

Redmen off to good start

ACTON-Acton High School's junior boys rugby team is undefeated halfway through the season so far.

The Redmen defeated M.M. Robinson 10-9 last week, then edged Oakville-Trafalgar 4-3 Monday. The Seniors dropped their first game to Nelson 20-9.

In the junior's first game Dwayne Jung and Alan Scott scored the tries while Kevin Galloway added a conversion. In Monday's game the two

teams were scoreless at the end of the first half, and O-T scored on a penalty kick to go up 3-0. However, late in the game Galloway had a good run, and Chris Hughes chipped the ball into the end zone where Scott recovered for the try, and eventual winning points.

In the senior game Ken Jesperson and Chris Stansbury had the tries.

Coach Dave Boycott, who coaches the teams along with Murray Kitt-

mer, said he's pleased with the play of both teams so far this year.

The Acton teams (midget, junior and senior) will be travelling to White Oaks Thursday for a tripleheader there. Boycott said the midgets will be up against tough competition while his juniors will have to play well in order to extend their unbeaten streak. The senior squad will play a seven-man aside with the White Oaks team.

Keep parks neat

Halton Hills residents are fortunate to have access to over 44 park sites throughout the Town. In addition to the formal park areas, the many ravine lands and woodlots provide plenty of opportunity for hiking, nature walks and outdoor family recreation.

TER - Help by using the litter containers provided and reminding others to do the same.

MOTOR VEHICLES - Trail bikes and all terrain vehicles are becoming a critical problem in park areas. Please help by ensuring that you or your children are not contributing to this problem.

REMOVAL OF PLANT MATERIALS - No plant material should be removed from any Town parks or natural forest areas.

DOGS - It seems that many dog owners consider it their right to allow their pets to defecate in public areas.

