With three wins each in the last week, Georgetown Junior and Sentor

girls volloyball teams advanced closer to a Halton championship. Both teams are undefeated in the four games they played this year. The most points any of their Halton opposition could score in a game was 10 points.

The Senior team defeated E.C. Drury 15-3, 15-3 Jan. 6; Perdue 15-9, 15-8 Jan. 8 and Loyola 15-5, 15-7 Jan. 12. The only losses the Seniors had last week and all season were at the University of Toronto Invitational Tournament Friday and Saturday.

their pool. The calibre of play was quite high at the tournament, coach Grant of good competition," Clatworthy said.

The Senior Rebelettes are the defending Ontario "AA" champlons. Four starters from that winning team have returned, but the team is still a different one. "We're not as powerful as last year. We lack the

It gave us a taste leadership on the court and Irvine provided hitting power, Clatworthy

For the Junior Rebelettes setters Julie Ross and Anna Toone played well for Georgetown last week, coach Shirley White said. Hitting was provided by Carolyn Stewart who was backed up by Teri Korzack and Lisa Carter.

The Juniors were as effective as the Seniors against their opposition last week. They defeated E.C. Drury Jan. 6 15-4, 15-0; Perdue Jan. 8 by scores of 15-1, 15-10 and Loyola Jan. 12 by 15-5, 15-4 margins.

"I don't think we've met the best competition yet," coach White said. The coach is waiting for a big hitting team to play her Juniors. The girls' serving, hitting and setting has been improving steadily since the beginning of the season, White said.

Last year the Juniors were undefeated in East Halton league play. They lost in the Halton finals. Six players from that team are still with Georgetown.

"I hope we go as far as last year," coach White said.

First Annual Classic.

A strong team from Ancaster went on to win the tournament. Acton met Ancaster in their first game and lost 50-24. High scorers in that game were Chris Burrell with 7 and Gord Taillefer with 6.

To reach the consolation final Acton had to defeat Blakelock, which they did 44-36. That game, like the consolation final was close until the second half when Acton pulled ahead. The high scorer was Gerry Turple who had 11 points.

The consolation final against E.C. Drury was won with ten seconds to play. Gerry Turple hit a jump shot and gave Acton a 43-42 lead. They

won the game 44-42. At one point in the second half the Redmen had a ten point lead. Coach Dave Boycott tried to play as many players as possible while in the lead.

The ten point advantage dwindled, and even with the first line back in the game, Actor could not recapture it. The momentum had swung in favor of E.C. Drury, coach Boycott said. Despite the loss of momentum Acton was able to hang on and win. High scorers in the final were Chris Burrell with 16 and Gord Taillefer with 9.

Junior Chris Burrell was also the high scorer for the Senior Redmen when they met Milton District High School Jan. 7 in Acton. Burrell led all Acton scorers with his 15 points in the 59-28 victory. Jeff White had 14 and Greg Winiarz had 12 points in

the contest. The Redmen Midgets also saw action last week. Thursday they were defeated 48-28 in Acton by Bishop Reding Secondary School. High scorer for the Midgets was John Wilson. Their record is now one win and two losses.
