## North Halton Novices impressive at Preston

**By RITA DAVIDSON**  
**Herald Special**  
During the weekend the North Halton Sports Major Novices travelled to Preston to participate in a major novice tournament. Their first game was against Milton, their league leading rivals. Totally dominated all year by this team, the fans and players hoped not to repeat past failures and give this team a good game. It was not a good game, it was a great game as Milton and Georgetown battled to a 2-1 final. Preston tournament people and all in the arena agreed better hockey than this was not easily found. Milton went out and scored two quick goals with only seconds left in the first. Then Georgetown shut down their big shooters and took control of the play. Always forcing the North

Halton team held the second period scoreless but planted one early in the third to bring it close. Goal by Paul Sandifer from Marc Boucher. Excitement was constant from then on but they could not tie it up. Even Milton had to admit after the game the vast improvement in the Georgetown club. Waterloo also gave Georgetown a great game with end-to-end action. Scoring for North Halton was Timmy Diardichuk from Fraser Thom and the second goal by Fraser Thom from Timmy. The final was 3-2 for Waterloo. The final game saw Georgetown meet Guelph with the final 4-2 for Georgetown. Scoring were David Kalbarski unassisted, Scott Truman from Timmy Diardichuk, Paul Sandifer got the third, with Marc Boucher scoring the final marker. All three games represented fine

hockey with Georgetown giving an excellent showing. Milton went on to win their division. Two Georgetown players were selected to represent the finest players on an "all star" team. Two teams of all stars would play in an exhibition game during the tournament windup. Marc Boucher and Scott Lahey represented their talents with the greatest of some twenty clubs. This is another example of why Georgetown produces some terrific hockey. Monday, March 2 the Tri-County playoffs began with North Halton hustling Burlington at Memorial. The North Halton club should have no problems finishing number one in this series if they play as well as they have in their last five games.

## Youth bowlers burn up alleys

Georgetown youth bowlers are still burning up the lanes. Saturday at Park Royal in Mississauga, the local junior girls team was led by coach Andy Parent to third place awards at the Zone Finals of the Youth Bowling Council National Championships. Coming home with winning plaques were Tracy Ball, Christina Lane, Andrea McNeely, Shari Lake and Kathy Miller. Coach Shirley Chaplin had her bantam girls team of rookie bowlers rolling every game over their team average. However, they understandably fell short of defeating the older experienced winners in their final year in the division. The eventual winners, the Brampton girls, had to beat out the best game of the day to beat out the two teams from Guelph (Town and

Country and Sportsmans). The local team gained valuable experience for next year's attempt. They include Kendra Bird, Julie Lounds, Tonya Morris, Sharon Shapcott and Carl Robichaud. Also, to get the feel of the intensity and excitement of championship competition, Georgetown supplies a pacer team of girls led by coach Robin MacLeod - Cindy Smith, Tanya Martin, Michelle Butler, Robin Zander and Laura Doyle. In Bolton Sunday, the meeting of the 'Best of the Best' from the different lanes in the zone produced some exciting finishes at the Y.B.C. championships. Georgetown's junior Tracy Weeks powered her way to a conclusive win with a 7-9 triple. This was a sweeter win as she defeated the girl to whom her sister

Sandy before moving to the senior division had lost by five pins. To keep Tracy Weeks company at the Provincial Finals, junior Brian Bell had to come from behind with a 292 third game to defeat Robert Bachus of Orangeville 637 to 668. The bantams also showed their mettle by being in close contention all the way in the Zone Finals. Taking second place awards were David Rivard who ended up just eight pins shy of Chris Wood of Oakville while Laura Doyle came within 12 pins of the champion. The next tournament the Georgetown bantam contingent is looking forward to is the Master-Bantam regional finals in Guelph on March 15.

## Shemin Nurseries split exhibition encounters

Waiting for Tri-County's to begin, Shemin Nurseries Peewee As played a two game exhibition match with Streetsville with each team winning one game. In the first game, Georgetown lost 3-1 with Jeff Timmons scoring from Mike Oldreive. In Streetsville Georgetown came back to win 8-5 with fast action and scoring credited to Chris Burns with two, Oldreive, Timmons with two, Craig Juby, Chad Hartman, Jeff Pettigrew with assists going to Brad Tutt with four, Pettigrew, Hartman

with two, Juby with two, and Peter Lee. In Saturday playing the first game in Tri-County Playoffs against Orangeville, the locals recorded the victory with a score of 4-2. In the first period, Tutt scored unassisted with Juby netting the second on passes from Pettigrew and Hartman. Timmons made the score 3-1 in the second assisted by Claude Johnston. Orangeville came back to score twice before Greg Dawson put the fourth goal behind the Orangeville goaltender assisted by Timmons.

## Optimist peewees defeat Flamboro

In starting the round robin series of the Tri-County playdowns, the Optimist Minor Peewee AAs were more than ready, when they took on Flamboro Saturday night. Early in the first period, Ryan Pells tucked a nice one past the Dundas goalie, assisted by linemates Jeff Wright and Greg Dohbin. A short time later, Andy Elliott moved in on the net and slipped a beauty between the posts. In the last minutes of play, Pells again put a marker on the home team's scoreboard, set up by Wright to make the second period Georgetown's all the way. In the third, Dundas sprung back to life with three unanswered markers before Ken Kosziwka popped in an insurance marker with only two minutes left in the game. Marc St. Pierre played extremely well between the posts, keeping Dundas off the scoreboard for a good portion of the game.

## Lions shade Angels

**By RITA DAVIDSON**  
**Herald Special**  
During league playoffs The Herald Angels have had a tough schedule. Winning against the second place club in their first outing they met the first placed Lions Club this week. The Lions came out and took advantage of The Herald's slow start to capitalize with three quick goals. The Herald Angels never give up and during the last period they im-

pressed officials with their team play and fast breakouts. Tallying first was Curtis Hoogenboom from Shane Thompson and Allan Rasmussen, followed shortly thereafter by Brad Davidson with assists to Curtis Hoogenboom and Mike Crawford. The Herald team proceeded to carry the play throughout the third but excellent goaltending by Reid Scott for the Lions prevented their win. The final score was 3-2 for the Lions.