GARBAGE AND LIT-

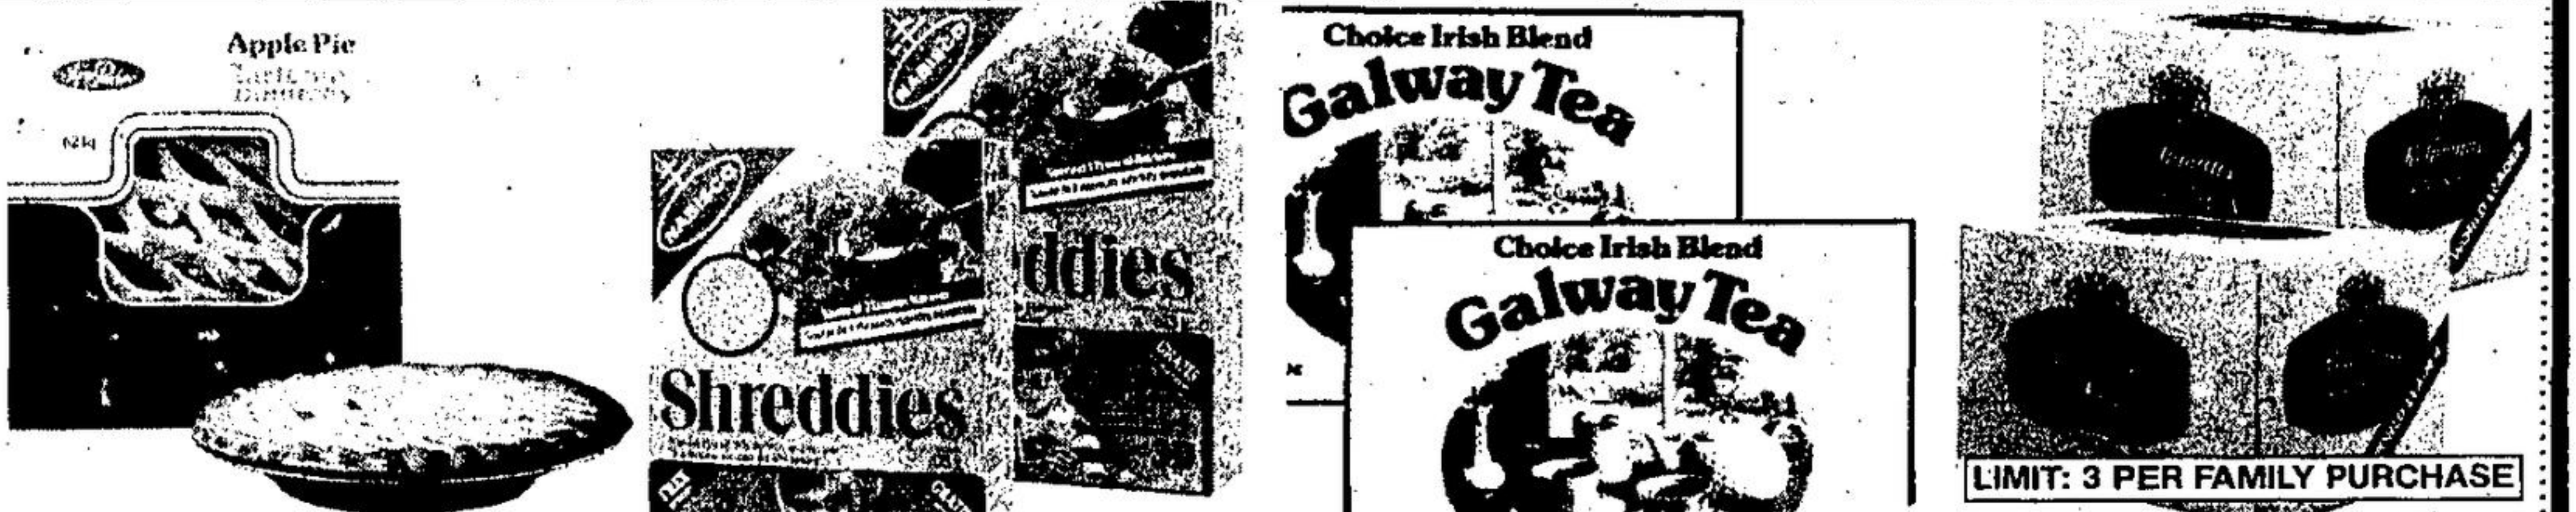

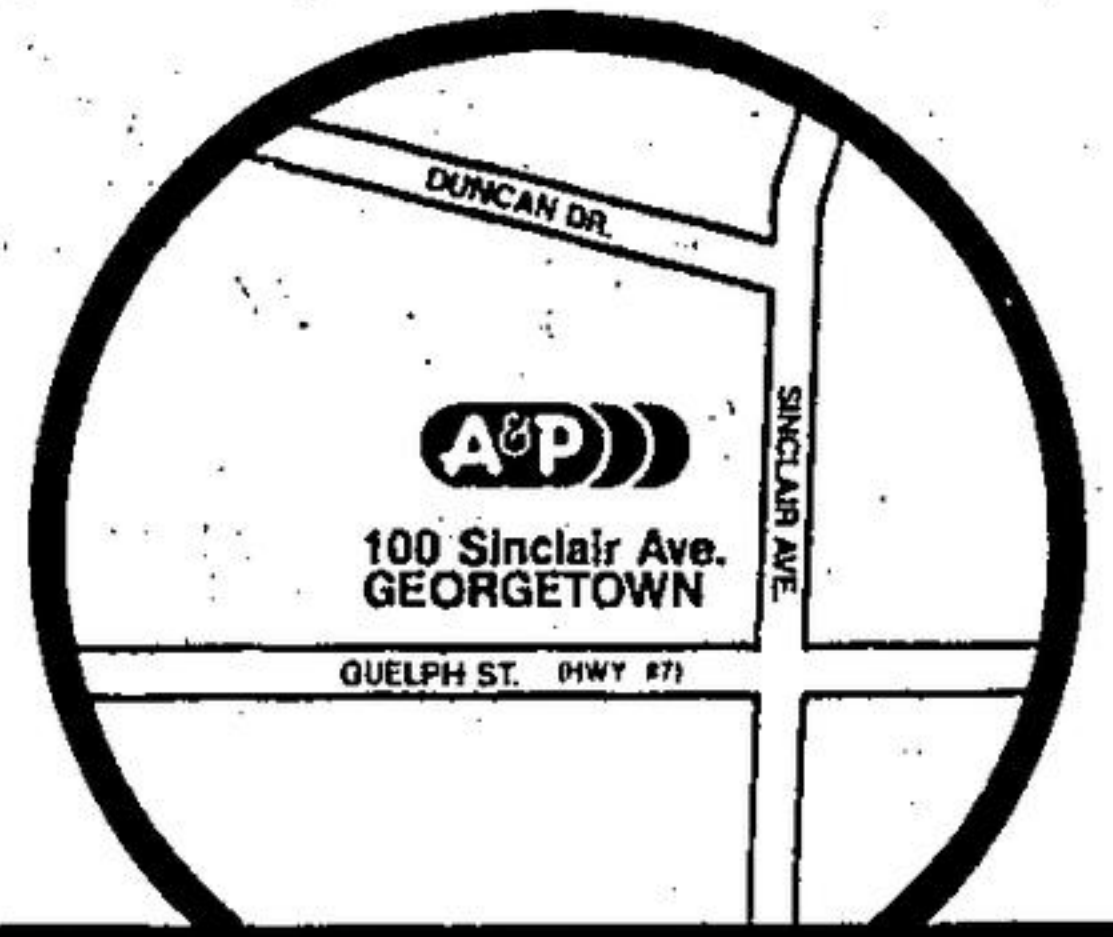

Kelso hike

May 11 at 1 p.m. at the Terra Cotta Conservation Area, the area naturalist will guide you and your family on an hour long hike along nature trails to view spring wildflowers.

Meet at the Visitor Services Centre and don't forget your camera, binoculars and a good pair of walking shoes. Terra Cotta Conservation Area is located on Winston Churchill Boulevard just 2 km north of the Village of Terra Cotta.
