"Each year brings us closer to a cure for cancer."</p> <p>The money raised during the Society's Annual April Campaign will fund existing research programs as well as the Society's ongoing Education and Patient Services programs. At present, Education programs receive 14 per cent of the Society's income, Patient Services 20 per cent, Administration and Fund Raising 11 per cent, and Research funding accounts for the remaining 55 per cent.</p> <p>"The Society's 1987 slogan - 'Cancer Can Be Beaten' - reflects the belief that a cure will be found for this disease," said Mr. Zinkewich. "There are many types of cancer for which we have made tremendous advances in treatment, but we still have a long road ahead. We are winning because the support we receive allows us to make progress in the fight against cancer."</p> <p>*These figures represent Ontario Division expenditure based on a request 10 year average.</p>		<p>A Division of WEST INSURANCE LTD.
