TRIVIA

What's a Tongue Linger? It's a tongue that hangs out of a giraffe's mouth.

What's a Talker? Giraffes, the tallest animals on earth, have tongues measuring up to 21 inches long, says National Geographic World.

Don't speak to me! (but I'm not!) - I'm a giraffe!

Keep It Quiet! Women in Iran are prohibited from speaking casually to men other than relatives, and couples seen together may be required to produce a marriage certificate or face arrest, says National Geographic.

Trigler's Cell Division
A biologist at the University of California, Davis has identified what may be the mechanism triggering the start of development in fertilized frog eggs. Much the same mechanism may also play a role in human development and also in cancer.
