

**A secret wish?**

**'Please give Rudolph a kiss'**

Children in Georgetown were treated special Saturday in the downtown area where Santa Claus was waiting to talk to youngsters. He was at the Union Gas building on

Main Street from 11 a.m. until 2 p.m. Children could have their picture taken of Santa or just whisper a few important words into his ear. (Herald photo)

Dear Santa,  
What are you doing right now? I just can't wait for X-mas. Can you wait for X-mas? This is what I want for X-mas? Getto Blaster, tapes, Gt snow racer, walkie talkie, Lego Boards, Slop watch, TR-X, Indoor golf, the animator, Clue VCR game (VHS), Clue board game and thats all. I've been good most of the time.  
P.S. Write back please.  
-From Duane B

Dear Duane,  
You sound as excited as me! I get so keyed up over Christmas, that Mrs. Claus makes me run around the toyshop 10 times each night, so I can get tired enough for bed.  
Of course, it's also good training for when I take my annual trip south to visit you, Duane. This way I'll be fit, as much as a fat old man can be, for zipping down chimneys and running on rooftops.  
See you soon, Duane and look for me.  
-Love, Santa

Dear Santa Claus:  
Thank you for bringing me the Cabbage Patch playpen last year and the delicious candy canes. Could I please have one toy - Kid Sister and a loose tooth that wiggles a lot in my mouth. I still have all my teeth and I am in Grade One in George Kennedy. Thank you Santa Claus.  
-I love you

Dear Santa,  
Hello, my name is David and I'll be two in a couple of months.

Thankyou very much for the lovely gifts you left me last Christmas. I still play with them all!  
Mummy says I've been very good all year so I would like to ask for Big Bird this Christmas. Sesame Street is my favourite show and I just love Big Bird.

Since you enjoyed the cookies I left you last Christmas, I'll make sure there are some left out this year as well. I'll even help mommy bake them!

I hope you and Mrs. Claus have a very nice Christmas. Please give Rudolph a kiss for me.

-Lots and lots of love  
David Ashley

P.S. My mummy's been good this year as well, but she said having a little boy like me is the best present she could ask for

Dear David,  
That's my favorite name, David. You have a special mummy I can tell and she loves you lots and lots. Big Bird is one of my favourite characters and I even saw the movie twice!

P.S. Does mom know how to make coconut roll cookies? Just thought I'd ask. Hint, hint  
-Love Santa

Dear Santa,  
Thankyou for my Christmas presents from last year. Mommy is writing this letter as I am only 3 yrs old. Could you please bring me an animal watch, a shovel so I can help with the driveway. And I would like a small Pound Puppy. I want a play sword but I won't hurt anybody with it. Mommy says I need a new track suit. Grandma is getting me pyjamas this year, so Santa you don't have to bring me any. And I would like a play toy black cat also. Thank you Santa we will leave some milk and cookies out for you. I have tried to be a good boy this past year.

Dear Craig,  
It's so nice to hear from my little friends in Acton. Your choice of gifts sounds exciting. It's nice having a pound puppy to snuggle up to at night. Mrs. Claus says they're much easier to care for and they don't shed hair. I hate walking up here at the North Pole so I don't have a real dog. You must be a budding track athlete if you're wearing track pants. I'll try and bring you some of the gifts you've asked for. Be good to your parents.  
-Love ya, Santa

Dear Santa,  
Please bring me a furskin. I have been a good girl.

My Mom and I have been busy making Christmas cards for you. Hope you like them. Have a Merry Christmas.

- Love Mark

Dear Santa,  
Please bring me the Heart Family because I have been a good girl. I help my mommy and I am nice to my big sister. I am a good girl at my school and at my library class. Hope you and Mrs. Claus are well.

Love Laura

P.S. I am only 3 so my mommy wrote this for me.

Dear Mark,  
Ho, ho, ho, you're just a young tyke who likes his trike! I too like hockey and wrestling so I can understand your interest. Mrs. Claus can't get me away from the TV set Sundays when I watch all the sports. I know you've been a good boy, so I'll try to bring you some nice things this Christmas. Say hi to mom.

-Love Santa

Dear Laura and Jennifer,  
You are both such cute little girls and I won't forget you on Christmas Day. Laura, you are getting to be a good artist and soon you'll be able to write you're whole name. Because you have a Heart, I'll bring you the whole Heart family if I can find one in my workshop.

Jennifer, I'll do my best to hunt up a furskin. Thanks for your nice drawing. You are a fine artist, too!  
See You Christmas Eve  
Love Santa

Dear Santa,  
I would like Baby Talk, and a fridge and a microwave and a phone. And bring my baby brother a Fisher Price Lawnmower.

Thank you  
Love Crystal Moore  
4 years old

Dear Santa,  
My name is Mark Foster and I am two years old. I have tried to be a good boy this year.

Thank you for the trike you brought me last year. This year I would like a hockey game and a wrestling man.

Dear Crystal,  
How nice of you to write. It's especially good of you to think of your baby brother. Wouldn't he prefer a snow shovel to help his dad with the driveway? I don't know if I'm strong enough to lift a fridge, microwave and all those other gifts you want, but I'll do my best. I promise Christmas Day will be a happy one for you.

All my love,  
Santa
