## Swimmers do well in Port Elgin

By JAMIE HARRISON  
Sports Special

With the traditional "Swimmers take your marks!" the gun was sounded and the race was on, as the Halton Hills Blue Fins compiled impressive results at the Southport Optimists Swim Meet, held in Port Elgin last weekend.

This meet was international in scope, with eight teams competing, which included the Base Borden Barracudas, the Breakers Swim Team, Lakeshore Swim Club, Owen Sound Y Aquatic Club, Roseville Brablie Barons (United States), St. Thomas Jumbo Jets, and the Woodstock Y Swim Club.

The meet produced some impressive performances as nine personal records were broken, or in some cases, shattered.

The blue Fins decided to attend this meet in lieu of a trip to the CASA Quad A Championships in Thunder Bay, mainly due to the long distance they would have to travel, and the transportation and accommodation costs involved.

It was the feeling of parents, club executive members, and especially

the swimmers that the organizers of the Southport Optimists' meet should be commended for sponsoring a meet of such a high calibre. And with the other clubs providing stiff competition, the meet turned out to be very exciting.

A number of people, working on behalf of the local club deserve special thanks, including Peter Oomen who looked after hotel accommodations, attending coaches Tiffany Goodlet and Tina Newman as well as coaches Jill Lusby and Rob McGuigan, who were unable to make it to the meet, Keith Gillett and Geoff Newman for their invaluable assistance, and club president Lynda Gillett.

Glen Oomen was first in the 100m freestyle; second in 400m freestyle, 200m individual medley, and 100m backstroke; and third in 100m butterfly.

James Young was second in the 100m backstroke; third in 50m butterfly and 200m individual medley; and fourth in 100m freestyle.

Kristen Herner was third in the 100m butterfly, while Matthew Zuraw was third in the 100m

breaststroke and 200m breaststroke; fourth in the 200m individual medley; fifth in the 100m butterfly; and sixth in the 100m backstroke.

Terry Harrison managed a third in the 100m breaststroke; fourth in the 200m breaststroke, and 50m freestyle challenge; fifth in the 100m backstroke; and sixth in the 100m freestyle.

Andrea Herner was third in the 100m backstroke; fifth in the 50m butterfly; and sixth in the 200m breaststroke.

Cindy Eccels had a good weekend with third in the 400m individual medley; fifth in the 100m butterfly; and sixth in the 100m freestyle, 200m individual medley, and 50m freestyle challenge.

Nell Scudder had fourths in the 50m butterfly, 100m backstroke, and 200m individual medley.

Robert Weston was fourth in the 100m breaststroke; and fifth in the 100m backstroke and 200m breaststroke, while Alison McEwan was fourth in the 100m backstroke.

Other Halton Hills swimmers included Brandi Gillett who was fifth in the 300m freestyle; Thane Goodlet, fifth in the 100m backstroke; Emily Tabuchi, sixth in the 400m freestyle; Sabrina Bassett, sixth in the 100m breaststroke; and Dawn Newman, sixth in the 200m breaststroke.

Other Blue Fins who worked hard at the meet were Chris Adamo, Sandy Ball, Dion Benito, John Brennan, Jennifer Eccels, Amy Kerslake, Heather McEwan, Susan MacFarlane, Noreen Orilla, Mark Rattenbury, July Robertson, and Monica Smith.

New club records were set by Glen Oomen, Dion Benito, Brandi Gillett, Dawn Newman, Emily Tabuchi, and Terry Harrison.

The swimmers were taking this past week to wind down and rest up for their next meet which is this Sunday in Ancaster.

## Leisure Lines

It is one of the mandates of the Recreation and Parks Department to encourage residents who volunteer for local recreation and sporting organizations to participate in Coaching and Developmental Workshops and Clinics.

It is our belief that the organization, its participants, and ultimately the recreation and sport will improve, fostering a greater sense of identity and pride in our community.

In addition to sponsoring workshops and clinics in the community our department will financially subsidize any volunteer who is presently involved, or intends to become involved, in a local recreational or sporting organization, when they successfully complete a training workshop.

The Sport Governing Bodies of Ontario also keep us informed of workshops and clinics available in neighbouring municipalities so we may encourage our volunteers to attend.

In 1986, 72 residents took advantage of our half-back training subsidy program.

In addition to increasing the pleasure of participating to those already involved, it is also a mandate of our department to provide affordable programs so all residents can participate in recreation.

We do this by offering discounts to these in need.

Any Senior Citizen or disabled person in Halton Hills receives a 50 per cent discount to participate in a department program with the exception of those programs designed for seniors or disabled persons as the discount is already built into the fee.

Children of low income families who require financial assistance to participate in our programs are eligible for a subsidy. The Optimist Club of Georgetown financially assists our department annually so children of low income families can attend our summer programs.

Children registered in our summer programs for the entire eight weeks are eligible for a 10 per cent discount. Our department also offers a family discount of 10 per cent for each additional child of the same family when they participate in the same program session.

Our department feels there are many benefits of participating in recreational opportunities. Through our training subsidy and discount program we hope to improve the quality of life in Halton Hills by encouraging all residents to get involved.

If you would like more information on coaches and training clinics or recreation programs please call 877-5185 ext. 260.

## THREE MONTHS FROM NOW YOU'LL BE GLAD YOU BOUGHT LENNOX CENTRAL AIR CONDITIONING

Much as we at Boehmers try to respond quickly to the needs of our customers, you may still have to wait a while during the hot summer months for your Lennox central air system to be installed.

But if you order now, then you'll be relaxing in cool comfort while your neighbors wait for days, even weeks, to get their unit installed during the summer rush.

It's always smart to plan ahead. And it's smart to choose Lennox central air. Why? Call us today and we'll outline the benefits of this outstanding investment in your home (and in your comfort too!).
