

# 1985 BIRTHS IN REVUE

We would like to congratulate all parents of children born in 1985, and we are proud to be able to print a picture of your bundle of joy. We would though like to apologize to the parents of babies whose pictures we were not able to get. But our congratulations still go out to you with the hope of joy and health for your child. May he or she live a long and full life. Welcome and Happy New Year!

**TO ALL PARENTS PLACING BIRTH ANNOUNCEMENTS IN 1986:** To insure that we can place a photo of your child in our "Births in Revue, 1986", please take time to inquire while placing your birth announcement in the Herald, about deadlines for photos arriving at the Herald office. Have a Happy New Year!
