, Allison. Because you like dolls I will try to

bring you some. Mrs. Claus says that Baby Bear with diapers is one of her favorite toys that the elves make in the workshop. Merry Christmas,  
Santa Claus

Dear Santa,  
How are you? I have missed you. Hope you had a good summer. I have been a good girl, most of the time, and I have helped mommy with my little sister, Jennifer. For Christmas I would like a Cabbage Patch Pony on a Beauty Parlor Set for Barbie and exercise Barbie. Maybe you could bring Jennifer "Buttons and Toes" or a "See'n Toy". She has been a good girl too, most of the time. I guess I should go now, see you soon, hope you have a safe trip. We will leave a snack for you and your reindeer.

Love always, Tausha Faul, McIntyre Cres., Georgetown

Dear Tausha, (and Jennifer),  
Ho, ho, ho! What a nice surprise, getting a letter from my little friends in Georgetown. My summer was okay, but there wasn't much sun for tanning and the water was cold. I'll see if I can bring you some of the presents on your list. Right now, I have to make some repairs to the sleigh before I pack my bag to visit your home.

Bye for now, Love Santa

Dear Santa Claus,  
My name is Julie Thompson and I am two and a half years old. My mom is writing this letter for me to let you know I have been a good girl. Santa, for Christmas I would like you to bring me a Care Bear Cousin named Brave Heart Lion, a Glo Worm, Barbie and Ken and a coloring book with some new crayons. I'm really looking forward to Christmas morning. I will leave you a treat under the tree, Santa and something for the reindeer too.

Yours truly, Julie Thompson, Georgetown

Dear Julie,  
I'm glad your mom helped you to write to me. I will put some special surprises for both of you under the tree. I look forward to Christmas morning too, because I can relax and have a snooze knowing all my work is done, and all the boys and girls are happy. Thank you for remembering treats for us all. Donner and Blitzen are on diets so just celery will do for them. But not for me. Ho Ho Ho. I'd prefer something as sweet as you Julie. Thanks for writing.

Lots of love, Santa

Dear Santa,  
I hope you had a good year. And I'm glad you remember me. I've been good all year. I would like a Care Bear and a Cabbage Patch Kid Pony. I would like a ring with three stones in it. I would like some earrings. I would like some necklaces. I would like some Texas Instruments, Growing Stones.

Rebecca Moffatt

Dear Rebecca,  
Ho, Ho, Ho! How I love to read my mail. If it wasn't for all your letters from the boys and girls everywhere, I would get lonely up here with just Mrs. Claus and the elves. If you are a good girl, I'll try and bring you some of the things on your list. Remember I have lots of lists from all the children and I've got to make sure there's enough for everyone.

Love Santa

Dear Cathy,  
Mrs. Claus says I need the get in shape girl workout set! Ho, ho, ho! But I love eating too much. When I work hard, I eat more and more! I'll see if I can bring you some toys you won't be disappointed with.

Love Santa

Dear Santa,  
For Christmas I would like the get in shape girl workout set and I also would like the Twister game. Can you also get me the Cabbage Patch Kid carrier bag and can you get me the artwork shopkit.

From Cathy

Dear Santa,  
How are you? I am fine. I have been a good boy this year. For Christmas, I would like a sleigh, clothes, a Wuzzle "Bumblelion" and a truck. My mommy is writing this letter as I am only 2 years old.

Thank you, Love Shaun Clapp, Georgetown

Dear Shaun,  
Would you like a sleigh just like mine? We have a scaled down version made of plastic, neoprene and wood. I hear the hills in Georgetown are perfect for sleighing. I too, love trucks so don't be surprised if you get one. The Bumblelion sounds like fun so I'll ask my elves just what that is.

