

# Sunny Acre Farms team continues with good play

Here's how it's done

Heather Allan, 7, gets a helping hand from swimming instructor Jon Newcombe, 16, at the Georgetown District High School indoor pool Saturday. The recreation department's learn to swim program is in full swing and many youngsters are taking advantage of the lessons.

Two wins and two ties for the Sunny Acre Farms major midgets hockey club collected the team six more points in their last four games to give the squad a 13-1-2 regular season record thus far. Tuesday the major midgets tied Orangeville 5-5 after being down 3-2 in the final frame. Dave Harris had a hat-trick and gained an assist. The other goals went to Mike Flynn and Rob Cooper. Assists went to Terry Dixon with a pair and singles to Cooper and Mike Ross.

## Major novices very hectic week results in a pair of victories

By RITA DAVIDSON  
The major novices saw plenty of action this past week as they travelled to Oakville on Wednesday. The fans were treated to a great game as Georgetown ignited and blasted Oakville 7-1.

Scoring for the red and black were David Boere, David Kalbarski (2), Marc Boucher, Paul Sandifer (2), Assists went to Scott Lahey, David Boere, Timmy Diardichuk (3). The whole team functioned well and displayed some very nice aggressive style drives to accomplish this well deserved win.

Thursday the team travelled during the blizzard to Milton where a very weary squad showed little life and lost 8-2. Scoring for Georgetown was Paul Sandifer from David Boere and Timmy Diardichuk from Josh Richardson and Fraser Thom.

Sunday at home to Burlington the North Halton team was anxious since these two teams frequently have very close games with lots of fast breaks. The first period was a goaltender's nightmare but Georgetown's David Pearson held off many a shot to blank the Burlington squad. In the second again it was very close but quick reflexes and fast skating from Marc Boucher to Timmy Diardichuk gave Georgetown the lead. Replacing David Pearson at half time was

Steven Heinz in goal and poor Steven was drilled as was David for Burlington, not used to being behind, was pulling the stops to at least tie.

Heinz defended beautifully as Georgetown never let up and continually attacked, never giving Burlington an inch of ice to set up their offensive drive. An outstanding effort by Paul Sandifer, Jeff Hewitt, Robbie Monckton, and Scott Lahey who made some memorable plays to clinch a victory. The final score 1-0.

Congratulations Steven Heinz and David Pearson on a fine shutout. May you have many more. Next game sees league leading Streetsville meet our North Halton Sports Novices at Memorial 6:30 Thursday for some great action hockey.

## Chateau bantams gain hockey split

Georgetown Minor Bantam "AA" Chateau Restaurant split their games this past week in the win and loss column. On Saturday Georgetown lost to Burlington 4-2. The score was not indicative of the play as Georgetown's two goals were scored in the final minute of play in the third period. Jim English scored on a nice three-way passing play with Rod Pasna and Wade Serjeantson drawing assists. Georgetown's final goal was

scored by Bill McDonald with Dale McNiven assisting.

Sunday Georgetown travelled to Oakville to win their first game after suffering two consecutive losses 5-2 in a "hard hitting" contest. Jim English put on quite a show for Georgetown scoring two goals and earning an assist on another.

English's first goal was from a soft shot to the stick side which appeared to handoff the Oakville goalie. Chad Bailey assisted. English's second goal of the game was a perfect shot to the top corner with Craig Cooper and Mike McElroy drawing assists.

Wade Serjeantson opened the scoring for Georgetown sliding in English's rebound. Dave McNiven and English drew assists. Georgetown's second goal of the game was scored by Cooper on a low slap shot between the goalie's legs, assisted by McNiven and Serjeantson.
