Wheelchair b'ball

There is a possibility of a wheelchair basketball team being formed, which will play out of Milton this summer.

The Physically Handicapped Citizens Association has announced a donation of six sports wheelchairs that could be used for the team.

The first step in forming the team is to determine if there is enough interest, according to Pat Wood, president of the association. A team might be comprised of both able and disabled players, she says.

The association is presently preparing for a wheelchair basketball tournament which is planned for May 13 at E.C. Drury High School in Milton.

The E. C. Drury gym has been named as the home court for the new entry, should a team be formed.

Anyone interested in finding out more about the wheelchair basketball team should contact Pat Wood at 877-1436.

Youth ball hockey

The Halton Hills Recreation and Parks Department is considering the possibility of setting up a daytime Ball Hockey League for youth during July and August.

This league, however, is dependent upon sufficient interest.

Call 877-5185 ext. 250 and leave your name, address, age and phone number.

Mind your mouth

An athletic mouthguard clinic is being held April 4 from 9 a.m. - 2 p.m. at the Delta Meadowdale Inn.

It's Dental Health Month in April and the Halton-Peel Dental Association is offering free athletic mouthguards. Molds will be taken while you wait but an appointment must be made in advance.

Call 1-275-8338 for more information. The Delta Inn is located at the corner of Highway 401 and Erin Mills Parkway.

Athletic mouthguards are recommended for contact and racquet sports by the dental association. The clinic is free to residents of Halton and Peel.

