Shutouts name of game

By DON SCALLEN
Two shutouts highlighted G.F.F.L. play this week. The red hot Longhorns skunked hapless IAS 34-0 and Norval fell to North Halton Sports by the same score. In other action M and M Pro Sports showed promise in holding Dairy Queen to a 28-13 win. Corrigan Instruments blew Smokers 43-24 and O'Tooles topped Peel County Bandits 36-24.

LONGHORNS VS IAS
Longhorns stretched their unbeaten streak to 4-0 and did it in fine fashion. The teams entered the second quarter tied 0-0 but then the herd assumed complete authority.

snorting their way to three majors by the half. Wayne Doell had two; Wayne Denmore another. Jim Lindsay and Paul Allison added second half majors. The woeful IAS squad was unable to register a point despite playing well in the early going.

NORTH HALTON SPORTS VS NORVAL
The major story in this whitewash was the superlative play of North Halton defender Mike Schuetz. He registered an impressive four interceptions, a new GFFL record, returning one for a major. Other North Halton majors were scored by

Mark Water with two. Doug Timpon and Shawn McQuarrie. Norval's season of futility continued. Their only bright spot in this one was provided by QB Rick Kiersted, who besides exhibiting a penchant for throwing interceptions, ran the ball well.

M AND M PRO SPORTS VS DAIRY QUEEN
In this game Dairy Queen quashed a spirited Pro Sport effort with the long ball. Brian Davis was the recipient of several Mitch Leblanc ICBMs and scored three majors. Stu Lunn also had a Queen score. M and M actually outscored Dairy Queen 13-9 in the second half as Mike Henderson and Dave "Moon" Warman drove into the Queen end zone for touchdowns.

CORRIGAN VS SMOKERS
Corrigan rebounded from their dismal showing last week to dominate Smokers this week. Held scoreless during the first quarter.

Corrigan exploded for six majors over the next three. Brent Ferguson had three scores for the winners, including one the result of a spectacular interception. Hugo Dittach also turned in a good performance with two majors while Joe Donningoes scored the other. Kevin Harrison kicked three points and collected a pair of two-pointers. John Vierra scored two Smokers' majors and Terry Diardichuk had the other. Vierra and Doug Thompson had two-point converts.

PEEL COUNTY BANDITS VS O'TOOLES
The fabled O'Toole offence lurched into gear this week to outclass another good effort by the Bandits. James Allen was the key man for "Greeks", scoring three majors. John Karolidas and Moe Rivers also crossed the Bandit goal-line for majors. Frank Bruno had another fine outing for Bandits while Rob Arthurs had the other.

Anne Ramsay here poses with the Recreation and Parks Department's Travelling Activity Centre van. Ramsay will be in charge of the Centre for the Department, Leadership Development and as well will be working with the aquatics program as a lifeguard/instructor. The 20-year-old Queen's University student has been with the department the past six years and can be contacted at 877-5185 ext. 275 for more information. (Herald photo)

Midgets suffer two defeats

Halton Hills Firestone midgets dropped a pair of one-run ball games this week in Ontario Junior Fastball League action.

The Halton Hills squad dropped an 8-7 decision to Fergus despite leading 7-3 after three innings. Then the locals were on the short end of a 3-2 decision to Conestoga. That leaves the team with a 3-5 record so far this season.

In the game against Fergus the Halton Hills team got off to a good start with three runs in the first inning. Kevin Lobsinger started off with a single, then came home on a Steve Wilson double. Jon Hammer walked, then Steve Wagner hit a triple that

brought home two more runs. Fergus then scored two runs in its half of the inning and Halton Hills led 3-2.

In the second frame the locals kept it going with three more runs. Dave Haynes had a walk while both Mike Case and Mark Zebedeec hit singles. Robby Anderson and Lobsinger then walked, and Wilson had a sacrifice fly to close the scoring in the inning. In the third frame Case walked, then went to third on a pair of passed balls. Zebedeec brought him home with a single. Zebedeec was caught however trying to steal second.

Fergus then fought back with runs in the fourth, seventh and a pair in

Jon Hammer

the ninth inning to tie the game. In the bottom of the 11th frame a controversial call by the first base umpire allowed a Fergus runner to reach first, and eventually score the winning tally on a double. Hammer took the loss for the midgets, pitching the distance while allowing nine hits and 12 strikeouts.

Sunday at home the midgets fell behind 2-0 to Conestoga, but cut the deficit to one run in their half of the first inning. Wilson hit a triple, and came home on a Wagner ground out.

Conestoga scored its third run in the sixth inning on a pair of hits (double and single). In the seventh frame Halton Hills scored its final run of the game when Wagner got on base on an error. Wagner eventually came home on an Al Scott fielder's choice and Bruce Shannon ground out. Haynes took the loss for Halton Hills, going seven innings. He allowed eight hits and fanned three. Scott came in relief and allowed just two hits in the two innings he worked.

There, again competing against the top males and females from other district finals, Kavanagh finished the event at the "silver level".
