### Deciding games played Sunday

Genoe ReMax blanked Station House 3-0 Sunday to win the deciding game in a best-of-five Halton Hills Hockey League championship series.

The win marked the climax of an impressive comeback by ReMax after they dropped the opening two games of the series, and then won three in a row for the championship.

In the divisional final, also played

Sunday, King Submarine doubled up on Arnie's Body Shop 4-2 to take that best-of-five set three games to two as well.

The Genoe squad scored a goal in the second frame and added two insurance markers in the final frame to ensure the victory over Station House.

Mark Duval opened the scoring in the second period, and Genoe held

onto the slim one goal lead until Dave McGilloway gave them a little breathing room.

McGilloway picked up a loose puck in his own zone, and carried it up right wing where he sidestepped a sprawled defenceman, and then lucked a shot in over the Station House goalie, who had gone down.

Then, with Genoe leading 2-0, Todd McIntyre rounded out the scoring as he connected with a slapshot from just outside the slot area.

In the match between King Subs and Arnie's, Marty Weaven clicked for a pair of markers, while singles went to Craig McLaughlin and Kevin Hackett, of the winners.

For Arnie's, Pat Tunney and Arnie Lefebvre replied, with goals in the final period.

Only five minor penalties were called in the match, three against Arnie's.
