## North Halton golf club hosts first major tourney

The Canadian Professional Golfers Association of Ontario opens its 1987 Tournament Season on Monday May 11th at the North Halton Golf and Country Club in Georgetown. The inaugural event - The 13th Annual Rolex Pro Championship fields 72 teams of Ontario's top professional golfers in a Best Ball stroke competition.

Last year four teams tied at 66 after regulation play forcing a playoff that resulted in the team of Steve Bennett and Dave Bedour of Huron Oaks birdying the fourth extra hole for the Championship. This year, in addition to Steve and Dave defending their title, you will be able to see past champions Gar Hamilton, Moe Norman and Al Balding as well as other top players competing for the Rolex Champion-

ship. To facilitate play a shotgun start at 11:00 a.m. will make it easier to view your favourite players. To reach North Halton Golf Club take Highway 401 to Trafalgar Road (Oakville), go north 5 miles to Maple Avenue in Georgetown.

For further information about the Rolex Championship or the other events sponsored by the Ontario Professional Golfers Association and many other dedicated Sponsors, as well as general information, please contact: Mr. Chuck Huttan, Executive Director, CPGA of Ontario, 705 Progress Ave., Unit C, Scarborough, Ontario, M1H 2X1, (416) 438-0970.

There's great golf in Ontario - You will be surprised how close you are to it!

**A Look Back**  
QUESTION  
A small but enthusiastic crowd hurriedly gathered May 8, 1982 to greet the Bantam national team champions for their victory in Saskatoon the previous week. What championship did the Bantam team win?  
ANSWER  
The 5th national bowling championship.

### New teaching device

A new teaching device which will help people better understand the rescue technique of artificial respiration was unveiled in Burlington yesterday, as part of the Lifeline '87 Conference, running through the weekend.

The new device, known as the Actar, is considerably different from conventional mannequins that have been used in life saving courses.

Actar has a hollow plastic head, and an exposed respiratory system which shows students how the lung inflates and deflates. The lungs are interchangeable, so by interchanging the apparatus, students can simulate applying artificial respiration to an infant.

The Actar was designed by three Canadian industrial designers, and is to be marketed by the Royal Life Saving Society in Ontario.

The Lifeline '87 Conference continues until Sunday at the Holiday Inn in Burlington.

Anne Ramsay began work Monday with the Halton Hills recreation and parks department as co-ordinator of summer programs.

## Meet Anne Ramsay

Anne Ramsay is our Co-ordinator for Summer Programs this year. She started her new position this past Monday with our Department and she is extremely excited about this upcoming summer.

Anne has worked for our Department for the past six years with both Summer Youth Programs and with our Aquatics Programs. Last summer she was the Supervisor of our Leadership Development Program and the Travelling Activity Centre Van. This past fall, Anne was the Assistant Manager of the Georgetown Indoor Pool and she assisted with the Halton Board of Education Aquatic Programs.

Anne is an avid runner and swimmer. She also enjoys cycling and cross country skiing. In the fall she plans to return to Queens University to complete a Bachelor of Arts.

The following is a preview of the Summer Programs Anne is responsible for supervising.

**SUMMER PREVIEW**  
Plans are already underway for this upcoming summer. The theme this year is "Let the Good Times Roll!". Back by the overwhelming response from last year are the Children's Theatre Camp and the Make A Movie Programs.

**Children's Theatre Camp** uses professional resource people to conduct workshops in movement, mime and voice. A playwright comes in to assist the participants in writing their own script. Last year's play was entitled "Are We Having Fun Yet?" and it proved to be an entertaining and fun finale.

**Make A Movie** is offered in conjunction with the Halton Cable Systems Limited. Participants will have the opportunity to learn some concepts of studio taping and lighting in preparation for their television show.

The introduction of Bus trips is new this summer. Four major trips have been planned for the last four Tuesdays of the summer. Destinations include Bingham Park in Kitchener, the Metro Zoo, Ontario Place and Bronte Creek Provincial Park in Burlington.

Athletic Adventures Acton is a new program offered from Prospect Park. Some activities scheduled to date include baseball, soccer, ball hockey, roller skating, tennis, canoeing, swimming and hiking. Two one week sessions are offered to children 7 years and over.

For information on these and other programs contact the Halton Hills Recreation and Parks Department at 877-5185 ext. 260.

## Gordon Alcott club begins tennis season

The Gordon Alcott Tennis Club officially opened on the weekend. Junior tryouts for the club's Inter-County team were held with Ed Serjeantson serving as convener for the squad.

Matches start May 9 for juniors, May 11 for ladies, and May 19 for the club's mixed teams.

House league play will start May 27, and captains will be contacting team members between now and then.

Any questions regarding the house league program should be directed to convener Don Henderson at 877-5744.

Among the upcoming events to remember is the club singles tournament scheduled for June 26-28. A doubles tournament will be held in August and a mixed tournament is being planned for September so watch for those dates.

The courts will be closed May 11 in the afternoon until the morning of May 19 for repair work.

A Remington Father and Son Tournament will be held June 20-21, with action getting underway at 9 a.m. both days.

For further information, contact president Norma Maynard at 877-8010.

### Tennis lessons

There are still openings available for Saturday morning Tennis Lessons for Youth. The first lessons will be this Saturday, May 9th at George Kennedy Public School. Interested participants should register today.

Call the Halton Hills Recreation and Parks Department at 877-5185 ext. 260 for more information.
