## ASTRO-GRAPH

Financial prospects will show improvements over the coming months. However, you must keep your extravagant tendencies in check so your outflow doesn't exceed your income.

**PISCES (Feb. 20-March 20)** Money could burn a hole in your pocket today; there is a possibility you might buy something expensive for which you'll never have a real need. Major changes are ahead for Pisces in the coming year. Send for your Astro-Graph prediction today. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

**ARIES (March 21-April 19)** Don't try to camouflage your motives and intentions today. Others will respect you more if you are honest about your desires.

**TAURUS (April 20-May 20)** Friends of long standing can be taken at face value

today, but guard against being too glib with your newer acquaintances.

**GEMINI (May 21-June 20)** You should be rather lucky today at achieving competitive objectives. However, if you lord it over an "also ran," you'll make an enemy.

**CANCER (June 21-July 22)** You may make a commitment today that you might want to wiggle out of after further study. Your image will suffer if you do.

**LEO (July 23-Aug. 22)** In a joint venture today, be sure you carry your share of the burdens if you hope to share equally in all of the rewards.

**VIRGO (Aug. 23-Sept. 22)** Judge people and situations for yourself today instead of being unduly influenced by the likes and dislikes of your companions.

**LIBRA (Sept. 23-Oct. 23)** Guard against inclinations today to reward the underserving while overlooking people to whom you should really be generous.

**SCORPIO (Oct. 24-Nov. 22)** Tasks which require your fullest physical and mental energies should be scheduled for early in the day since you'll start to fade by afternoon.

**SAGITTARIUS (Nov. 23-Dec. 21)** If you are performing a service for another today, don't overestimate or underestimate your worth. In either case, someone will be upset.

**CAPRICORN (Dec. 22-Jan. 19)** You'll be adept at managing your own affairs today, but you might not be too swift at calling the shots of others. Stay out of their business.

**AQUARIUS (Jan. 20-Feb. 19)** In your commercial dealings today, don't try to take advantage of anyone. By the same token, be alert so that a sharpie doesn't do a number on you.
