ASTRO-GRAPH

BERNICE BEDE OSOL

AURUS (April 20-May 20) Your easy-going nature could invite those with whom you're involved to demand more of you today than is reasonable. Put your foot down. Trying to patch up a broken romance? The Matchmaker set can help you understand what it might take to restore the relationship. Mail \$2 to Matchmaker, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428.

GEMINI (May 21-June 20) Half measures won't do the trick today if you are faced with challenging developments. They will require all of your smarts if you hope to succeed.

CANCER (June 21-July 22) Today, looking at issues only from the perspective you wish to view them will distort the true picture and invite unwise decisions.

LEO (July 23-Aug. 22) Guard against being deceived today by a shrewd who is shrewd enough to make worthwhile concessions to reap the real gains.

VIRGO (Aug. 23-Sept. 22) You may be called upon today to fulfill a promise you made that is difficult to keep. You'll win the respect of friends if you strive to honor your commitment.

LIBRA (Sept. 23-Oct. 23) Heed your own counsel today, because your ideas for either making or saving money are apt to be better than the well-meaning advice of an associate.

SCORPIO (Oct. 24-Nov. 22) Exercise self-discipline today in an area where you occasionally overindulge. You can do it without restricting your fun.

SAGITTARIUS (Nov. 23-Dec. 21) You may be caught today between two hostile factions. If the situation isn't handled wisely, you might end up the fall guy.

CAPRICORN (Dec. 22-Jan. 19) People with whom you'll be associating today are likely to be wrapped up in their own concerns. They won't be too eager to hear your tale of woe.

AQUARIUS (Jan. 20-Feb. 18) Before saddling yourself with new obligations, make sure your old ones are under control. Why create future frustrations?

PISCES (Feb. 19-March 20) Associates whose cooperation you thought you had locked up might disappoint you today when they show a reluctance to go along with your plans.

ARIES (March 21-April 19) Be careful about making last-minute changes in your schedule today. They could prove convenient for associates, but they may not serve your best interests.
