

Santa comes early

Santa Claus made a surprise visit Friday at the Free Skate held at Memorial Arena, much to the pleasure of the youngsters who were busy tying up their skates. Here Santa chats with four-year-old Allison Pearson (left) and Adam

Knight (right), also four. The Optimist Club of Georgetown is sponsoring the free skate events, which are held each time there is a professional development day. Representing the Optimists are (from left) Sandy Booth, Ted Rombough and John Shaw. (Herald photo)
