HONDA

Today's answer.

The word most often used to describe the 1986 Prelude 1.8 is "classy."

It has classy styling, as your eyes can tell, with retractable front headlamps and body lines that are perfectly proportioned. And classy performance from its 1.8 litre dual-carburetor engine, plus your choice of 5-speed manual or 4-speed automatic transmission.

And this year, the Prelude 1.8 comes with Honda's new 5-year/80,000 kilometre warranty on major components.

If you're anxious to move into the Prelude's class, come in today and see us. We'll be happy to promote both of you.
