

A Thessalon player holds up his arms to signify a goal during action Sunday in the Ontario juvenile consolation round. Thessalon beat the hometown Jr. Geminis to win the title, while Streetsville beat Willowdale to take the championship title. (Herald photo)

Trojans, Mustangs even up series

The Trojans and Mustangs have fought back in the Georgetown Ladies Basketball League to even their best-of-three final series at one game apiece.

In action last Wednesday, the Trojans were sparked by the 19-point performance of Boo Tufford, as they nipped the Cougars 66-63, to tie their championship final at one game apiece.

In the consolation round, four players hit double figures for the Mustangs as they downed the Capricorns 58-49, deadlocking their

series at one each as well.

Both series will be decided tonight (Wednesday) as the third and deciding games will be played.

Tracey Yorke and Judy Thomson both scored 15 points for the winning Trojans, while Alice Ogden had nine, Tracey Gerber contributed eight, and Mary Kelly added two.

For the Cougars, Chung Kim had 25 points, Anita Stankus chipped in with 20, Jackie Dennis had six, and Laurel Heinz, Joanne Dennis and Patti Barton all had four.

Natalia Pacheco led the Mustangs

in their victory as she dropped in 16 points. Rebecca Caverly and Laura Young were both good for 13, Susan Tesar had 10, Michelle Kees added four, and Daiga Zelek had two.

Ten players shared in the scoring for the Capricorns, led by Marie Smith's 13 points. Wendy Moore had eight, Donna Greenwood, Carol McTaggart and Lorraine Brown had six apiece, Mary-Ann Harrison and Janet Tilton had four each, Sandy Schotey contributed three, and Joanne Shorthill and Enid Gledhill had one each.

Tennis anyone?

Spring is here, so why not consider getting into the swing of things by taking some tennis lessons?

The Recreation and Parks Department has lessons for both youth and adults, beginner and intermediate players and a choice of one or two lessons per week.

Programs begin the week of May 5 at both the George Kennedy Public School courts and the Joseph Gibbons Public School courts. Spaces are limited so players are encouraged to sign up early.

Refer to the schedule below for times and locations. Call 877-5185 ext. 260 for more information.

LOCATION	DAY(S)	TIME	STARTING DATE	NO. OF WEEKS
Junior Beginner				
George Kennedy	Sat.	9 to 10	May 9	6
George Kennedy	Sat.	10 to 11	May 9	6
Joseph Gibbons	Tues. and Thurs.	7 to 8	May 5	3
George Kennedy	Mon. and Wed.	5 to 7	June 29	3

Goodyear Dyna Torque Radials

Sometimes you have to spend money to save money.

The Reason

There are a couple of very good reasons why Goodyear's Dyna Torque Radials cost more than ordinary bias ply tractor tires.

First of all, test results prove that Dyna Torque radials mean considerable time saved, both with improved traction and in the field. And since time is money, that translates into major savings over the life of the tires.

As well, those same test results show that tractors equipped with Dyna Torque radials save as much as 9% on fuel bills, versus conventional tires.

All of which goes to show that though you may spend a little more in the short run, you save a whole lot more in the long run.

The Reward

\$100.00* Manufacturers Rebate...

And if you buy our Dyna Torque radials before June 30, you'll save even more: \$100 to be exact. A \$100 manufacturer's rebate per tire from Goodyear to you.

Make your best deal with a participating Goodyear retailer, then receive a \$100 rebate directly from Goodyear.

Think of it as a little reward for choosing the best radial tractor tire in the field.

GOOD YEAR
Takes you home.
