

## What do you do on a penalty kick

# Put your soccer thinking caps on for this

Last week's question seems to have sparked something, so here goes. Penalty kick again - as the kick is being taken a defender moves into the penalty area and the kicker successfully into the net. What is the correct decision? No clues this time, you are on your own.

glesworth each week and Christian most every other Mondays.

With the old pulled muscle and broken toe still a ting up I have not managed more than one reffing duty each week and the golf is also suffering. I am not getting around the fields as much as in the past. Hence very little news of youth games. I would appreciate some material from coaches - If they would like their teams mentioned in the column. The kids would also appreciate it.

I wonder why referees and linesmen wear black uniforms - perhaps the idea came from Hanging Judge Jeffries.

The Inter County pulled some

surprises last Wednesday. Ajax-Curwood visited Varian and came away with 2-1 victory. One thing about the young Ajax team, they may lack skills but they never stop working until the end. Varian had the Rannachans missing as they are down in Mexico for the Cup. (Also down in Mexico was Julia Smedema, did you see her on TV at the Canada games, or in a leading Toronto daily centre page?)

Villa have made some changes between the 'A' and 'B' teams which have turned things around. The 'A' squad have won three in a row, beating Ajax, Meteor Blue and now Meteor White in their latest match by a 2-1 away win. Villa 'B' held the second division leading Master Mariners to a 2-2 tie in coming from behind after being two down after 30 minutes. Who said the Masters would not win a game? Or, the Ancients either on their return to the first division. The ancients are lying second to Meteor White. Wednesday Meteor Blue visited Cedarvale and went down by 2-0. Opportunist goals came from Lee Tyrell in the first half and Archie Tannock in the second half. Stu Baines scored a cracker for the Masters in coming from deep in half following behind an attacking play and was on hand in the six-yard area to pop in a rebound off goalie Fred Blain.

The two Milton teams fared at opposite ends of the scale. The Rangers followed up their 2-0 win

over Villa 'B' with a 4-1 loss to Trexcon. F.C. however having beaten Trexcon in a seasaw 5-4 match up went on to a 3-3 tie with Park Avenue Collision.

This evening's games are: P.A.C. vs Rangers at Dorsey at 7 p.m.; Ajax vs Ancient Mariners at Christian at 7 p.m.; Blue vs White at Meadowglen at 7 p.m.; and Master Mariners vs Milton F.C. at Cedarvale at 8:45 p.m.

At a recent league meeting the president drew the member teams' attention to the number of ejections so far this season and warned that strong action would be taken if the trend continued. The shortage of officials and proper field equipment and field markings were also brought up as a matter of concern by the members. Trexcon an-

nounced a change to their registered colours. They will now play in white shirts and green shorts with an all-dark blue as the change uniform.

The storm put out the electricity for a while on Sunday and it is now lamp and time to finish off.

Well, Argentina, France, Belgium and West Germany made it to the semi-finals which are being played today (Wednesday). I look to France and Argentina playing off with the South Americans having the Cup at the end of it all. Reffing has not improved and when I was asked by Haddy Smedema who I thought would be given the game, I replied, "They might as well give it to a gorilla, for none of the officials are impressive". Apologies to the gorilla.

### SPORTS BRIEFS

undefeated to date and their latest result is a very self-satisfying 5-0 win at Oakville. The strength of the side is the ability to play and score no matter who is on the field at any time in a game. Monday nights are ladies league games at Wrig-

In the second game the No Names blanked Choice Air 3-0 to move into a second place tie with the Kentners. Brian Johnson scored twice and Neil McDonald added one for the No Names while Brian Patterson picked up an assist.

In the evening's final game the Kentners shut out the Pontiac Fieros 4-0 in a penalty filled contest. Don Parker scored two goals with Ken Whitbread and George Coille adding one goal each. Picking up assists

came back against Royal Canadian Legion Mets to take a 28-21 victory. Andrew Beavan led Rangers offensively with three homers while Cory Constant and Joey Burns exhibited great infield plays. Eric Reynard and Shane Slater kept Astros in the game with good hitting and some great defensive plays.

Casselman Fuel Angels took a 28-17 game from a shorthanded Bumper to Bumper Reds. Bradley Densmore hit a grand slam to lead Angels in hitting. Brent McLung, Chris Rapson and Geoff Quinn made fine defensive plays. The never say die Reds had a homer and triple from Andrew Terrell, a triple from Heather Allin and triple from Ben Swanson. Chad Miersma gave it his all defensively for the determined Reds.

were George Coille (2), Mark Taylor, Ed Hillier and Al Hay. Peter Jones, the goaltender for the Pontiac Fieros, played an outstanding game in a losing effort.