Lots of love, Santa Claus

Dear Santa,  
I have been a good girl this year. I will leave you a treat. I would like a brown boy cabbage Patch Kid with curly hair, cabbage patch kid diapers, open eyes real baby, Hugga Bunch

Huggins Sunshine Twins, Share Bear and Gentle Heart Lamb, Rainy Day Slicker, Baby Glory Baby, Pould Puppy, Nurseryland Diaper bag set, nursery set and a big Pound Puppy.

Love Sara Murray, Acton Blvd., Acton

Dear Sara,  
Whew! That was quite a list you sent. It is a good thing I have a lot of elves to help me. There are one or two who specialize in just the things you're looking for so we will see what we can do. Thank you, Sara, for putting out a treat. I can see that I will have to loosen another notch on my belt. But I don't mind. Every year I get a little fatter but it keeps me warm here at the North Pole.

With love, Santa

Merry Christmas, Santa Claus

Dear Santa,  
How are you doing? I have been a good boy this year. I hope that we have lots of snow for Christmas. I hope that you have a Merry Christmas, too. Here is a list of things I am hoping for this Christmas: 1) Wheeljack transformer 2) Omega Supreme 3) Jeffire 4) Beachcomber 5) Soundwave. Thank you very much, Santa, and I love you!

From Daniel

Dear Daniel,  
Mrs. Claus and I are keeping well though, of course, we're very busy this time of year. I'm glad that you have been a good boy. I'll keep that in mind when I work on your list. Two of the elves were oiling the snow-making machine just last night (it always gets a bit rusty over the summer) so I hope we will have snow in time for Christmas. The sleigh always runs better. But snow or no snow, I'll be there.

Until then, Santa

Dear Santa,  
My name is Julie Thompson and I am two and a half years old. My mom is writing this letter for me to let you know I have been a good girl. Santa, for Christmas I would like you to bring me a Care Bear Cousin named Brave Heart Lion, a Glo Worm, Barbie and Ken and a coloring book with some new crayons. I'm really looking forward to Christmas morning. I will leave you a treat under the tree, Santa and something for the reindeer too.

Yours truly, Julie Thompson, Georgetown

Dear Santa,  
I would like a Butter Bear for Christmas and thank you for my Butter Bear.

Love Teri Jolliffe

Dear Teri,  
What a nice short note you sent me. It's easy for me to decide what you little folks want when you only ask for one toy. The Butter Bear sounds like a cookie Mrs. Claus makes for me in December. It's made of shortbread, nuts and cherries and shaped like a polar bear. I'll ask my elves about a toy Butter Bear. If you are good and if the elves have one in the workshop, then you might have a bear for Christmas.

Love Santa

Dear Santa,  
I am trying to be a good boy this year again. What I would like for Christmas this year is a big dump truck, a four wheel drive truck and battle cat and He Man. I will leave some cookies and milk out for you on Christmas Eve.

Love Mike Campbell, Georgetown, 3 years

Dear Mike,  
Thank you for your list. It makes it so much easier by taking out all the guess work. You're the first little boy to ask for a He-Man this Christmas. Last year they were so popular! I'll try to bring you some nice toys, but you must promise to be good!

Lots of love, Santa

Dear Santa Claus,  
For Christmas I would like pound puppy's, the big ones and the little ones and the Leash and Bone, Bow, d.g warmer. And a make-up case with some cabbage patch kids and playpen, the cloths for my girl and boy.

From Carrie Stone, Poplar Ave., Acton

Dear Carrie,  
Thank you for your offer to feed me and Rudolph. We can never get enough good food from your mom's cooking. I can tell you really like dogs, bones, leashes and puppies. Mrs. Claus and I have toy robot as our pet - he clears the snow and sings Christmas carols to keep us happy when it gets busy. I'll try to get you some of the things on your list.

