Optimists drop two games at Markham tournament

The Georgetown Optimist Minor Pee Wees visited Markham for a one day tournament recently. The team was on the ice at 8 a.m. to play the tournament host. This was an excellent two-way effort by both teams. Markham went ahead 1-0 with 2:39 remaining in period one and it wasn't until there was 3:40 left in the game that Jake Mashinter's shot from the point found the mark to tie the score. Eighteen seconds later Markham scored the go-ahead goal and appeared on their way to certain victory. However, with 2:35 remaining Chris Barrow tied the score on passes from Jeff Wright and Steven Wright. So at the end of regulation time, the score stood 2-2. Unfortunately Markham scored

the sudden death winner early in overtime to advance in the tournament competition. Georgetown's goalie, Tommy Diardichuk stopped a hard shot on the inside of his knee and had to be taken to the hospital for observation. Fortunately, it was only a bruise. Marc St. Pierre took over in net for the remainder of the contest and was named Georgetown's most valuable player. The early morning game seemed to take all the energy out of the Optimists as they bowed 9-1 to Richmond Hill in their 12:30 game. Greg Dobbin scored the only Georgetown goal, unassisted. Shawn Curry was named Georgetown's M.V.P. Good luck to the team in their last tournament in where else-Richmond Hill!

Reunion set to go

Neil Cotton, Wayne King, Bill Bingham and Bryan Lewis have arranged a Centennial Hockey Tournament to commemorate GDHS 100th birthday. Georgetown has become famous in the Hockey World as the Home of the Little NHL. Former Alumnus Gordon Alcott was founder of the Little NHL and many of the top stars in hockey have played in the ranks, Bobby Orr and Wayne Gretzky being two examples. Georgetown is proud of Bob Goldham and Paul Popiel, two former NHL'ers.

The fun night is on Friday, April 10 at the Gordon Alcott Arena. Play starts at 7 p.m. It is hoped that players of different years will form their respective teams. Cotton says, "We have four teams ready to go into action. It should be lots of fun. A nominal cost will be charged to cover ice time expenses." Groups of former and present students and teachers should get in the centennial spirit and make this event a success. Come one, come all and Celebrate.
