"ADDERLY", an hour-long, action/adventure series taped in Toronto and produced by Orion Television Pictures in association with the Global Television Network, Robert Cooper Productions and Telefilm Canada, will be telecast weekly beginning with the premiere Monday, Feb. 16, 10-11 p.m., on Global.

Canadian actor Winston Rekert in the lead role of "Adderly" is joined on the series by fellow Canadian actors Ken Pogue, Dixie Seattle and Jonathan Welsh.

ment agent, "Adderly" was almost terminated when a sadistic adversary destroyed his left hand. Deemed too valuable to be let go because of his access to top secret information, "Adderly" was relegated to the department of "Miscellaneous Affairs".

As the only agent in this department, "Adderly" is saddled with cases nobody else wants to be bothered with. Wanting to rejoin the elite corps of agents, however, "Adderly" takes on each and every assignment with renewed determination.
