### Hayride harmonies

As the finishing touches were being made Saturday in the Globe Theatre's annual hay ride through Georgetown, Hazel and Ken Gorin try their best to stay warm. It was a chilly day Saturday, but the tractor and trailer

with Globe members on it made its way through Georgetown anyway. Bales of hay were on the trailer, making it look almost like an old-fashioned hay ride. (Herald photo)

## WANT TO APPEAL YOUR ASSESSMENT?

You still have time to appeal your 1985 assessment if you feel your home or business property has been improperly assessed.

Your assessment is important because the amount of property tax you pay depends on it, in that the assessed value of your property is multiplied by your municipal and school mill rate to determine your 1986 property taxes.

Notices of Assessment have been mailed to property owners and tenants whose assessments have changed since last year. Open houses have been held in your area to answer questions and amend assessment information if necessary. Open house dates and locations were announced in a previous advertisement.

The Assessment Roll has now been delivered to your municipality for the purposes of calculating the amount of taxes you must pay on your property in 1986. For information on your assessment, the Assessment Roll is now available for review at your Municipal Office during regular business hours. If you feel your property has been improperly assessed, and you have not yet made your appeal known, you still have until January 7, 1986 to deliver or mail an appeal to the Assessment Review Board. **And remember, even if you did not receive a Notice of Assessment, you still have the right to appeal.**

### Appeal deadline—January 7, 1986

The Assessment Review Board is an impartial body reporting to the Attorney General of Ontario, which provides you with an additional opportunity to have your assessment reviewed if, in your opinion, it is not fair and equitable with similar properties in your area. The Review Board is more informal and relaxed than a regular court of law. You may present your own case, retain a lawyer or ask a relative or friend to speak as your agent.

To help you in filing your appeal, Notice of Appeal forms are available from the Assessment Review Board, your Regional Assessment Office or your Municipal Office. As well, you can use the reverse side of a Notice of Assessment or write a letter stating the property address and roll number, together with your reasons for appealing. Appeals should be forwarded to the Regional Registrar of the Assessment Review Board listed below.