Love ya, Santa

Dear Santa,  
I love you very much. I hope you get me spider this Christmas. I would like lots of Masters of the Universe. Could you bring me Castle Greyakull and the Bright Zone. And I would like you to bring more dinosaurs and transformers. I hope I can keep being good. Will Rudolph guide your sleigh? How are all the elves and Mrs. Claus. I think I heard an elf on my roof. Mom says he was checking up on me. I'm going to leave Rudolph and the rest of your reindeer some carrots and I will leave you cookies and ginger ale with

mouth, Baby Hugs, Jewellery, Colouring book, stamp, puzzle, and doll clothes. My sister Sonia has been a good girl this year. She would like a glo bug, Care Bear and Cabbage Patch. I love you Santa. Hope to see you.

Love Lynn and Sonia Moreland, Normandy Blvd., Georgetown

Dear Lynn and Sonia Moreland,  
Hello to my little ones on Normandy Boulevard! What a nice letter you've written me! I love glo bugs and Mrs. Claus and I gave one to each of our elves for Christmas last year. I don't see what you children like in those bald headed premises. But I've learned not to ask questions. Because you've been such good girls you can expect some nice surprises Christmas Day.

Merry Christmas, Santa Claus

Dear Santa,  
I am five years old now. This year I would like you to bring me roller skates or peaches and cream Barbie. Also as I like going to school and I have been a good girl please bring me a coloring book or the Heart Family.

Merry Christmas Santa from Kathy Irvine, Ewing St., Georgetown

Dear Santa,  
I am two years old and I like playing with dolls and even boys toys. When you come to Georgetown please bring me a Pound puppy or Upsey Baby or Butter Bear. I will be a good girl for the rest of the year. Merry Christmas Santa from

Sinead Irvine, Ewing St., Georgetown

Dear Sinead and Kathy Irvine,  
That's quite a promise for a 2 year old: promising to be a good girl for the rest of the year. I will have to write that down in the black book for sure! What with all this women's liberation talk, I'm not surprised you like boys toys. It's getting hard to know what children want anymore. For you, Kathy, I will bring you something special. It might even be a Barbie doll because it's one of my favorite oldies but goodies. I can't make any promises, because then it wouldn't be a surprise!

Love Santa

Dear Santa,  
I am three years old this year and have been a very good girl. I like to help my Mommy, especially when she is baking muffins and cookies. Please bring me a Hug-a-Bunch dolly and a doggy for my baby sister Amy. She is one.

Thank you Santa, Lyndsay and Amy Wood, Dawson Cres., Georgetown

Dear Lyndsay and Amy,  
Thank you for the wonderful card. I will put it up on the Mantle over the fireplace. The elves like to roast marshmallows there when they aren't working on the toys. I'm sure Mommy appreciates it, Lyndsay, when you are her little helper. Do you suppose you could save a muffin for me? And Amy, since you are not old enough to help with the baking, maybe you could give a hug and kiss to mommy and daddy, for them to pass on to me. I'll do my best to bring the presents you asked for.

With love, Santa

Dear Santa,  
How have you been getting along since last year. I hope you haven't been sick. I have been a good boy all year and so has my baby sister, her name is Cindy and she is only 9 months old. I have been really nice to her and we don't fight. I help mommy around the house and I go to bed early every night. I would like some play-doh and a transformer for Christmas, also a record player for my Sesame Street records and Lite brite, I also like the Mickey Mouse talking phone. My sister can't talk yet, but she likes baby toys. Well mommy and daddy told me not to be greedy, so I better stop now. Say hi to Mrs. Claus and to all your little elves. Merry Christmas and a happy New Year.

Love always, Christopher Boone, Age 3, Park Ave., Georgetown

Dear Christopher,  
Thank you for your nice long letter. I'm glad you have been good. It makes it easier when little ones go to bed early, especially on Christmas Eve, because it gives me more time to get my job done. Thank you for telling me about your baby sister Cindy, since she can't talk yet. I bet she's excited since this will be her very first Christmas. But you know, Christopher, I have seen a good many and each Christmas is as exciting as the last. Mrs. Claus will appreciate your "hello". She does a lot of the work and I get most of the attention but she loves Christmas as much as we all do.

Love, Santa

Dear Santa,
