

# Midget tourney losses

The Halton Hills Firestone midgets suffered two close losses in controversial games at a Barrie tournament last weekend. The tournament was the Canadian Eliminations and by the luck of the draw, second ranked Halton Hills, was pitted against arch rival Agincourt in their first game. Agincourt was ranked first and went on to win the tournament. Halton Hills was beaten 8-0 by Agincourt a week earlier in the Willowdale tournament and were really fired up Friday night. They expected to play Agincourt at 9 p.m., however, because of a thunderstorm and some heavy rains later, the game was postponed until 8 a.m. Saturday morning. Halton Hills started off on the right foot in the first inning. Jeff White led off with a first pitch triple. Kevin Lobsinger followed with a double to score White. Jon Hammer followed with a single to score Lobsinger. Agincourt came back with three runs in the bottom of the first and took a 3-2 lead. Halton Hills came back with two runs in the top of the third inning with White again starting things off. This time with a single. Lobsinger sacrificed White to second, and Bobby Anderson hit a home run to make the score 4-3 Halton Hills. Because of the Agincourt protest on the home run the game was delayed 35 minutes. The O.A.S.A. convenor had to be summoned to the diamond to make a ruling on the protest which held in Halton Hills' favor. The delay seemed to take something away from Halton Hills and the momentum shifted to the Agincourt squad. Halton Hills managed only one base runner after the third inning and Agincourt scored four more runs to win the game 7-4, and handed Halton Hills their first loss. Jon Hammer was the losing pitcher. He allowed seven runs in seven innings, struck out four and walked none. After being beaten 7-4 by Agincourt a few hours earlier the Halton Hills team came up flat against a flying high Barrie team. Again Halton Hills scored the first run. It came in the fourth inning on a single by Carl Yaroschok who promptly stole second and third and scored on a passed ball. Barrie came back with a run of their own to tie the game in the bottom of the fourth inning. The score remained deadlocked until the bottom of the tenth inning when Barrie scored a questionable run. The only man who could call the player safe did so and the game was over. The player who scored the run, his coach and Barrie fans admitted the player was out at the plate. Anyway, David Haynes was once again a standout on the mound for Halton Hills. Haynes allowed one run on two hits in six innings pitched. Jon Hammer took over in the seventh inning and allowed one run in four innings pitched.

## Baseball Eagles soar

In an exciting Halton County Baseball Association League game the Georgetown Eagles defeated Streetsville 10-9 Thursday at the Fairgrounds. Georgetown led the game for seven innings, only to have Streetsville go ahead by one run in the eighth inning. The score was 8-7. Georgetown tied the game in the ninth inning. Then Streetsville scored another run in the top of the tenth. On a perfectly executed suicide squeeze play Chris Chantler came home again to tie the game on Scott Williams' perfect bunt. Tim Chapman scored the winning run after an intentional walk for Chuck Peebles and a single by Maurice Kester. Georgetown pitchers were Chuck Peebles, Tim Chapman and Miguel Mora. This year the Georgetown midget Eagles are the most senior team in the Georgetown Baseball Association. They play against teams from Burlington, Brampton, Oakville, Milton, Erindale, Clarkson and Streetsville. Winning four of their last six games, the team has developed and improved tremendously since April through many practices and drills. However, a lack of consistency in hitting and pitching makes it difficult to play against AAA squads on a regular basis. The team is coached by Boyd Hodinot and Gary Mizener and managed by Blaine Mitton.

## SMILE IT'S DENTURE AWARENESS MONTH

Discover Your Denturist - The Misinformation Problem

Despite the widespread publicity that attended the efforts of denturists to secure the passage of legislation that would allow them to deal directly with the public, many people in Ontario are still not aware of what a Denturist is or what services he provides. Since 1970 and particularly since 1974, when the Ontario Legislature passed the "Denture Therapist Act, 1974", many of Ontario's citizens have directly realized themselves of the services provided by denturists.

"Denture Therapist"

Compounding the problem of public confusion is the fact that when the Provincial Government finally enacted legislation, they described the services provided by Denturists as "denture therapy" and designated the new dental health worker as a "denture therapist". While all members of the Denturist Association of Ontario are licensed "Denture Therapists" we often use the name "Denturist" because of its familiarity to the public. In addition, like other professions, advertising practices are restricted.

Although less-known than other professions, denturists have nevertheless provided an important health service to the people of Ontario. Not only does the denturist (Denture Therapist) provide a full range of denture services directly to the patient, but he provides this service at a cost that makes wearing dentures possible for many who could not otherwise afford them.

There are currently nine provinces and one territory in Canada where this service is possible. Besides Ontario, denturists in British Columbia, Alberta, Saskatchewan, Manitoba, Quebec, New Brunswick, Nova Scotia, Newfoundland and the Yukon Territory also have the same right to serve the general public directly.

Denture Awareness Month is sponsored by the Denture Health Profession through the Denturist Association of Ontario to inform families about dentures and denturists.