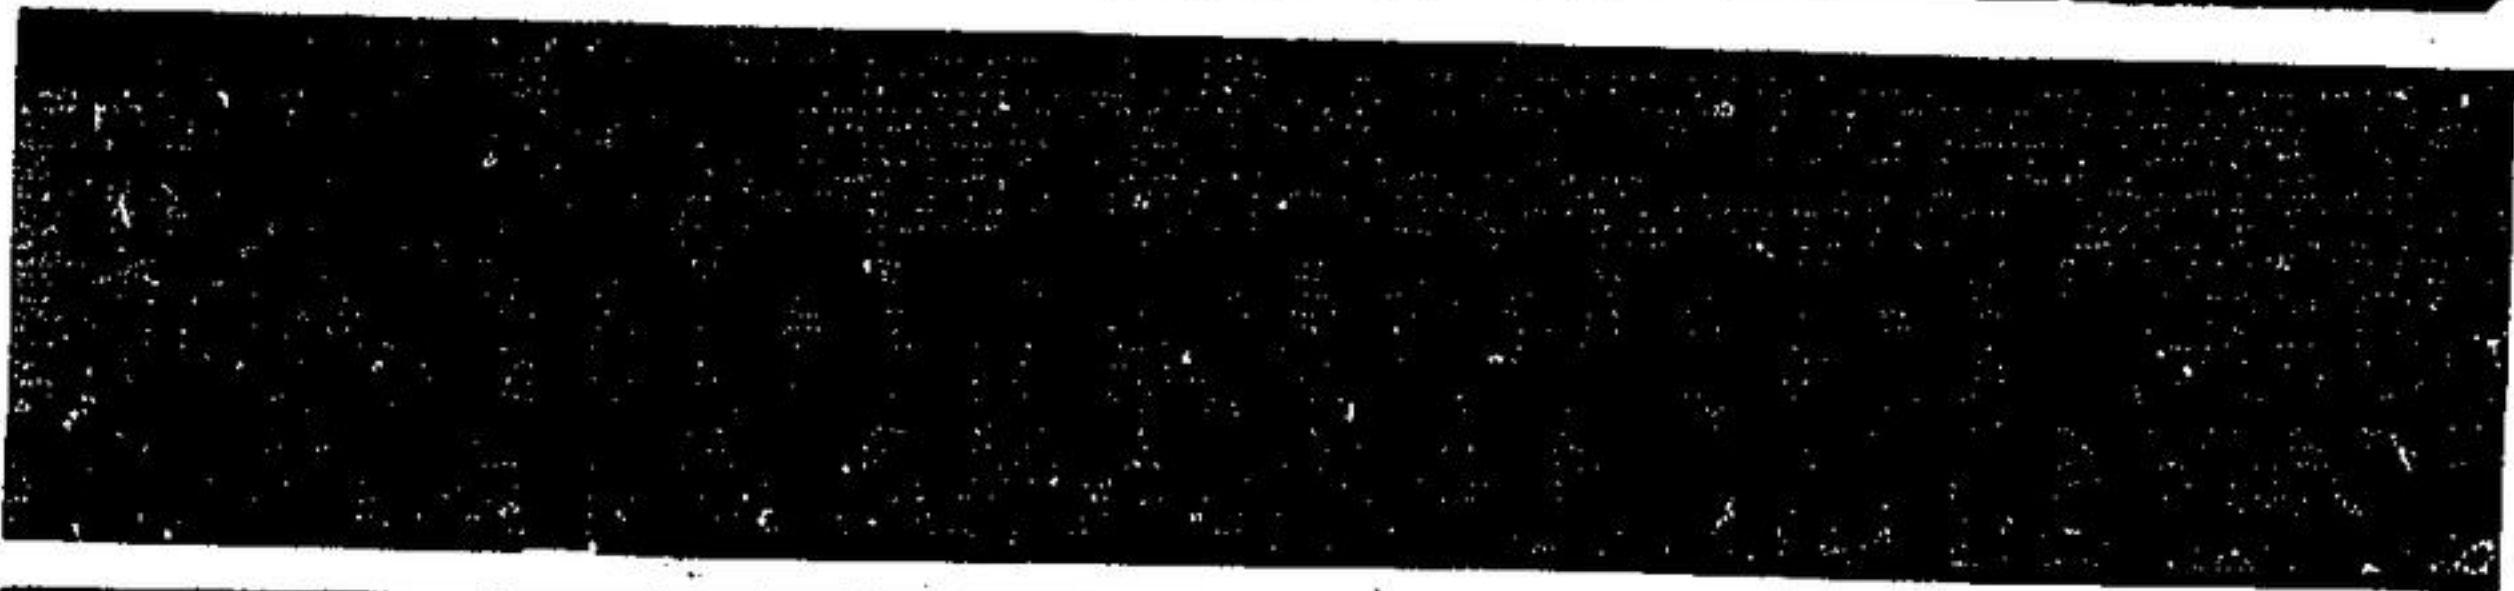

Bridge scores

Duplicate bridge is offered for those interested, at the Georgetown Legion (upstairs) every Monday afternoon at 1 p.m. except when a holiday falls on a Monday.

There are free refreshments and partners if needed. Free play will be given for winners in first place.

