

Over-30 Ball Hockey

Century 21 finished in first place overall in the Over-30 Ball Hockey League. As a result of this, the team was given the trophy for being the top team in the regular season. (Herald photo)

The top individual performers this year in the Over-30 Ball Hockey league were presented with their awards prior to the championship final played recently. Century 21 goalie Cecil Peacock was the top netminder (left) while the Keitner's Catering's Don Parker (right) was the league's top scorer and the Most Valuable Player in the playoffs. T-ball champions decided

The Fairgrounds were alive recently with excitement and anticipation. Youngsters and parents alike, were scurrying around in preparation for the final game of the season. The game to decide the

Forwards a priority

"I think we'll be alright. We'll be competitive, but just how good we'll be we don't really know now. We've got to make some changes in order to get some extra scoring punch on our other two lines. My number one priority, though, is getting a couple of big forwards. I think the defence can look after itself for the time being," Russiani said.

NOTES—Some of the new signings include Darrin Shaw, Rick Floto, Rod McClure, Todd Cull, Paul Cargill, Brad Demone, Tom Parcell and Mike McNiven. Mark Bunch and Gerry Potvin had both been released. Steve Wagner was in the Georgetown camp earlier this year, but has since gone to Milton Merchants and has done well enough that rumor has it Milton wants to sign the former Gemini and Acton Sabre. Russiani was pleased with the play of Actonite defenceman Paul Cargill Saturday. Russiani said Cargill is smart with the puck and doesn't easily get rattled. Of the Gemini's nine goals Saturday, three came on the power play...

grand champions. The McEachern Steering Specialties Rangers faced the Standard Products Tigers.

In the stands sat moms, dads, grandparents, GBA executive and fans of both teams, ready to cheer on their favorite ball players. Even the weather was more than cooperative in making this game a special event.

The two teams flipped for home team advantage and the Tigers took to the field. Steve Sheppard kept the Rangers' offense in check with some incredible stops and well executed plays, as did the whole Tiger crew, throughout the entire game. Jessica Redditt slammed out two good hits to spark the Tigers offensively.

The Rangers' Westley Blight and Brad Kouhoumjian scored two spectacular home runs apiece while Erin Snook dug in, and pulled out, two timely hits to demonstrate the Rangers' superb hitting power. Jamie Draper came all the way from his new home in Owen Sound to participate in the game.

Although both teams played terrific ball, a winner there must be and a winner there was. The Standard Products Tigers were the undisputed champs bringing the game to an end at a score of 33-30.

Every player on both these teams should be congratulated for their wonderfully entertaining efforts and for the improvements that they have made since the beginning of the season. A special thank you is in order for coaches Paul MacNeal, Cliff Sheppard, and Mike Wright of

the Tigers; and Dave Beavan, Jack Wallinga and Ed Kouhoumjian of the Rangers for devoting their valuable time, patience and experience to the development of our youth. Without these volunteers, a fun, recreational, educational sport, such as T-Ball would not be possible. Mr. Steve Norman must also be sincerely thanked for his valuable time spent in coaching, supporting and educating our umpires this year.

The following is a list of the champion and finalist team members for the Tigers: Jessica Redditt, Christopher Wright, Patrick Huibers, Carolyn MacNeal, Daniel MacNeal, Kevin Sheppard, Josh Cluney, Dava Ladda, Garrett Norman, Michael Simon, Frazer Brown, Blair Jackson, Jennifer Sheppard, and Steve Sheppard.
For the Rangers: Cory Constant.

Nicholas Barrett, Joey Burns, Jamie Draper, Nathan Martin, Andrea Pollock, Erin Snook, Michael Armstrong, Westley Blight, Bradley Kouhoumjian, Andrew Beavan, Shaun Eadie, Michael Wallinga and Derek Lanthier.

GMHA looking for pair of Directors

Continued from C1

house league system will run as per usual.

While juvenile and midget numbers are down, Pries said they aren't the only ones. He said the exact totals haven't been counted, but the numbers are down all over. Last year the GMHA had about 800 registered players, but this year that amount is about 150 players short to date.

The current registration shortage comes after the GMHA enjoyed success with its first-time implementation of a Spring session. Just under 300 individuals signed up shortly after the 1985-86 season ended, and Pries said its very likely Spring registration will be offered in the future.

"If we wait until the Fall we don't know what number of sponsors to go for and what ice time to book, he said. "If we wait we're guessing at best."

Georgetown isn't alone in experiencing its lack of registrants. Other centres too are having difficulties and the rumors are flying about communities dropping teams from rep competition due to the absence of players.

As for why registration is less than last year, Pries said it appear children are growing through the system and are finding other activities to do other than hockey. Pries also said not having non-contact at the house league level might be hindering registration too. But at a recent GMHA meeting, there was a lot of disagreement over eliminating

body contact for house league teams.

"I can't see why there is so much disagreement over non-contact in recreational hockey," Pries said. "Georgetown minor hockey is the only centre in Tri-County with contact in its house league. All the other 12 centres have non-contact in house league and don't have problems. The largest registered hockey group in Canada is the Over-35 non-contact hockey group."

NOTES—Interested individuals wanting to register in the GMHA are now required to go to 16 Fagan Drive and do so in person. The GMHA is still looking for two people to fill the pair of vacant Directors of Hockey positions that exist.

Puck loop looking for more teams

If your hockey team is looking for a place to play this winter, the American Motors Hockey League will be able to accommodate your squad.

The league is looking for contact hockey teams to compete this winter. Interested team officials are asked to contact Zeke McCandless Sr. at 877-4477 for further details.

SCOREBOARD

Bowling

This second instructional session of youth bowling has indicated more budding stars of the future in five-pin bowling. The four to seven-year olds had Hollie Cairns rolling a 100 game with Bryan Foster going her one better, a 101. The most consistent was Michel Avenault, a 227 triple (over 95 average). The bantams were led by David Howard's 506 and 191 single which was bettered by Joey Hobbichaud with 194. The best girls could do was Laura Doyle's 153. Robert Harrison in the first year in the juniors pulled in front with 504 and 212 as his best single topped only by Steven Hayden's 226 and Laura King's 238. Naren Doyle, after having been squeezed off the senior national team by a few pins after having won a silver medal the previous year, returned to the wars with a "never again" attitude. This produced a 212 and a 228 single closely followed by Julie McCorry with 212 and 202 (still maintaining a better than 200 average). The standout among the boys was Marc Basaric's 686 (271). There is still time for more registrations for 4-15-year-olds as teams will not be forming for another week. However, the time is getting short for the seniors as they have till the end of September to get into shape to enter the try-outs for the zone team of the YBC Senior-Mixed team to compete in

the provincials

The secretaries are making an urgent drive for the different adult leagues at Georgetown (list) to complete the roster of teams. Since some have increased the size of their league, there are still a few openings available. With beginners welcome, as a sample score of last week shows - lowest game 41 and a triple of only 207. So come and "Keep Fit - Bowl A Bit!"
