## Atom II's tame Lions

On an unpleasant Sunday morning the Georgetown Atom II turned out to the Mayfield Arena to challenge the Bramalea Lions and skated away with a 3-2 victory.

Taking their cue from an earlier exhibition hockey practice by a girls team, Georgetown fired shot upon shot at the Lions net. Georgetown's spirited team effort quickly paid off as Ryan Brain scored, assisted by Andy Marshall, within 90 seconds of the start.

Sharp passing and consistent positional hockey cornered the Lions in their zone for much of the first two periods. Aggressive pursuit of the puck produced further results as Andy Jones collected a goal on a rebound from a drive by Matt Deruchie in the second period.

Occasionally the Lions broke out, causing the Georgetown goalie, David Steer, to demonstrate a striding performance reminiscent of the soccer season. Most often, however, the Lions were subdued by Georgetown's rapid deployment of a defensive net.

Midway into the third period Georgetown needed a third goal to break a tied score. Brain and Marshall skated over the blue line and came through again with a big goal.

The final score read Georgetown 3, Bramalea Lions 2.

## Shemin squad drops decisions

In the second round of OMHA playdowns, Georgetown Shemin Nurseries Peewee "As" lost a pair of games 3-1 to Ancaster.

In two of their best attempts against the league leaders, Georgetown received superb goaltending from Peter Downs, good defensive plays from Claude Johnston, Peter Lee, Greg Dawson and Jeff Pettigrew, and great backchecking from forwards Craig July, Brad Tutt, Chad Hartman, Jeff Timmons, Chris Burns, Jake Poulstrup, Mike Oldreive and Steve Ciglen.

Scoring the goals for Georgetown were July unassisted, and Chad Hartman from Brad Tutt.