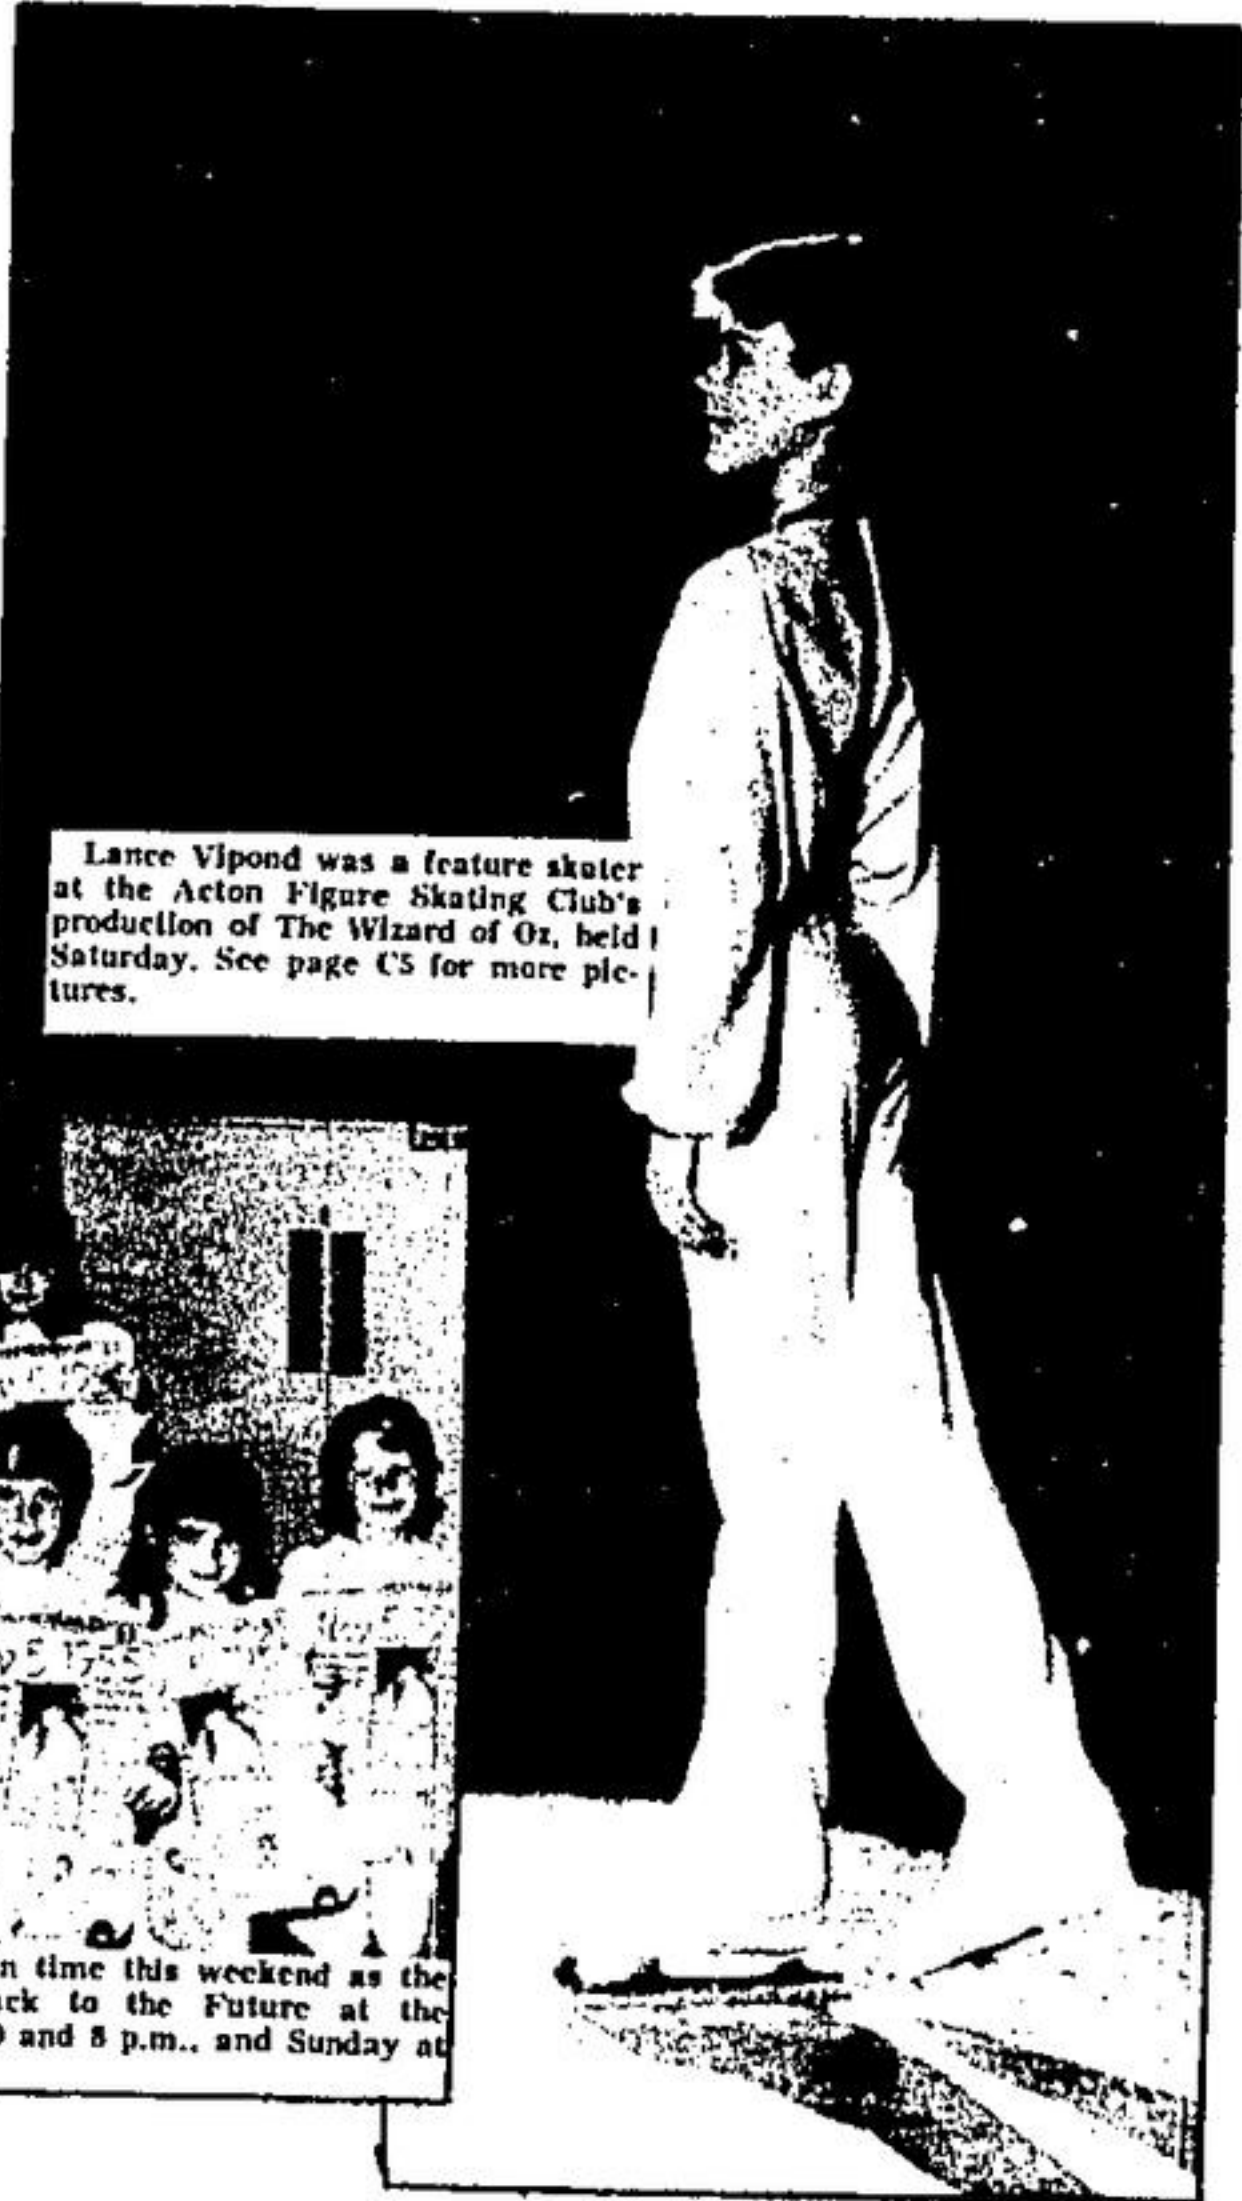

Winners for last week are: first, George Farrow and Norma Maynard, second, Alice Walker and George Sargent, third, Carl Ryder and Bill Scannell.

April 13 will be a free wind up bridge day.

The Kinsmen goalie had all kinds of help keeping the puck out of the net on this play, during the novice division final of Georgetown Minor Hockey's Day of Champions. See page C4 for summaries.

A picture-perfect week in sports

Lance Vipond was a feature skater at the Acton Figure Skating Club's production of The Wizard of Oz, held Saturday. See page C5 for more pictures.

These young skaters are ready to step back in time this weekend as the Georgetown Figure Skating Club presents Back to the Future at the Memorial Arena. Showtimes are Saturday at 1:30 and 8 p.m., and Sunday at 1:30 p.m., and some tickets are still available.
