

## Recreation rap

### Pepsi Wilson tennis league

Halton Hills is once again fortunate to have the opportunity to host the Pepsi Wilson Minor Tennis League.

We are one out of 40 sites across Canada to have this honor.

With the support from Pepsi Cola, Wilson Sport of Canada and Tennis Canada, youth 8 to 16 years will learn how to play tennis. No need to buy a racket as all rackets, balls

and t-shirts will be provided for participants.

This year the program will be run in both Acton and Georgetown. This program is four weeks in length, one day a week, starting July 27, 1987. Up to twelve people can be accommodated per age group so register soon. Call 877-5185 ext. 260 for more information.

### Fall and winter brochure

The Recreation and Parks Department is taking reservations for advertising space in the upcoming Fall and Winter Brochure. Any affiliated or non-profit organization is required to reserve their space by June 15, 1987.

Contact the Recreation and Parks Department, 877-5185 ext. 263, should you require additional information.

We will also be updating our community contact list. If your group is not listed give us a call.

We should also like to advertise any community special events or dates to remember in this publication.

Contact our department should you wish us to publicize your group's events.

### Park attendants needed

The Town of Halton Hills requires additional Park Attendants in Acton and Georgetown.

The recreation department is seeking mature teenagers or adults (possibly senior citizens) to occasionally work as Park Attendants for Prospect Park, Acton and the

Georgetown Fairgrounds, on weeknights and weekends.

Anyone interested is asked to apply at the Recreation and Parks Office, 25 James Street, between 9:30 a.m. and 4:30 p.m., Monday to Friday or fill out an application form at the Acton Arena.

For more information call 877-5185 ext. 260.

### Road race breakfast

Thanks to the generous donations from Wm. Neilson C. Ltd., Crossway Donuts Ltd. and Halton Bun Master and Fruit Market the recreation and parks department will be able to offer a light breakfast to its runners after the mayor's 9th annual road race, Sunday, June 14 at 8:15 a.m.

Again this year, there will be a five kilometre route for Halton Hills residents only and an Open 10 kilometre route.

Trophies will be awarded to first place finishers and medallions to second and third place finishers. All entries to complete the race will receive a certificate.

For more information please call 877-5185 ext. 276.

## Soccer teams see action

The Georgetown District High School girls' soccer team finished their regular schedule this week, and are now preparing for playoff action. These photos show action from a game last week when the Georgetown seniors took on Loyola. (Herald photos)

## Firestone Juniors rained out

An Ontario Junior Fastball League contest scheduled for Thursday night between the Halton Hills Firestone Juniors and Maryhill, had to be postponed due to rain.

The game, which was to be played in Maryhill, will be rescheduled at a later date.

The Firestone Juniors were slated to play Fergus last night (Tuesday) in Glen Williams, weather permitting.

Halton Hills will face four straight

away games beginning this Thursday when they travel to New Hamburg. Then, May 31, they will make the trip to Shakespeare.

The Firestone crew held a record of two wins and no losses heading in-

action last night.

In their season opener they trimmed Shakespeare 21-6, and followed that up by edging Maryhill 3-2.

## Newcomers take over in ball hockey

The Old and Out of Shape are at it for a second season on Tuesday nights at Memorial Arena. Although it's only three weeks into the season for the over 30 Ball Hockey league there have been a couple of early season surprises.

Leading the way are the newcomers to the league, the McGibbon Hawks. This team of "spry" young gunners has blasted off with a 3 and 0 record, outscoring the opposition 28 to 8.

Led by the scoring prowess of Gerry Coffey (5G, 5A), Brian Beaumont (5G, 4A), Larry Peterson (5G, 4A) and Ian Syme (6G, 6A), the Hawks have been averaging nearly 9 goals a game.

Also off to a quick start are Dave's Service Centre (formerly Petro-Can), the Pontiac Fieros and Choice Air.

Surprisingly, the two championship finalists from the 1986 season, the Kentners (last year's champions) and Midas Top guns (formerly Century 21) are both off to very sluggish starts, with Kentner having only one tie to show for their first three games while Midas has lost all three of their early season games.

However, it is very early in the season and both these teams will provide stronger showings as the season progresses and the teams return to form.
