SLIPPERY PIGSKIN-A Mak Steel player makes a valiant effort here to make the catch, but unfortunately can't hang on. A Corrigan player, though, is keeping step with the Mak Steel receiver. Mak Steel went on to win the Ladies Flag Football League contest.

By BILL FOURNIER

In the first game of the day Poppy's handed North Halton Sports their fifth loss of the season 23-12. In other games Toy Magic dropped two games, 10-8 and 20-6 to Peel County Bandits and Madaraxz Chiropractic, respectively. J.V. Jets outlasted H and H Video 14-6 and Mak Steel defeated Corrigan 36-18.

Poppy's led 7-6 at the half on a Jackie McCartney major converted by Joanne Searle. Brenda Hamilton replied for North Halton. The second half was dominated by Poppy's as Chris Arbic recorded two majors, including a 60-yard interception return. Kim Beckett and Marg Walinga added two-point conversions. Kim Duncan recorded a major for North Halton in the fourth quarter.

J.V. Jets defence played brilliantly in handing H and H Video their first loss of the season. The Jets opened the scoring in the second quarter on a major by Janet MacKay and a two-point convert by Linda Ferguson. H and H Video, determined to keep their winning streak intact, scored early in the third quarter on a 70-yard pass and run play by Julie Fournier. J.V. increased their lead to 14-6 when Janet MacKay scored her second major of the game late in the third. H and H's final drive fell short when Herminia Henderson knocked down a fourth attempt in the end zone. Cindy Hoskins (H and H), Lorraine Brown (J.V.) and Kim Marcil (J.V.) had interceptions.

Corrigan played their best game of the season losing 36-18 to a powerful Mak Steel squad. Mak Steel appeared as if they would run away with this one, racking up a quick 20-0 lead. Majors were scored by Cathy Waters, Bev Vickery, and Charlene Ridley while Cathy Waters added a two-point conversion. Michele "Jaguar" Kees started Corrigan's uprising, sprinting 70 yards on a kickoff for six points. Corrigan started quickly in the third quarter scoring 12 unanswered points on Kees second T.D. and a major by *Nicole Rens to draw within two* points. Mak Steel dashed Corrigan's bid for a major upset by scoring 16 unanswered fourth quarter points. Bev Vickery completed a 14 point performance scoring eight points while Nikki Carney had a major and Cathy Waters a two-point convert. Cathy Waters pulled down an errant Corrigan pass in the fourth quarter.

Peel County Bandits needed a fourth quarter field goal off the foot of Paula Geniole to defeat Toy Magic 10-8. Toy Magic led 8-1 at the half on a first quarter major by Carol Kovacevic and a two-point convert by Kelly Cunningham. Paula Geniole had a single for the Bandits. Magic, unable to pull any offence out of their hat in the second half, watched helplessly as the Bandits stole this game. Rhonda Hall scored on a 25-yard run in the third quarter setting the stage for Geniole's game winning boot. Interceptions were recorded by Lisa Tancoo (PCB) and June Ford (TM).

Toy Magic could muster only six points in losing the second half of their double-header 20-6 to Madarasz Chiropractic Group. The teams exchanged first quarter T.D.s on scores by Magic's Deb Norman and Madarasz's Barb McKeeman. Madarasz took the lead for good on a 18-yard pass to Pam Anderson. Madarasz closed out the scoring in the fourth quarter on a Cathy Dobson major and a two-pointer by Cheryl Thompson. Magic interceptions were recorded by Carol Kovacevic and Pat Horruzey while Barb McKeeman and Lisa Allen replied for the Group.

Game stars: Chris Arbic (Poppy's), Brenda Hamilton (NHS), Julie Fournier (H and H), Lorraine Brown (JV), Michele Kees (Corrigan), Nikki Carney (MS), Paula Geniole (PCB), Barb McKeeman (MC), June Ford and Deb Norman (TM).

McArthur's grand slam paces A's past Orangeville

ACTON-A grand slam homer by Kelly McArthur highlighted Acton A's 8-5 win over Orangeville Monday in Inter-County Fastball League play at Prospect Park.

McArthur's blast came in the sixth inning with the A's up 4-1 and salted the win for the hometown squad. The win leaves the A's with a 2-5 mark so far this season.

Paul MacDonald picked kup the win for the A's, in relief of starter Gary Halls. In the two-and-a-third innings khe worked MacDonald didn't allow a hit and fanned three.

Halls went the first four-and-two-thirds innings and allowed just three hits, one run and fanned six. When MacDonald came in the bases were loaded, but he struck out the Orangeville batter to end the threat. Roy Spear pitched the final two innings.

Acton scored twice in the first inning when Tim Baker singled, stole second, went to third on a Halls single and scored on a McArthur single! Dick Spear singled to bring Halls home. Acton went up 4-0 in the fourth frame when Glenn Scott and Greg Voisin both singled. Baker's single scored one run while Roy Spear's single scored the other. Orangeville scored one run in the fifth inning.

Orangeville scored its final four runs of the game in the last two innings with two runs in each frame.

Acton manager Steve Marshall was quite pleased with the win.

"It gave us an opportunity of getting almost everyone into the game," he said. "Paul MacDonald is just throwing the ball real well."

Uranick now getting back into running

continued from C1

subsequent financial assistance. However, Uranick was unable to bring her 800-metres time down to the CFTA's mark of 2:04.99 and thus didn't maintain the carding level for this year.

Uranick's former coach Bruce Andrews felt Uranick had nothing to be ashamed of because of the carding situation.

"She didn't hit the time through no fault of her own," he said. "She tried hard and was extremely fortunate to get it at all."

Andrews also said Uranick can do well at Kansas and isn't surprised she was offered a scholarship.

"Doreen could have gotten a scholarship at almost any school in the United States," he said. "If she works as hard there as she did with me Doreen will do well."

Uranick didn't compete much last year due to school and fighting the flu bug much of the time. However, she still maintained her training and is now looking forward to running competitively again.

"I went through a phase last year when I was kind of sick of it (running) but I'm getting back to the point where I'm starting to enjoy it. I'm coming back to it slowly.

"I think more than anything I need people to run and train with," Uranick continued. "When I was in high school I was running by myself a lot of the time and when you're by yourself there are times when you don't have a real liking for it."

Uranick said the Kansas scholarship gives her one last chance to run competitively. Uranick said had the scholarship not come through she would have given up running at a competitive level to concentrate on studies in sociology at University of Guelph.

"If when I return home at Christmas I realize that it isn't for me then that's fine," she said. "It's just that I didn't want to regret losing the chance I had.

"I would like to have kept my carding but it's all part of sport. I'd love to get it back to show them I had the talent but just needed a little bit more time. But if it happens it happens," she said.
