

Young Outlook

The word "saw" is only one of many three-letter words beginning with the letter "s." Without using a dictionary, see how many three-letter words (beginning with the letter "s") you can come up with. We thought of 20. Can you do better?

SCRAMBLE

Each group of letters, when unscrambled, will form a word associated with railroads.

POWER SAWS

The shadow at left exactly matches only one of the electric saws pictured. Can you find the match?

Wherever you see two H's together, scratch them both out. Do the same where you see two T's together. After you've scratched out all the double H's and double T's, the remaining letters will spell out a message when you write them in the spaces provided.
