

# Free defensive driving test Dec. 1-7

Safe Driving Week is December 1 to 7. Over 100 Young Drivers of Canada centres across Canada are offering a free defensive driving evaluation to anyone holding a valid Canadian driver's licence. There's no obligation and, NO, we can't take your licence away. You will be amazed at what you'll learn! Make an appointment today.

Over 400 Young Drivers of Canada instructors will be watching for outstanding driving manoeuvres during this week. The "Defensive Driver of the Year", as chosen by YDC, will be rewarded with a fantastic car stereo system including AM/FM radio, cassette player, booster, equalizer and speakers, courtesy of PANASONIC!

Daytime use of low beam headlights can reduce your chance of a head-on collision by 20 per cent, rain or shine.

Young Drivers of Canada has been the forerunner of this practice since 1979. Sometime during Safe Driving Week, Young Drivers of Canada personnel will be handing out Canadian dollar coins to drivers as a reward for daytime use of low beam headlights.

Be seen and win! Traffic fatalities are the leading cause of death of Canadians under 34. Young Drivers of Canada wishes to help reduce this tragic figure by putting better defensive drivers on the road. For more information

on a free driving evaluation, contact your Young Drivers of Canada Centre today. Contact: Monique L. Vezina, Public Affairs Director, Young Drivers of Canada Head Office, (416) 422-5677.

## Support your United Way

The United Way is one of the largest voluntary organizations in North America. It began in Denver in the 1880's. In our area, the Hamilton-Wentworth United Way began in 1927 and joined with Burlington in 1965; Oakville United Way began in 1955; and the Milton United Way in 1982. The original idea, still valid today, is that it is better for one organization to raise funds for many member agencies than for these agencies to compete against each other in the community.

Each United Way stands alone, unlike most national charities. If a particular city does not do well in fundraising, other cities do not pick up the "slack". A shortfall in our campaign, results in reduced services to the community the following year.

United Way's greatest strength is its citizen volunteers. All decisions relative to United Way policy, funds allocation, agency admission, etc., are made by members of our community. Your United Way is fully accountable to the community. Audited annual statements regarding funds raised and their use are available to everyone.
