Letters to Santa

Dear Santa.

Yesterday Dad and I put up our Christmas tree and ornaments. I was some happy we put the tree up on my Dad's day off, I hope you are feeling fine. I am 61/2 years old this year and I go to Kindergarten. I have a smaller brother who is 21 months old. I would like for Christmas Fright Zone, Mantenna, Grimlock and Omega Supreme and that is all. Hope you have a good time delivering presents. When you write me a letter please tell me what the reindeer's names are. That's all for now.

Bye, Love Jason Higgins, Gairey Drive, Georgetown

Dear Jason. First things first. The names of the reindeer are: Dancer, Prantzer, Donner, Blitzen, Comet, Cupid, Dasher, Vixen and Rudolph. They don't get the attention they deserve you know. Everyone thinks of me as the bringer of gifts but the truth is I am only a small part of Christmas. The reindeer are just as important as me and I am glad you want to know their names. You're right about us having a good time. As much hard work as it is delivering presents it is also very fun, a real hoot. When I come to your home I will look for your work, I mean how you decorated the tree. I suspect you did a lot of work on the lower half. That's where your presents will be.

Dear Santa,

1 want a C.P.K. for Christmas, a trins C.P.K. I am good for you. I am in grade two. My teacher's rame is Miss Tayler, She is good. I like her. She is nice. My sister wants Shira for Christmas. Hope you have a Merry Christmas.

Love Lisa Gervais

Dear Lisa. Thank you for your nice letter. I hope my elves know what a C.P.K. is. But anyhow, you can be sure I will leave you a few toys that will make you happy!! Say hello to your nice teacher and sister. I'll make sure they too receive a few nice presents.

Love Santa

Dear Santa.

I have been a good little boy and I live on Confederation Street. I would like some Transformers, some G.I. Joe, some Go Bots, a new tv, some new cloths, a new sister, a new phone. Love Chris Kearsey

Dear Chris, Golly gosh, Chris, that's quite a list for old Santa. While I might be able to find some of those presents in my toy shop, you will definitely have to talk to your parents about a new sister! I'm glad you've been a good boy. I double checked and found that even your teacher thinks you're okay. See you Christmas Eve.

Love Santa

Dear Santa Claus,

How are you? What has been going on since I wrote to you last? I like you a lot. Can I please have some toys for Christmas? This is what I want. The first thing I would like to have is a Cabbage Patch Kid outfit fleece housecoat with bootles and a nightie, the number of the page is 364 1-2. My second thing I hope I get is on page 402 1-2 Glofriends. The first one is Glo worm the second one is Glo butterfly, the third one is Glo bug. The ones that I'm talking about are the small one. May I have one more thing If you say yes. The third thing is on page 280 A, it is an Wrap Up The Perfect Sound Package. Cassette player with handphones. Can you put batterys in it please. Please may I have what I asked for, thank you. P.S. Merry Christmas. By By Love Bobbi Thibeault,

Poplar Ave., Acton Dear Bobbi, Thank you for the well written letter. It was also well organized. That was a good idea, putting those page numbers and catalogue numbers beside the things you want. Now there should be no mistakes on my end if I can find the catalogue. But don't worry I have a library full of catalogues. Squibit, the elf librarian, will find it for me. I will try to remember to put batteries in your toys. We always find that one of the most difficult things to remember. Perhaps if you don't find them in the toy they will be in your stocking. Do glow worms have batteries too? I can't remember. Oh well,

Love Santa

Dear Santa, I have been a good boy this year. So has my younger brother, Craig. This year I would really like the G.I. Joe Aircraft Carrier, and my brother would like the Superfriends Hall of Justice. We are leaving our Christmas lists beside the Christmas tree along with some milk and cookles for you, and carrots for your reindeer. We are also leaving a special treat "an apple" for Rudolph if he comes with you this

Merry Christmas.

Lots of love, Scott and Craig Walker, Georgetown Dear Scott and Craig.

Well of course Rudolph comes with me! There's no way I'd make it through the blizzards in the North Pole without my trusty Rudolph. Heh heh heh, he loves apples and that's going to be a very pleasant surprise for him when we take a break at your house. And Santa, ho ho ho, well he loves cookies and milk. Who doesn't? That's the way to Santa's heart boys, good for you. I'll be sure to drop in on you, afterail, Rudolph can smell an apple from 100 miles away, and I won't be able to keep him on course if there's apple in the wind. See you soon! Hugs and klases, Santa
